WOOD ODOM

Heat Macmillan

An entertaining book that debunks popularly held beliefs. A sequel to Dictionary of Misinformation (1975).

Appalachian Sayings Penguin

Students will love learning about the San Francisco Giants in this high-interest title! Text covers the team's history, memorable wins, star players, and important coaches. Features include table of contents, fun facts, team stats, timeline, glossary, and

index. Aligned to Common Core standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO.

Odd Man Out iUniverse

Lively and anecdotal, Viva Baseball! chronicles the struggles of Latin American professional baseball players in the United States from the late 1800s to the present. Even as "Fernandomania" raged in 1981, most Latin players felt lonely, shunned, and forgotten. Samuel Regalado reveals the shocking racism faced by these immigrant athletes in a white culture. Only a burning desire to succeed and a grim

determination to leave behind the grinding poverty of their homelands could have driven these men to continue in the face of overwhelming hostility. In addition to mining the National Baseball Hall of Fame Library in Cooperstown, New York, and the Sporting News archives, Regalado conducted interviews with some twenty-five Latin baseball stars, among them Felipe Alou, Orlando Cepeda, and Tony Oliva.

The Lifeline of America University of Illinois Press

With this insightful and intelligent book, professionals can help institutionalized

older adults express themselves creatively. One of only a few books on expressive arts for older people, this unique volume is ideal for professionals who provide art activities for residents in adult homes and retirement communities. *Creative Arts With Older People* provides time-tested suggestions to stimulate the creative process among older adults, resulting in numerous physical, psychological, and social benefits.

Reggie Jackson Taylor & Francis
An illustrated survey of the origins, evolutions, and meanings of thousands of phrases, and expressions unique to American English adds up to an entertaining, reliable history of modern American idioms and speech.

Gravel and Grit ABDO

The only anthology of its kind, this collection brings together classic and recent essays by thirteen leading geographers exploring American popular culture. The essays examine music, food, sports, politics, architecture, clothing, and religion within the context of five themes of cultural geography: region, diffusions, ecology, integration, and landscape. A list of suggested readings follows each

section. *Fast Food, Stock Cars, and Rock-n-Roll* is an excellent text for introductory courses, appealing to students through its discussion of such topics as "grunge" rock, fast food, and blue jeans.

Can true love be their crowning glory?

Olivia Charlton is a princess who believes in love — not a high priority in a royal family hung up on tradition and duty. Meanwhile, village sweetheart Rosie Perkins has no time for affairs of the heart — she's just struggling to keep her cafe and life afloat. When Olivia heads to Cornwall to escape her royal duties for a few weeks, the two meet and sparks fly. But can a cafe owner and a princess truly end up with their own happily ever after when all the odds are stacked against them? Best-selling lesbian romance authors Clare Lydon & Harper Bliss have teamed up to bring this modern-day fairy tale to life. Grab your copy of the love story everyone's talking about!

San Francisco Giants Hachette Books

Dr. Breggin presents this fascinating, frightening, and dramatic look at people driven to suicide, murder, and other violent behaviors by the psychotropic medications that were meant to help them.

Creative Arts with Older People Penguin

The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and

decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

Words from the White House W. W. Norton & Company

Gravel and Grit recounts not only a rural boyhood in a period of racial hostility and class exclusion but also of simple country pleasures and strong family ties. Other approaches to writing about the South either romanticize or demonize the people and culture in which the author was reared. What makes this work different is that it reveals both the gravel (the course, unflattering, and shameful side of that era) and the grit (the remarkable will to survive). Stories are told with a backdrop of significant historical events such as the Great Depression, World War II, the Southern Labor Movement, the Civil Rights Movement, and the advent of the rock and roll revolution in music—all of which led to a transformation of values. Price promotes

racial harmony as well as understanding the conflicts, contradictions, and joys of living in the South. Rich in literary quotations and cultural allusions, the reader will recall memories from his or her own life. Here, in this world of sunshine and toil, these common people, both black and white, endured, survived, and prevailed. It was also here that some white citizens made one last bloody, fatal gasp to preserve the cultural curse of Jim Crow. African Americans left a legacy of fighting for their country both overseas and at home. This is a book that can change a reader, and it is certainly a book the reader will remember.

Ballplayer St. Martin's Press

How did Elnora end up in Willow Springs, Wyoming? She remembered having plans before the move. She planned to be a successful banker in Southern California. She planned on spending her weekends at the beach and eventually growing old with the sound of waves breaking in the background. Then she fell in love and found a new dream with her Prince Charming, Johnathan, who moved her to Willow Springs, Wyoming. Elnora expected the townsfolk to be yahoos. They probably

don't even have banks, she thought. They probably hide their money in mattresses. But it was worth it for the love of her life, and so she did her best to make do. Even so, the unexpected racism toward the nearby Indian reservation shocked her. They were a peaceful people; why did the town hold such a grudge? When Elnora and Johnathan make the acquaintance of five Native American children, their hearts melt at their tragic plight. Yet the children receive no sympathy from the other residents of Willow Springs. It's up to Elnora to take action. A city girl becomes a huge-hearted country woman and takes on racism, danger, and her own fears to become the hero she never knew or expected she could be. Maybe Wyoming isn't so bad after all.

Sing Backwards and Weep Lisgar Alumni Association

A story with a big heart about a boy, a coach, the game of baseball, and the game of life. "There are teachers with a rare ability to enter a child's mind; it's as if their ability to get there at all gives them the right to stay forever." There was a turning point in Michael Lewis's life, in a baseball game when he was fourteen years old. The irascible and often terrifying Coach Fitz put the ball in his hand with the game on the line and managed to convey such confident trust in Lewis's ability that the boy had no choice but to live up to it. "I didn't have words for it then, but I do now: I am about to show the world, and myself, what I can do." The coach's message was not simply about winning but about self-respect, sacrifice, courage, and endurance. In some ways, and now thirty years later, Lewis still finds himself trying to measure up to what Coach Fitz expected of him.

The perfect gift for the diehard fan, an enviable treasure for yourself, *The Ultimate Yankee Book* is the most current and comprehensive source of trivia, people and stories from the team's creation in 1901 to today. Harvey Frommer, the celebrated baseball historian and author of eight books about the Yankees, including *The New York Yankee Encyclopedia* and *Remembering Yankee Stadium*, has outdone himself this time around. *The Ultimate Yankee Book* combines oral history with stories of

legendary figures and epic Yankee feats. Featuring an exhaustive timeline, a challenging 150-question Yankee quiz, entertaining sections on Yankees by the numbers and nicknames and profiles of dozens of Yankee legends and luminaries, this is a book to treasure and turn to again and again. Yankee fans have bragging rights to call their team the greatest of all time. Not only have the Yankees won the most World Series championships and placed the most players in the Hall of Fame, but the franchise is also the most widely featured team in news, social media and books. This groundbreaking work gives fans what they love: the best stories and a mother lode of data right through 2016. More than 125 archival photos and images are a special feature of *The Ultimate Yankee Book*.

Coach: Lessons on the Game of Life Scholastic Inc.

Atlanta Braves third baseman and National Hall of Famer Chipper Jones—one of the greatest switch-hitters in baseball history—shares his remarkable story, while capturing the magic nostalgia that sets baseball apart from every other sport. Before Chipper Jones became an eight-

time All-Star who amassed Hall of Fame-worthy statistics during a nineteen-year career with the Atlanta Braves, he was just a country kid from small town Pierson, Florida. A kid who grew up playing baseball in the backyard with his dad dreaming that one day he'd be a major league ballplayer. With his trademark candor and astonishing recall, Chipper Jones tells the story of his rise to the MLB ranks and what it took to stay with one organization his entire career in an era of booming free agency. His journey begins with learning the art of switch-hitting and takes off after the Braves make him the number one overall pick in the 1990 draft, setting him on course to become the linchpin of their lineup at the height of their fourteen-straight division-title run. Ballplayer takes readers into the clubhouse of the Braves' extraordinary dynasty, from the climax of the World Series championship in 1995 to the last-gasp division win by the 2005 "Baby Braves"; all the while sharing pitch-by-pitch dissections of clashes at the plate with some of the all-time great starters, such as Clemens and Johnson, as well as closers such as Wagner and Papelbon. He

delves into his relationships with Bobby Cox and his famous Braves brothers—Maddux, Glavine, and Smoltz, among them—and opponents from Cal Ripken Jr. to Barry Bonds. The National League MVP also opens up about his overnight rise to superstardom and the personal pitfalls that came with fame; his spirited rivalry with the New York Mets; his reflections on baseball in the modern era—outrageous money, steroids, and all—and his special last season in 2012. Ballplayer immerses us in the best of baseball, as if we're sitting next to Chipper in the dugout on an endless spring day.

So You Think You Know Baseball?: A Fan's Guide to the Official Rules

Courier Dover Publications

Still not sure what makes a sinker different from a curve? Can't remember when the M&M boys played with the Yankees? Want to know where the "seventh-inning stretch" comes from? Then you've done the right thing by picking up this book - the most complete collection of baseball terms and slang to be found between two covers. Impeccably researched, The New Dickson Baseball Dictionary covers all the bases.

Medication Madness Xlibris Corporation

The Queen's English has no place across the pond, where a long history of defiance, creativity, and originality has made its way into the everyday vocabulary of Americans coast-to-coast. God Bless America is an informative and entertaining guide to the meaning and history beneath our uniquely American words and phrases. Robert Hendrickson makes it clear that whether you're ordering "fried chicken" or heading out to see a "movie," you are celebrating contributions to the English language made by Americans, both famous and forgotten. With extensive research and a passion for language, Hendrickson furthers our understanding of the familiar and introduces us to the more obscure artifacts of American speech. God Bless America provides the definitions and background for many uniquely American phrases and terms, such as: • Bald eagle • Boston baked beans • Five-and-ten • Give 'em hell • Lazy Susan • Sho' nuff • Yankee Doodle • And more! A dictionary packed full of historical accounts, etymological peculiarities, and imaginative spirit, God Bless America represents not only the American language but also the American

people. This book provides an undeniable resource for travelers, patriots, and Anglophiles from all walks of life.
