## MIYA LAUREN

**Doing Shakespeare** American Library Association

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Study and Revise for AS/A-level: King Lear* Harmondsworth, Eng. : Penguin Books

Exam board: OCR Level: A-History Subject: First teaching: September 2015 First exams: Summer 2016 Target success in OCR A-level History with this proven formula for effective, structured revision; key content coverage is combined with exam preparation activities and exam-style questions to create a revision guide that students can rely on to review, strengthen and test their knowledge. - Enables students to plan and manage a successful revision programme using the topic-by-topic planner - Consolidates knowledge with clear and focused content coverage, organised into easy-to-revise chunks - Encourages active revision by closely combining historical content with related activities - Helps students build, practise and enhance their exam skills as they progress through activities set at three different levels - Improves exam technique through exam-style questions with sample answers and commentary from expert authors and teachers - Boosts historical knowledge with a useful glossary and timeline

**Cambridge Student Guide to King Lear** McGraw Hill Professional

An improved, larger-format edition of the Cambridge School Shakespeare plays, extensively rewritten, expanded and produced in an attractive new design.

*The Use of English* WordSmith

Some have viewed the ascendance of the digital library as some kind of existential apocalypse, nothing less than the beginning of the end for the traditional library. But Weiss, recognizing the concept of the library as a "big idea" that has been implemented in many ways over thousands of years, is not so gloomy. In this thought-provoking and unabashedly optimistic book, he explores how massive digital libraries are already adapting to society's needs, and looks ahead to the massive digital libraries of tomorrow, covering The author's criteria for defining massive digital librariesA history of Google Books and the Very Large Digital Library, with a refresher on the initial protests of the scholarly communication communityPractices of massive digital libraries, and how traditional libraries are evolving to integrate their presenceA comparison of the collection development approaches of Google Books and HathiTrustLibrary applications, such as MDL for research in digital humanities, catalog integration through the Google Book API, Culturenomics, and the Google Ngram viewerCase studies of library projects with Google Books, with analysis of aspects such as legibility of scans, metadata accuracy, culture, and diversity Providing a solid grounding on the concept of massive digital libraries, and their strengths and weaknesses as digital information tools, this book will help librarians understand how they function and what we can expect in the future.

*Reading the Pre-Raphaelites* Good Press

A thoroughly revised edition of the successful student text *Doing Shakespeare*, first published in 2005. The book's success lies in the close readings of speeches and scenes it gives students, demystifying the language of the plays and critical approaches to them. This new edition introduces a new way of approaching Shakespeare's text, through ideas of performance and the actor's role and restructures the content to make it easier to navigate, with clear signposting throughout, guiding students to the content most useful to them. Simon Palfrey takes a direct approach to the common difficulties faced by students "doing" Shakespeare and tackles them head-on in a no-nonsense style, making the book especially accessible. He brings us much closer to the animate life of the plays, as things that are not finished monuments but living material, in process and up for grabs, empowering students to see opportunities for their own creative or re-creative readings of Shakespeare.

*Records, Computers, and the Rights of Citizens* Letts and Lonsdale

To discover how women constructed their own mythology of the West, Kolodny examines the evidence of three generations of women's writing about the frontier. She finds that, although the American frontiersman imagined the wilderness as virgin land, an unsp

*'Tis Pity She's A Whore* Cambridge University Press

Proactively implement a successful security and disaster recovery plan--before a security breach occurs. Including hands-on security checklists, design maps, and sample plans, this expert resource is crucial for keeping your network safe from any outside intrusions.

*King Lear* Aegitas

This volume aims to demystify Shakespeare's plays for the beginning reader. Concentrating on language, genre and history, it discusses the plays in the light of contemporary thought. It also covers verse, rhetoric, dramatic methods and imagery.

*Intellectual property rights in an age of electronics and information* Dramatists Play Service, Inc.

In republican times, one of Rome's deadliest enemies was King Mithridates of Pontus. In 66 BCE, after decades of inconclusive struggle, the tribune Manilius proposed a bill that would give supreme command in the war against Mithridates to Pompey the Great, who had just swept the Mediterranean clean of another menace: the pirates. While powerful aristocrats objected to the proposal, which would endow Pompey with unprecedented powers, the bill proved hugely popular among the people, and one of the praetors, Marcus Tullius Cicero, also hastened to lend it his support. In his first ever political speech, variously entitled *pro lege Manilia* or *de imperio Gnaei Pompei*, Cicero argues that the war against Mithridates requires the appointment of a perfect general and that the only man to live up to such lofty standards is Pompey. In the section under consideration here, Cicero defines the most important hallmarks of the ideal military commander and tries to demonstrate that Pompey is his living embodiment. This course book offers a portion of the original Latin text, study aids with vocabulary, and a commentary. Designed to stretch and stimulate readers, the incisive commentary will be of particular interest to students of Latin at both AS and undergraduate level. It extends beyond detailed linguistic analysis and historical background to encourage critical engagement with Cicero's prose and discussion of the most recent scholarly thought.

**Shakespeare** Yale University Press

The members of an eminently respectable British family reveal their true natures over the course of an evening in which they are subjected to a routine inquiry into the suicide of a young girl.

**Choosing Your A-Levels and Other Post-16 Options** Cambridge University Press

The Cambridge Student Guide to King Lear provides explanatory notes and guidance to help form the basis for the understanding of the play. It is part of a new series aimed at students from 16 years upwards in schools and colleges throughout the English-speaking world. Background information provides support and prompts inquiry for advanced level study by drawing out issues

and themes related to the text. The content of each book in the series follows the pattern of an introduction; detailed running commentary on the text; insight into historical, social and cultural contexts; analysis of the language; an overview of critical approaches and different interpretations; essay-writing tips and lists of recommended resources.

**The Merchant's Prologue and Tale** Cambridge University Press

Terry Eagleton's *Tragedy* provides a major critical and analytical account of the concept of 'tragedy' from its origins in the Ancient world right down to the twenty-first century. A major new intellectual endeavour from one of the world's finest, and most controversial, cultural theorists. Provides an analytical account of the concept of 'tragedy' from its origins in the ancient world to the present day. Explores the idea of the 'tragic' across all genres of writing, as well as in philosophy, politics, religion and psychology, and throughout western culture. Considers the psychological, religious and socio-political implications and consequences of our fascination with the tragic.

**Sawbones** BookCaps Study Guides

The availability of digital editions of early modern works brings a wealth of exciting archival and primary source materials into the classroom. But electronic archives can be overwhelming and hard to use, for teachers and students alike, and digitization can distort or omit information about texts. Teaching Early Modern English Literature from the Archives places traditional and electronic archives in conversation, outlines practical methods for incorporating them into the undergraduate and graduate curriculum, and addresses the theoretical issues involved in studying them. The volume discusses a range of physical and virtual archives from 1473 to 1700 that are useful in the teaching of early modern literature—both major sources and rich collections that are less known (including affordable or free options for those with limited institutional resources). Although the volume focuses on English literature and culture, essays discuss a wide range of comparative approaches involving Latin, French, Spanish, German, and early American texts and explain how to incorporate visual materials, ballads, domestic treatises, atlases, music, and historical documents into the teaching of literature.

**The Turn of the Screw** Psychology Press

Indexes the Times, Sunday times and magazine, Times literary supplement, Times educational supplement, Times educational supplement Scotland, and the Times higher education supplement.

**Tragedy and Postcolonial Literature** Modern Language Association

This is a famous educational text by Gilbert J. Hunt presenting an account of the War of 1812 in the style of the King James Bible. It starts with President James Madison and the congressional declaration of war and then describes the Burning of Washington, the Battle of New Orleans, and the Treaty of Ghent.

**King Lear: Questions & Answers** John Wiley & Sons

Sixteen-year-old Ezra McAdam has much to be thankful for: trained up as an apprentice by a well-

regarded London surgeon, Ezra's knowledge of human anatomy and skill at the dissection table will secure him a trade for life. However, his world is turned on its head when a failed break-in at his master's house sets off a strange and disturbing series of events that involves grave robbing, body switching ... and murder.

**The admonitions of an Egyptian sage** Harvard University Press

This illustrated book focuses on the Pre-Raphaelite artists and their radical departure from artistic conventions. Barringer explores the meanings encoded in Pre-Raphaelite paintings and analyses key pictures and their significance within the complex social and cultural matrix of 19th century Britain.

**The Late War Between the United States and Great Britain** Routledge

This book examines tragedy and tragic philosophy from the Greeks through Shakespeare to the present day. It explores key themes in the links between suffering and ethics through postcolonial literature. Ato Quayson reconceives how we think of World literature under the singular and fertile rubric of tragedy. He draws from many key works – Oedipus Rex, Philoctetes, Medea, Hamlet, Macbeth, and King Lear – to establish the main contours of tragedy. Quayson uses Shakespeare's Othello, Chinua Achebe, Wole Soyinka, Tayeb Salih, Arundhati Roy, Toni Morrison, Samuel Beckett and J.M. Coetzee to qualify and expand the purview and terms by which Western tragedy has long been understood. Drawing on key texts such as *The Poetics* and *The Nicomachean Ethics*, and augmenting them with Frantz Fanon and the Akan concept of *musuo* (taboo), Quayson formulates a supple, insightful new theory of ethical choice and the impediments against it. This is a major book from a leading critic in literary studies.

**Shakespeare Questions** UNC Press Books

Six-hundred-year-old tales with modern relevance. This stunning full-colour edition from the bestselling Cambridge School Chaucer series explores the complete text of *The Merchant's Prologue and Tale* through a wide range of classroom-tested activities and illustrated information, including a map of the Canterbury pilgrimage, a running synopsis of the action, an explanation of unfamiliar words and suggestions for study. Cambridge School Chaucer makes medieval life and language more accessible, helping students appreciate Chaucer's brilliant characters, his wit, sense of irony and love of controversy.

**My Revision Notes: OCR A-level History: Popular Culture and the Witchcraze of the 16th and 17th Centuries** How to Books

The last decade has seen a revival of interest in John Ford and especially 'Tis Pity She's a Whore, his tragedy of religious scepticism, incestuous love, and revenge. This text in particular has provided a focus for scholarship as well as being the subject of a number of major theatrical productions. Simon Barker guides the reader through the full range of previous interpretations of the play; moving from an overview of traditional readings he goes on to enlarge upon new questions that have arisen as a consequence of critical and cultural theory.
