'Anthology' comes from the Greek word that stands for garlands - a bouquet of flowers. An anthology then, should be a sort of reminder of something else, a small token of something much larger. In the case of flowers, they bring with their fragrance and colorfulness the reminder of the fields, of a season. Coelho's anthology, therefore, is not only a collection of texts or poems, but a gift, something arranged according to his sensitivities, to give to others. The selection of books presented in this volume have been chosen as if from a vast field of flowers, stretching infinitely into time's horizon. Coelho's selection is

ordered in to the four elements, symbolizing both our world on all its directions, and the way we dwell in this world, the way we say it. In 'Earth' we find writers as diverse as Oscar Wilde and D H Lawrence; in 'Air' Nelson Mandela and Gabriel Garcia Marques; in 'Fire' Rumi and Mary Shelley; in 'Water' Hans Christian Anderson and Machiavelli.

 A NATIONAL BESTSELLER An essential companion to the inspirational classic *The Alchemist*, filled with timeless stories of reflection and rediscovery. From one of the greatest writers

of our age comes a collection of stories and parables unlocking the mysteries of the human condition. Gathered from Paulo Coelho's daily column of the same name, *Maktub*, meaning "it is written," invites seekers on a journey of faith, self-reflection, and transformation. Each story offers an illuminated path to see life and the lives of our fellow people around the world in new ways, allowing us to tap into universal truths about our collective and individual humanity. As Coelho writes, "a man who seeks only the light, while shirking his responsibilities, will never find illumination.

And one who keep his eyes fixed upon the sun . . . ends up blind." These wise tales offer the perspective of talking snakes, old women climbing mountains, disciples querying their masters, Buddha in dialogue, mysterious hermits, and many saints addressing the mysteries of the universe. Following the path of his previous internationally bestselling works, this thoughtful collection of short, inspirational pieces, introduced in a foreword by the author and illustrated with black-and-white line art throughout, will engage seekers of all ages and backgrounds. *The Victorious Attitude*

“More ambitious than *The Alchemist*. A thought-provoking tale.” – TIME magazine
In *The Fifth Mountain*, Paulo Coelho takes us back to the ninth century, to the turbulent Middle East, where the prophet Elijah is struggling to keep his faith alive in a world of constant upheaval, tyrannical royalty, and pagan gods. Elijah’s story is a lesson in persistence, an exercise in hope, and a journey you will

never forget. Inspired by a circumstance that forever altered Coelho's own life, *The Fifth Mountain* is a testament to the truth that tragedy in life should not be considered a punishment, but a challenge of the spirit. Gripping in its narrative and graceful in its prose, *The Fifth Mountain* teaches and inspires like no other novel. This is a timeless story for the ages, a tale of the past that resonates powerfully today.
