Your guide on how to have fun and understand the crazy environment that is today's Las Vegas With insightful writing, up-to-date reviews of major attractions, and a lot of "local" knowledge, *The Unofficial Guide to Las Vegas 2018* has it all. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today

and Operations Research Forum, *The Unofficial Guide to Las Vegas* digs deeper and offers more than any single author could. This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count. With advice that is direct, prescriptive, and detailed, it takes out the guesswork. Eclipsing the usual list of choices, it unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. With *The Unofficial Guide to Las Vegas*, you know what's available in every category, from the best to the worst. The reader will also find the sections about the history of the town and the chapters on gambling fascinating. In truth, *The Unofficial Guide to Las Vegas*, by Bob Sehlinger, emphasizes how to have fun and understand the crazy environment that is today's Vegas. It's a keeper.

Kings of Madison Avenue The Unofficial Guides

A radical reimagining of the minotaur myth, from an essential voice in world literature. Winner of the Jan Michalski Prize for Literature • Finalist for the PEN Literary Award for Translation and the Strega Europeo Published a decade before his International Booker Prize-winning *Time Shelter*, Georgi Gospodinov's *The Physics of Sorrow* has become an underground cult classic. Finding strange solace in the myth of the Minotaur, a man named Georgi reconstructs the story of his life like a labyrinth, meandering through the past to find the melancholy child at the center of it all. With profound wit and empathy, he catalogues curious instances of abandonment, spanning from antiquity to the Anthropocene; recounts scenes of a turbulent boyhood

in 1970s Bulgaria, spent mostly in a basement; and charts a bizarre run-in with an eccentric flaneur named Gaustine. Exquisitely translated by Angela Rodel, and exhibiting his signature audacious style, this expansive work affirms Gospodinov as “one of Europe’s most fascinating and irreplaceable novelists” (Dave Eggers).

The Law & Order: Special Victims Unit Unofficial Companion is a comprehensive guide covering the first 10 seasons and includes a synopsis and an objective analysis for each episode, as well as commentaries or recollections from the people involved in crafting the one-hour tale. It goes after the heart of SVU through interviews with actors, writers, producers, casting agents, location scouts and others. The authors peek behind the scenes of the bicoastal operation, observing the progress of an entire episode shot in New York City and a script fine-tuned in Los Angeles. The book provides fascinating insight, delighting SVU devotees who love on-screen and backstage trivia. In addition, creator Dick Wolf offers readers a gripping foreword to the book.

“The College Solution helps readers look beyond over-hyped admission rankings to discover schools that offer a quality education at affordable prices. Taking the guesswork out of saving and finding money for college, this is a practical and insightful must-have guide for every parent!” —Jaye J. Fenderson, Seventeen’s College Columnist and Author, *Seventeen’s Guide to Getting into College* “This book is a must read in an era of rising tuition and falling admission rates. O’Shaughnessy offers good advice with blessed clarity and brevity.” —Jay Mathews, Washington Post Education Writer and Columnist “I would recommend any parent of a college-bound student read *The College Solution*.” —Kal Chany, Author, *The Princeton Review’s Paying for College Without Going Broke* “The College Solution goes beyond other guidebooks in providing an abundance of information about how to afford college, in addition to how to approach the selection process by putting the student first.” —Martha “Marty” O’Connell, Executive Director, *Colleges That Change Lives* “Lynn O’Shaughnessy always focuses on what’s in the consumer’s best interest, telling families how to save money and avoid making costly mistakes.” —Mark Kantrowitz, Publisher, *FinAid.org* and Author, *FastWeb College Gold* “An antidote to the hype and hysteria about getting in and paying for college! O’Shaughnessy has produced an excellent overview that demystifies the college planning process for students and families.” —Barmak Nassirian, American Association of Collegiate Registrars and Admissions Officers For millions of families, the college planning experience has become extremely stressful. And, unless your child is an elite student in the academic top 1%,

most books on the subject won't help you. Now, however, there's a college guide for everyone. In *The College Solution*, top personal finance journalist Lynn O'Shaughnessy presents an easy-to-use roadmap to finding the right college program (not just the most hyped) and dramatically reducing the cost of college, too. Forget the rankings! Discover what really matters: the quality and value of the programs your child wants and deserves. O'Shaughnessy uncovers "industry secrets" on how colleges actually parcel out financial aid—and how even "average" students can maximize their share. Learn how to send your kids to expensive private schools for virtually the cost of an in-state public college...and how promising students can pay significantly less than the "sticker price" even at the best state universities. No other book offers this much practical guidance on choosing a college...and no other book will save you as much money!

- Secrets your school's guidance counselor doesn't know yet
- The surprising ways colleges have changed how they do business
- Get every dime of financial aid that's out there for you
- Be a "fly on the wall" inside the college financial aid office
- U.S. News & World Report: clueless about your child
- Beyond one-size-fits-all rankings: finding the right program for your teenager
- The best bargains in higher education
- Overlooked academic choices that just might be perfect for you
