Join Kit Livingstone on a mind-bending quest to unlock the secrets of the multiverse in this epic fantasy adventure series. After discovering the truth about alternate realities from his great-grandfather Cosimo in a rainy alley in London, Kit is on the run and on a mission

to restore a map that charts the hidden dimensions of the multiverse. But survival depends on staying one step ahead of the savage Burley Men. The key to the quest is the Skin Map, but Kit has no idea where it leads or what it means. The pieces have been scattered throughout this universe and beyond, and evil forces are also vying for their power. Travel with Mina, a time traveler from seventeenth-century Prague, and discover hidden realms across time and space, from Egyptian sphinxes to Bohemian coffee shops and Stone Age landscapes where universes collide. But beware of those who would use the ley lines for their own sinister purposes. From acclaimed author Stephen R. Lawhead, The Bright Empires series is a thrilling blend of epic treasure hunt, ancient history, alternate realities, cutting-edge physics, philosophy, and mystery. This

page-turning adventure is like no other and is sure to captivate fans of fantasy and science fiction alike.

A nineteenth-century Scottish lawyer receives mystic visions of epic adventures during the Crusades in this historical fantasy trilogy opener. Scotland, 1095. While his father and brothers follow Pope Urban II's call to win Jerusalem from the infidels, Murdo Ranulfson stays behind to guard his family's interests. But when his home is confiscated by greedy usurpers, Murdo is forced to follow the Crusades himself. Hoping to find his father and redeem his family's land, Murdo sets off on a journey that leads him to the Mediterranean—the heart of civilization now threatened by barbarian hordes—and on to the fabled city of Constantinople and beyond, to the Holy Land. Amidst brutality

and ambition, Murdo discovers what he seeks—and obtains a relic that will guide him and his descendants for centuries. Rich in heroism, treachery, and adventure, *The Iron Lance* begins an epic trilogy of Scottish noble family fighting for its existence and its faith during the age of the Crusades—and of a secret society whose ceremonies will shape history for a millennium. Praise for *The Iron Lance* “Lawhead’s . . . latest effort, the first in a series that combines historical fact with Christian legend, displays the author’s deep convictions as well as his storytelling expertise. A good choice for most fantasy collections.” —Library Journal “Lawhead displays considerable historical scholarship.” —Publishers Weekly

It is the ultimate quest for the ultimate treasure. Chasing a map tattooed on human skin. Across an omniverse of intersecting realities. To unravel the future of the future. Kit Livingstone’s great-grandfather appears to him in a deserted alley during a tumultuous storm. He reveals an unbelievable story: that the ley lines throughout Britain are not merely the stuff of legend or the weekend hobby of deluded cranks, but pathways to other worlds. To those who know how to use them, they grant the ability to travel the multi-layered universe of which we ordinarily inhabit only a tiny part. One explorer knew more than most. Braving every danger, he toured both time and space on voyages of heroic discovery. Ever on his guard and fearful of becoming lost in the cosmos, he developed an intricate code—a roadmap of symbols—that he tattooed onto his own body. This Skin Map has since been lost in time. Now the race is on to recover all the pieces and discover its secrets. But the Skin Map itself is not the ultimate goal. It is merely the beginning of a vast and marvelous quest for a prize beyond imagining. The Bright Empires series—from acclaimed author Stephen R. Lawhead—is a unique blend of epic treasure hunt, ancient history, alternate realities, cutting-edge physics, philosophy, and mystery. The result is a page-turning, adventure like no other. “Anything but ordinary . . . Dynamic settings are mixed with unpredictable adventures [and] parallel worlds.” —BookPage

The second installment in the all-new series from the masterful, #1 NEW YORK TIMES bestselling author Maggie Stiefvater! Ronan Lynch has secrets. Some he keeps from others. Some he keeps from himself. One secret: Ronan can bring things out of his dreams. And sometimes

he’s not the only one who wants those things. Ronan is one of the raven boys - a group of friends, practically brothers, searching for a dead king named Glendower, who they think is hidden somewhere in the hills by their elite private school, Aglionby Academy. The path to Glendower has long lived as an undercurrent beneath town. But now, like Ronan’s secrets, it is beginning to rise to the surface - changing everything in its wake. Of *THE RAVEN BOYS*, ENTERTAINMENT WEEKLY wrote, “Maggie Stiefvater’s can’t-put-it-down paranormal adventure will leave you clamoring for book two.” Now the second book is here, with the same wild imagination, dark romance, and heart-stopping twists that only Maggie Stiefvater can conjure.  
In the Hall of the Dragon King Harper Collins

A magnificent epic of cataclysmic upheaval and heroic love in a breathless age of mythic wonders. It was a time of legend, when the last shadows of the mighty Roman conqueror faded from the captured Isle of Britain. While, across a vast sea, bloody war shattered a peace that had flourished for two thousand years in the doomed kingdom of Atlantis. From the award-winning author of *THE DRAGON KING TRILOGY* comes a majestic tale of breathtaking scope and haunting beauty. It is the remarkable adventure of Charis—the courageous princess from Atlantis who escapes the terrible devastation of her land—and of the fabled seer and druid prince Taliesin, singer at the dawn of the age. A story of an incomparable love that joins two astonishing worlds amid the fires of chaos, and spawns the miracles of Merlin . . . and Arthur the king! TALIESIN “Reminiscent of C. S. Lewis . . . Highly recommended.” —Library Journal

2023 Philip K. Dick Award Nominee "A compulsive, terrifying read."—Kate Quinn, New York Times bestselling author of *The Rose Code* For readers of Margaret Atwood's *The Handmaid's Tale* comes a thrilling feminist dystopian novel set in an alternative history that terrifyingly imagines what a British alliance with Germany would look like if the Nazis had won WWII. To control the past, they edited history. To control the future, they edited literature. LONDON, 1953. Thirteen years have passed since England surrendered to the Nazis and formed a Grand Alliance with Germany. It was forced to adopt many of its oppressive ideologies, one of which was the strict classification of women into hierarchical groups based on the perceived value they brought to society. Rose Ransom, a member of the privileged Geli class, remembers life from before the war but knows better than to let it show. She works for the Ministry of Culture, rewriting the classics of English literature to ensure there are no subversive thoughts that will give women any ideas. Outbreaks of insurgency have been seen across the country with graffiti made up of seditious lines from forbidden works by women painted on public buildings. Suspicion has fallen on Widowland, the run-down slums where childless women over fifty have been banished. Rose is given the dangerous task of infiltrating Widowland to find the source of the rebellion before the Leader arrives in England for the Coronation ceremony of King Edward VIII and Queen Wallis. Will Rose follow her instructions and uncover the criminals? Or will she fight for what she knows in her heart is right? Praise for *Widowland*: "A mind-bender of a novel about the power of literature to change minds. I loved it!"

Hood is a powerful and moving story of a hidden, secret grief from Emma Donoghue, the author of *Room*. Penelope O'Grady and Cara Wall are risking disaster when, like teenagers in any intolerant time and place – here, a Dublin convent school in the late 1970s – they fall in love. Yet Cara, the free spirit, and Pen, the stoic, craft a bond so strong it seems as though

nothing could sever it: not the bickering, not the secrets, not even Cara's infidelities. But thirteen years on, a car crash kills Cara and rips the lid off Pen's world. Pen is still in the closet, teaching at her old school, living under the roof of

Cara's gentle father, who thinks of her as his daughter's friend. How can she survive widowhood without even daring to claim the word? Over the course of one surreal week of bereavement, she is battered by

memories that range from the humiliating, to the exalted, to the erotic, to the funny. It will take Pen all her intelligence and wit to sort through her tumultuous past with Cara, and all the nerve she can muster to start remaking her life.
