GOODMAN PETERSEN

Guitar Tangos Cambridge University Press
 Branding is a profoundly geographical type of commodification process. Many things become commodities that are compared and valued on markets around the globe. Places such as cities or regions, countries and nations attempt to acquire visibility through branding. Geographical imaginations are evoked to brand goods and places as commodities in order to show or create connections and add value. Yet, not all that is branded was originally intended and created for markets. This volume aims to broaden current understanding of branding through a series of contributions from geography, history, political studies, cultural, and media studies, offering insight into how ordinary places, objects and practices become commodities through branding. In so doing, the contributions also show how nation, place and product as targets of branding can be seen as intertwined. To discuss these forms of branding, book chapters refer to states, cities, holiday destinations, food malls, movies, dances, post stamps and other items that serve as brands and/or are branded. The book will be of interest to students and scholars in geography, sociology, history, cultural studies and business studies who would like to gain an understanding of the intricate and surprising ways in which things, places, and cultural practices become brands.

Creative Beading Vol. 13 London, Ont. : Nightwood Editions
 Jewelry makers in search of stitching projects love Kalmbach's Creative Beading series, back for 2018 with its 13th volume. Inside this high-quality hardcover book, beaders will find 65+ projects from the latest year of *Bead&Button* magazine. All the projects are designed by the magazine's contributors and editors, fully tested by the editors, and accompanied by step-by-step instructions, photos, and illustrations. The emphasis is on bead stitching, the most popular technique among *Bead&Button* readers. With more than 65 projects, Creative Beading Vol. 13 features jewelry in a wide variety of colors, styles, skills, and techniques. The projects feature the tried-and-true materials beaders love — multi-hole and shaped beads, seed beads, crystals, pearls, and gemstones. Every beader will find something to love! Creative Beading Vol. 13 includes a thorough Basics section, so beaders new to the techniques can get started quickly, and a handy index to the contributors for jewelry makers looking for a particular designer's style.

Tango Canción: 21 Argentine Tangos for Medium-Low Voice and Piano Routledge

A stunning sampler of romantic piano solos from the early days of

the tango. Here is the first extensive collection of early tango music ever published outside of Argentina. This anthology presents 42 facsimile piano scores in a wide range of tango styles found in 19th century Argentina and Uruguay. Selections include classics by Argentina's and Uruguay's most famous guardia vieja (old guard) composers, written during the tango's formative years between 1900 and 1920. Many of these pieces evoke musical parallels with American piano rags of the same era. These wonderful early tangos embody the full emotional depth and rhythmic complexity of this fascinating genre, yet are accessible to players of varied abilities.

Tangos Tango for Two. 12 Tangos for Violin & Piano Paper Tangos A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Tracing Tangueros Oxford University Press

Tracing Tangueros offers an inside view of Argentine tango music in the context of the growth and development of the art form's instrumental and stylistic innovations. Rather than perpetuating the glamorous worldwide conceptions that often only reflect the tango that left Argentina nearly 100 years ago, authors Kacey Link and Kristin Wendland trace tango's historical and stylistic musical trajectory in Argentina, beginning with the guardia nueva's crystallization of the genre in the 1920s, moving through tango's Golden Age (1932-1955), and culminating with the "Music of Buenos Aires" today. Through the transmission, discussion, examination, and analysis of primary sources currently unavailable outside of Argentina, including scores, manuals of style, archival audio/video recordings, and live video footage of performances and demonstrations, Link and Wendland frame and define Argentine tango music as a distinct expression possessing its own musical legacy and characteristic musical elements. Beginning by establishing a broad framework of the tango art form, the book proceeds to move through twelve in-depth profiles of representative tangueros (tango musicians) within the genre's historical and stylistic trajectory. Through this focused examination of tangueros and their music, Link and Wendland show how the dynamic Argentine tango grows from one tanguero linked to another, and how the composition techniques and performance practices of each generation are informed by that of the past.

Care to Tango?, Bk 1 McFarland

The music for Michael McLean's popular album *Care to Tango?* is now available in two collections -- *Care to Tango? Book 1* and *Care to Tango? Book 2*. Book 1 is for two or three violins and piano, while Book 2 is for two violins and piano. These fun arrangements give violinists the chance to play in different styles. Each book contains the score with brief explanations about each piece, violin parts as separate inserts, and the recording. This

series will invigorate your ensemble! Titles: 1. Tango 2. Rhumba 3. Csardas 4. Serenata 5. Slavonic Dance 6. Hungarian Dance #5 7. Tango El Choclo".

Victor Records Mel Bay Publications

In *PAPER TANGOS*, classically trained dancer and anthropologist Julie Taylor examines the poetics of the tango, while recounting a life lived crossing the borders of two distinct and complex cultures. Drawing parallels among the violence of the Argentine Junta, tango dancing, and her own life, Taylor weaves the line between engaging memoir and cultural critique. The book's design includes photographs on every page that form a flip-book sequence of a tango. 89 photos.

Billboard Alfred Music

An innovative resource which shatters tango stereotypes to account for the genre's impact on arts, culture, and society around the world. Twenty chapters by North and South American, European, and Asian contributors, some publishing in English for the first time, collectively cover tango's history, culture, and performance practice.

Tango Stories Alfred Music Publishing

The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.

Tango Lessons Taylor & Francis

This manual is an excellent source for ragtime era dances including the one step, tango, Brazilian maxixe, and hesitation waltz. The book is richly illustrated with more than twenty photos of many famous exhibition ballroom couples such as Irene and Vernon Castle, and Maurice and Florence Walden.

Duke University Press

This book is the first to explore tango argentino as translocal practice, with a focus on the European context. Beyond that, the book crosses borders in the use of both qualitative and quantitative methods, ranging from participant observation to statistical data evaluation, including optical motion capture for

movement analysis. Most of all, it is an important contribution to the emerging field of choreomusicology, focusing on movement and sound structures, dancers and musicians, and the complex relations between all of these factors that all have their share in shaping tango argentino practice.

The Cambridge Companion to Tango Hal Leonard Corporation (Accordion). 17 hits from the Lads from Liverpool have been arranged for accordion. Includes: All You Need Is Love * Eleanor Rigby * The Fool on the Hill * Here Comes the Sun * Hey Jude * In My Life * Let It Be * Ob-La-Di, Ob-La-Da * Penny Lane * When I'm Sixty-Four * Yesterday * and more.

TANGO CANCIN Kalmbach Publishing Co

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Paper Tangos Duke University Press

This collection of Argentinean tangos for voice and piano offers a cross-section of tango across the ages, from the beginnings, through the Gardel era, the golden age and Tango nuevo (of Piazzolla and others), right up to contemporary compositions; creating a perfect tango concert program. Whether used within a song recital, as encores, or as music for dance events, the repertoire in Tango canción is completely versatile and suitable for singers from all backgrounds. Arranged by the Argentinean composer, pianist and tango expert Juan María Solare, these

songs retain an authentic tango sound while making the vocal and piano writing approachable by all—especially those who are not familiar with the repertoire. Additional information and performance tips help performers achieve the passion of tango. A cross-section of Argentinean tangos from the beginnings up to the present day Easier and intermediate-level pieces, with practical piano accompaniments Includes introductions to the songs, translations of the lyrics and a guide to pronunciation Ideal as a complete concert programme

Full Spectrum Warrior Routledge

The tangos in this collection are not traditional Argentinean dance pieces, but rather instrumental pieces written specifically for the piano. Included are delightful pieces by composers Isaac Albéniz, Ernesto Nazareth, Manuel Ponce, Joaquín Turina and others. The selections range in difficulty from intermediate to moderately difficult. Titles: * Tango, Op. 165, No. 2 (Albéniz) * Danza española, Op. 232, No. 3 (Albéniz) * Cielo de encantos (Campos) * El velorio (Cervantes) * La tarde está amorosa (Cervantes) * Los tres golpes (Cervantes) * Tango (Hinson) * Solace (Joplin) * Duvidoso (Nazareth) * Espalhafatoso (Nazareth) * Famoso (Nazareth) * Fon-fon (Nazareth) * Garôto (Nazareth) * Matuto (Nazareth) * Odeon (Nazareth) * Ranzinza (Nazareth) * Remando (Nazareth) * Sagaz (Nazareth) * Malgré tout (Ponce) * Tango, Op. 8, No. 2 (Turina)

Billboard Simon and Schuster

Global Tangos: Travels in the Transnational Imaginary argues against the hackneyed rose-in-mouth clichés of Argentine tango, demonstrating how the dance may be used as a way to understand transformations around the world that have taken place as a result of two defining features of globalization: transnationalism and the rise of social media. **Global Tangos** demonstrates the cultural impact of Argentine tango in the world by assembling an unusual array of cultural narratives created in almost thirty countries, all of which show how tango has mixed and mingled in the global imaginary, sometimes in wildly unexpected forms. Topics include Tango Barbie and Ken, advertising for phone sex, the presence of tango in political upheavals in the Middle East and in animated Japanese children's television programming, gay tango porn, tango orchestras and composers in World War II concentration camps, global tango protests aimed at reclaiming public space, the transformation of Buenos Aires as a result of tango tourism, and the use of tango for palliative care and to treat other ailments. They also include the global development of queer tango theory, activism, and festivals. **Global Tangos** shows how the rise in social media has heralded a new era of political activism, artistry, solidarity, and engagement in the world, one in which virtual global tango communities have indeed become very "real" social and support networks. The text engages some key concepts from contemporary critics in the fields of tourism studies, geography, dance studies, cultural anthropology, literary studies, transnational studies, television studies, feminism, and queer theory. **Global Tangos** underscores the interconnectedness of cultural identity, economics, politics, and power in the production, marketing, distribution, and circulation of global images related to tango—and, by extension, Latin America—that travel the world.
