Rancher's Refuge Elsewhen Press

Jack Forrester, a former United States Navy seal, and a renowned archaeologist, has been contracted to hunt for the roots of life by one of the world's most powerful men, Seth Ohmsford. With its healing and medicinal components, the roots of life would be required to prolong the life of this powerful man. As an insurance to ensure that Jack completes the assignment, the beautiful Ausanat is abducted by Ohmsford and hidden in a remote place known only to him. Jack feels betrayed and goes on an adventurous journey to find her. His search for the roots of life and Ausanat takes him to faraway lands where his survival skills are put to the test.

Succeeding Outside the Academy Harlequin

The most wonderful time of the year has arrived for this cowboy in New York Times bestseller Donna Grant's next novel, *Home for a Cowboy Christmas*. 'Tis the season—for everyone except Emmy Garrett. She's on the run after witnessing a crime. But when it becomes clear that trouble will continue following her, the US

Marshal in charge takes her somewhere no one will think to look—Montana. Not only is Emmy in a new place for her protection, but now, she's stuck with a handsome cowboy as her bodyguard...and she wants to do more than kiss him under the mistletoe. Dwight Reynolds left behind his old career, but it's still in his blood. When an old friend calls in a favor, Dwight opens his home to a woman on the run. He tries to keep his distance, but there's something about Emmy he can't resist. She stokes his passion and turns his cold nights into warm ones. When danger shows up looking for Emmy, Dwight risks everything to keep her safe. "A captivating romance novel with a sexy cowboy making this perfect for anyone who loves a steamy romantic read." - Fresh Fiction on My Favorite Cowboy

Don't miss the JOE PICKETT series—now streaming on Paramount+ A mountain patrol leads Wyoming game warden Joe Pickett into a dangerous situation in this gripping novel from #1 New York Times bestselling author C. J. Box. It's Joe Pickett's last week as a temporary game warden in the mountain town of Baggs, Wyoming, but his conscience won't let him leave without checking out the strange reports coming from the wilderness: camps looted, tents slashed, elk butchered. What awaits him is like something out of an old campfire tale, except this story is all too real—and all too deadly.

Rough Rowdy Reckless Harlequin

Not every PhD becomes a professor. Some never want to, but others discover—too late and ill-prepared to look elsewhere—that there's precious little room in today's ivory tower, and what's there might not be a good fit. For those leaving academia, or wanting out, or finding themselves adrift, this book offers hope, advice, and a bracing look at how others facing the same quandary have made careers outside of the academy work. All of the authors in this volume, as well as the editors, have built successful careers beyond the groves of academia—as freelance editors and writers, consultants and lecturers, librarians, realtors, and entrepreneurs—and each has a compelling story to tell. Their accounts afford readers a firsthand view of what it takes to transition from professor to professional. They also give plenty of

practical advice, along with hard-won insights into what making a move beyond the academy might entail—emotionally, intellectually, and, not least, financially. Imparting what they wish they'd known during their PhDs, these writers aim to spare those who follow in their uncertain footsteps. Together their essays point the way out of the “tenure track or bust” mindset and toward a world of different but no less rewarding possibilities.

Nowhere Ranch Simon and Schuster

"The sweat poured off her brow. She could only hope the moisture didn't take off the charcoal and ash stains she had carefully placed on her face." Erin Raven Kerr prays God will help her escape from the horrid situation she has been held captive in for eight years. Will she make it out of Baltimore? Captain McBride wants to help this little old lady but doesn't know why. Will he trust God and help her? J. R. Riley has a strange dream and can't wait to talk with Michael about it. What does it mean? What will he come to know about Raven's wings? Things are happening in Crystal Springs, Texas, which have everyone on edge and wondering what will happen next.

Nowhere to Run Penguin

Thanks to the classic Dolly Parton film *The Best Little Whorehouse in Texas* and ZZ Top's ode "La Grange," many people think they know the story of the infamous Chicken Ranch. The reality is more complex, lying somewhere between heartbreaking and absurd. For more than a century, dirt farmers and big-cigar politicians alike rubbed shoulders at the Chicken Ranch, operated openly under the sheriff's watchful eye. Madam Edna Milton and her girls ran a tight, discreet ship that the God-fearing people of La Grange tolerated if not outright embraced. That is, until a secret conspiracy enlisted an opportunistic reporter to bring it all crashing down on primetime television. Drawn from exclusive interviews and expanded with newly uncovered information, Jayme Lynn Blaschke's revelatory exposition of the Ranch illuminates the truth and lies surrounding this iconic brothel.

Bloodsworn Zebra Books

A stand alone story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend. ----- There's no distance you can run to escape the past. Too stubborn to face his sins, Jesse Coleman bolted from the Six Pack Ranch, only to fall straight into the arms of a beautiful stranger. Twelve hours later, the seductive firebrand is nothing but a whiskey-laced memory—but one powerful enough to convince Jesse tracking down his elusive lover is worth the effort. Darilyn Hayes figured it was her lucky night when the sexiest cowboy in Alberta interrupted her annual drink-until-I-fall-over wake. At least until four weeks later when she discovers she's pregnant and her one-night-stand is nowhere to be found. Still, as she's shared with her devoted blog readers, Dare has dealt with life's not-so-gentle surprises before. She'll make it on her own. When a meme gone viral leads to their reunion, Jesse's floored by Dare's news. She's very clear she's not looking for a commitment, but screw that. He's going to do the right thing by her and his unborn kid. The fact they lit the sheets on fire is a bonus, but with a baby on the way, both their lives are gonna change. Jesse's got a ton of family to reconnect with, including his estranged twin. Dare holds family loosely—even though she loves them—because she knows too well how fragile life can be. Between her and Jesse, they've got enough baggage to open a store. But they still have a shot at forever—if they're willing to fight for it. This story contains the following: A sexy, dirty, cocky-as-hell prodigal son with massive bridges to rebuild. A woman able to see to the heart of the matter yet bold enough to speak the truth. A family of extraordinary resolve and endless love. A wedding or two. And babies—oh lordy, the babies... Keywords: Canadian Author, cowboy, western,

contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

Simon and Schuster

If Harp could wish, he'd be invisible. Orphaned as a child, failed by a broken system and raised on a struggling colony world, Harp's isolated existence turns upside down when his rancher boss hands him into military service in lieu of the taxes he cannot pay. Since Harp has spent his whole life being regarded with suspicion, and treated as less, why would he expect his latest environment to be any different? Except it is, so is it any wonder he decides to hide the 'quirks' that set him even more apart? Space opera with a paranormal twist, Terry Jackman's novel explores prejudice, corruption, and the value of true friendship. Cover art courtesy of NASA and Space Fabricator

Where I Live Now Western Publishing Company

New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star of the Food Network show *The Pioneer Woman*, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the "idyllic" countryside has not been without a few bumps in the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh*t and shenanigans that have really gone on here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.

Geography Of Nowhere Unlimited Dreams Publishing

Rancher Eli Merrick has discovered a secret. It's a sixteen-year-old secret, one with Merrick eyes, a Merrick chin and a stubborn Merrick attitude. Piper Beauregard knows that she was wrong to keep Tristen from his father. But her son had the power to hurt the Merrick brothers and split their family apart forever. Now the secret is out, and Eli is angrier than she could have imagined. After claiming his son, Eli takes him straight to Marietta, Montana to raise him on the old Douglas Ranch. Guilt-ridden at keeping the two apart, Piper knows she has to follow them. She's still drawn to Eli's protectiveness, even after so many years, but will he ever be able to look past their history?

UNCOMPROMISING COWBOY Max Slade has no time for regrets. Until the biggest regret of his life shows up in Wyoming. Four years ago, Max left Calley Hastings without a word of explanation. He'd tried to write, but how do you tell a thoroughly urban woman that you're moving to a ranch to take care of three orphaned little boys? No, Calley didn't belong on the ranch or in his life—then or now. Calley thought she was coming to Wyoming to visit a pen pal, but it turns out she's been writing to Max's matchmaking brothers! Well, there was no way she and Max would ever reconcile. She doesn't know how to ride a horse, and more important, how could she love someone who'd found it so easy to walk away from her? And yet, how can she crush the hope of the boys who just want to see Max happy again? **BONUS BOOK INCLUDED IN THIS VOLUME!** *The Texas Rancher's Marriage* by Cathy Gillen Thacker Few people in Laramie, Texas, know that Merri Duncan is actually the biological mother of her late sister's twins. Even fewer know that Chase Armstrong is their biological father. It's even news to Chase...

From the New York Times bestselling author of *The Midnight Club*—now an original Netflix series! Teresa Chafey is running away from home. Driving north along the California coast, she picks up two mysterious hitchhikers: Poppy Corn and Freedom Jack. Together the three of them tell stories: Teresa of her devastating relationship with her boyfriend, Poppy of a sad young woman she once knew, and Freedom of a talented young man with a violent temper. Yet as they talk, a darker story unfolds around them. A story of life and death, of redemption and damnation. It will be the longest night of Teresa's life. And maybe the last night of her life.

Fifty Miles from Home Texas A&M University Press

Trouble might be gaining on you... When Al agrees to help Fergie find the missing son of one of their long-ago high school classmates, they head off to a ranch in the valley, where some wide open spaces still remain in Southeast Texas. Al is okay with following Fergie's lead in the case, for a change, and even with riding horses. But what he doesn't expect is for the trail to lead them to encounter one of America's most violent gangs, the Mara Salvatrucha. The MS-13 members are vicious, tattooed career criminals who have devoted their lives to machetes and guns. And this bunch is gearing up to wage war with other gangs—fighting, maiming, killing, and dying over their turfs, colors, and hand signs. Heaven help anyone in their way. But to do their job, Fergie and Al end up squarely in the gang's path.
