A sizzling story of a woman who risks her life and her heart to find a wealthy man’s missing sister—the first novel in a sexy new romantic suspense series from #1 New York Times bestselling author Maya Banks When Caleb Devereaux's younger sister is kidnapped, this scion of a powerful and wealthy family turns to an unlikely source for help: a beautiful and sensitive woman with a gift for finding answers others cannot. While Ramie can connect to victims and locate them by feeling their pain, her ability comes with a price. Every time she uses it, it costs her a piece of herself. Helping the infuriatingly attractive and impatient Caleb successfully find his sister nearly destroys her. Even though his sexual intensity draws her like a magnet, she needs to get as far away from him as she can. Deeply remorseful for the pain he’s caused, Caleb is determined to make things right. But just when he thinks Ramie's vanished forever, she reappears. She’s in trouble and she needs his help. Now, Caleb will do risk everything to protect her—including his heart. . . .

This romance from the author of Geekerella and Heart of Iron is the hilarious and heartwarming story of a classic-rock girl and a pop-star boy . . . America's favorite pop band, Roman Holiday, is done, dead, and so totally last year. For eighteen-year-old rockoholic Junie Baltimore, this is music to her ears. But when she discovers their sexy ex-lead singer hiding out on the boardwalk, her summer vacation becomes the cover story of the year. She's willing to keep him a secret, but when a sleazy paparazzo offers her the cash she needs to save the bar her father left behind, could she sell out for the chance to save her future? Who is she kidding? That's a no-brainer...but she never planned on falling head over heels for the lead singer.

Famous Brazilian educational and social theorist Paulo Freire presents his ideas on the importance of community solidarity in moving toward social justice in schools and society. In a set of talks and interviews shortly before his death, Freire addresses issues not often highlighted in his work, such as globalization, post-modern fatalism, and the qualities of educators for the 21st century. His

illuminating comments are supplemented with commentaries by other well-known scholars, such as Ana Maria Araujo Freire, Walter de Oliveira, Norman Denzin, Henry Giroux, and Donald Macedo.

Fuzz McFlops is one of the most famous rabbit-writers in the land, but ever since his classmates teased him about his lopsided ears at school he's lead a lonely life, writing sad stories such as *The Withered Carrot*. Now he's started receiving some scandalous, outrageous and rather eye-catching letters from one of his fans. Who is she? And why does Fuzz's funny, too-short ear start twitching every time he replies to her shocking notes? As their correspondence continues, Fuzz McFlops begins to wonder where this tale is heading, and whether he might not discover a happy ending for once, after all...

Narrado em primeira pessoa, este livro reúne 55 crônicas de Paula Pimenta, escritas entre 2000 e 2009, e que descrevem suas experiências, sentimentos e reflexões. A autora revela aqui a si própria, com relatos, comentários e ideias, abordando temas como amor, ciúmes, amizade, esportes, cidadania, e outros.

*Princesa das águas* Harper Collins

Paula Pimenta é conhecida e amada por milhares de fãs por seus romances juvenis, mas um dos primeiros gêneros nos quais se aventurou em sua carreira literária foi a crônica, que escrevia e publicava em sites literários. Em 2012, lançou seu primeiro livro nesse estilo, *Apaixonada* por palavras, pela Editora Gutenberg. Seus leitores gostaram tanto das 55 crônicas publicadas que pediram mais! Paula resolveu atender aos inúmeros pedidos lançando este novo livro, *Apaixonada* por histórias, que traz mais 55 crônicas. Como o título sugere, a autora desde pequena sempre

teve enorme paixão por todos os tipos de narrativas, e, como maravilhosa contadora de histórias, narra várias situações que viveu em sua vida, e que inspiraram muitos de seus personagens e passagens de seus livros e séries.

**Sabine's Notebook** Autêntica Editora

This is a love story. Boy meets girl and girl falls for boy - that much is true. But when Sienna meets Nick it's not the way it happens in love stories. It's because of a squirrel on water skis! She sees Nick's dangerous brown eyes and thinks, don't fall into them. Who will be there to catch Siena when she falls?

In this simple tale, the novel's hero is the talented heir to a notable family in Lisbon. He aspires to serve his fellow man in his chosen profession of medicine, in the arts, and in politics. But he enters a society affected by powerful international influences--French intellectual developments, English trading practices--that trouble and frustrate him. In the end he is reduced to a kind of spiritual helplessness and his good intentions are reduced to dilettantism. His passionate love affair begins to suffer a devastating constraint.

Victoria Growing up in far-off India, wealthy young heiress Lady Victoria Arbuthnot was accustomed to handling her own affairs -- not to mention everyone else's. But in her sixteenth year, Vicky is unceremoniously shipped off to London to find a husband. With her usual aplomb, however, Lady Victoria gets herself engaged to the perfect English gentleman, even before setting foot on British soil. The Rogue Hugo Rothschild, ninth earl of Malfrey, is everything a girl could want in a future husband: he is handsome and worldly, if not rich. Lady Victoria has everything just as she'd like it. That is, if raffish young ship captain Jacob Carstairs would leave well enough alone. Jacob's meddling is nothing short of exasperating, and Victoria is mystified by his persistence. But when it becomes clear that young Lord Malfrey just might not be all that he's professed to be, Victoria is forced to admit, for the first time in her life, that she is wrong. Not only about her fiance, but about the reason behind the handsome ship captain's interference.

Colin Fischer is 14 and has Asperger's. Although he struggles to understand human emotions, he's brilliant at logical deduction. Sherlock Holmes is his pin-up. When a gun fires into the ceiling of the school cafeteria, everyone blames Wayne, school bully and usual suspect. But Colin Fischer turns detective; only he spots a connection between the gun and some birthday cake. Only Colin can uncover the truth. A brilliantly entertaining read for anyone who loved *The Curious Incident of the Dog in the Night-time*.

**Victoria and the Rogue** Simon and Schuster

Debates in Geography Education encourages early career teachers, experienced teachers and teacher educators to engage with and reflect on key issues, concepts and debates. It aims to

enable readers to reach their own informed judgements with deeper theoretical knowledge and understanding. The second edition is fully updated in light of the latest research, policy and practice in the field, as well as key changes to the curriculum and examination specifications. Expert contributors provide a range of perspectives on international, historical and policy contexts in order to deepen our understanding of significant debates in geography education. Key debates include: geography's identity as an academic discipline; what constitutes knowledge in geography; places and regional geography; what it means to think geographically; constructing the curriculum; how we link assessment to making progress in geography; the contribution of fieldwork and outdoor experiences; technology and the use of Geographical Information; school geography and employability; understanding the gap between school and university geography; evidence-based practice and research in geography education. The comprehensive, rigorous coverage of these key issues, together with carefully annotated selected further reading, will help support and shape further research and writing. *Debates in Geography Education* is a key resource that is essential reading for all teachers and researchers who wish to extend their grasp of the place of geography in education. Mark Jones is Senior Lecturer in Education at the University of the West of England, Bristol, UK David Lambert is Professor of Geography Education at UCL Institute of Education, London, UK

*My True Love Gave to Me* Penguin UK

After twenty years of marriage, Rami discovers that her husband has been living a double--or rather, a quintuple--life. Tony, a senior police officer in Maputo, has apparently been supporting four other families for many years. Rami remains calm in the face of her husband's duplicity and plots to make an honest man out of him. After Tony is forced to marry the four other women--as well as an additional lover--according to polygamist custom, the rival lovers join together to declare their voices and demand their rights. In this brilliantly funny and feverishly scathing critique, a major work from Mozambique's first published female novelist, Paulina Chiziane explores her country's traditional culture, its values and hypocrisy, and the subjection of women the world over.

*A Tropical Belle Epoque* Routledge

In 1985 Brooklyn, New York, sixteen-year-old artist Ari learns about first love.

A unique take on a children's fantasy book- the 'hero' is a pebble called Fred. Although largely set in the present, the book transports reader's to the early twentieth century. Ideal for children 12 years and over. Jack Watt is a teenager, rather given to over-quick conclusions. Finding what looks like an explosive device on his kitchen table one morning, Jack Watt alerts the rest of the house. The device turns out to be a mysterious object which leads him into all sorts of adventures and trouble. Joe, his downstairs neighbour, is more sceptical. Even more so, when "the bomb" is found to be nothing more than a harmless stone one might find on a beach or garden path. Jack knows otherwise, for later that day, he has some weird experiences with the strange visitor he names Fred. When Jack's journalist girlfriend, Fiona McDuff returns from an assignment, she is eventually impressed by the powers of the stone and convinces the others to spy on the Royal Family at a theatrical event, but the evening doesn't go according to plan... Through a turn of mysterious events, Jack and Fred travel in time to the early twentieth century. A Stone Called Fred is an ideal read for children 12 years and over, and fans of fantasy and adventure fiction.
