365 Sex Moves Simon's Cat

The Post Office: this musty, dusty and sh***y organisation was jolted back into life in GOING POSTAL. Hidebound and rulebound, the Post Office is creaking towards a brave new world of efficiency - and it may even deliver the mail, too. But like all bureaucracies, the Ankh-Morpork Post Office has its rules and regulations and these, together with the history of this once-great department, are highlighted and parodied in the Ankh-Morpork Post Office Handbook. How do you send eggs through the Post Office? What size envelope is banned? And what happens when snails start eating the mail? It's all here in the Ankh-Morpork Post Office Handbook and Diary 2007. * that's of the pigeon guano type, of course.

Quiver Books

Contrast the Fools' Guild with the Assassins' Guild next door: one is pleasant, light and airy and the corridors echo with the quiet activity of people working hard to master a job they love; the other is gaunt, forbidding and silent, except for the occasional muffled sob . . . The Fools' Guild, founded 150 years ago, is also a hospital, craft standards enforcer, fraternal society and school. There is always a place and a custard pie in the face for any young boy with an amusing hump, speech impediment or other laughable deformity. As with previous diaries in the series, the usual mundane dates are complemented by the Discworld's own special occasions, so you will always know when to expect the Soul Cake Duck's choccie eggs and which days are most auspicious for the throwing of custard pies.

The Ankh-Morpork Assassins' Guild* in its modern form is the result of Lord Vetinari's distinctive civic policy, and is renowned across the Discworld. It offers the best all-round education in the world, because a qualified assassin should be at home in any company, and able to play at least one musical instrument. Anyone inhumed by a graduate of the Guild school can go to his rest satisfied that he has been annulled by someone of taste and discretion. You need never be late for an assassination again with this fully functioning diary with all the necessary dates, holidays, notes and a year planner, including Octedays, the exclusive 8th Discworld day. The fifty-two week spreads will be liberally illustrated by Paul Kidby, with the usual witty, quirky and apposite bons mots from the pen of Terry Pratchett himself. *Motto: NIL MORTIFI, SINE LVCRE

Ankh-Morpork Post Office Handbook Quirk Books

Out of the wickedly inventive imagination of #1 New York Times bestselling author J.R. Ward comes a world where sin and salvation collide in a battle for the future of mankind—where a cynical fallen angel struggles against the seven deadly sins and a demon's lure over seven chosen souls... Mels Carmichael, reporter for the Caldwell Courier Journal, gets the shock of her life when a man stumbles in front of her car outside the local cemetery. After the accident, his amnesia is just the kind of mystery she likes to solve, but she soon discovers they're in over their heads with his past. Over their heads with passion, too. As shadows walk the line between reality and another realm, and her lover's memory begins to come back, the two of them learn that nothing is truly dead and buried. Especially when you're trapped in a no holds barred war between angels and demons. With a soul on the line, and Mels's heart at risk, what in Heaven—or in Hell—will it take to save them both?
