Japanese Stories for Language Learners

Hachette UK

Includes 75-minute audio CD Playful goblins with long noses, magic tea kettles, and a delightfully brave hero who just happens to be one inch tall-these are some of the wonderful characters you'll meet in this collection of the 20 best-loved

Japanese children's stories. Drawn from folklore and passed down for generations, these classic tales speak of the virtues of hard work, humility, kindness, and good humor. "Once upon a time . . ." has never sounded so inviting.

Myths and Legends of Japan Vintage

In time for the one year anniversary of the 2011 earthquake in Japan, a collection of essays and stories by Japanese writers on the devastating disaster, its aftermath, and the resolve of a people to rebuild. On March 11, 2011, a massive earthquake

occurred off the northeastern coast of Japan, triggering a 50-foot tsunami that crushed everything in its path—highways, airports, villages, trains, and buses—leaving death and destruction behind, and causing a major radiation leak from five nuclear plants. Here eighteen writers give us their trenchant observations and emotional responses to such a tragedy, in what is a fascinating, enigmatic and poignant collection. Blind Willow, Sleeping Woman Penguin Two hundred and twenty tales from

medieval Japan—tales that welcome us into a fabulous faraway world populated by saints, scoundrels, ghosts, magical healers, and a vast assortment of deities and demons. Stories of miracles, visions of hell, jokes, fables, and legends, these tales reflect the Japanese civilization. They ably balance the lyrical and the dramatic, the ribald and the profound, offering a window into a long-vanished culture. With black-and-white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library

Three Japanese Short Stories 50 Japanese Short Stories for Beginners Read Entertaining Japanese Stories to Improve your Vocabulary and Learn Japanese While Having Fun

Do you know what the hardest thing for a Japanese learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so

essential for somebody wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Japanese language. How Japanese Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Japanese culture. - Having trouble understanding Japanese characters? No problem - we provide you with the English translation below each paragraph, allowing you to fully grasp what you're reading! - The summaries follow a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance! Do not get lost trying to understand or pronounce it all, either, as all of the vocabulary words are

Romanized for your ease of learning! - Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Whether it's true or false, or if you're doing the single answer questions, don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Japanese; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Japanese Short Stories for Beginners and level up your Japanese language skills right now!

Terminal Boredom Stone Bridge Press

Japanese Fairy Tales Fitzcarraldo Editions
Are you finding it tough to follow dialogues on your favorite Korean series and movies? Do you want to have conversations with Korean speakers like a native? If your answer to any of the previous questions was 'Yes', then this

book is for you! One of the most crucial skills you will gain as a language learner is the ability to speak like a native. Using the right words, tone, and formality is key to mastering the language, and Korean is no different! Because of this, we have compiled OVER ONE HUNDRED conversational Korean stories for Beginners along with their translations, allowing new Korean speakers to obtain the necessary tools to know how to set a meeting, rent a car or tell a doctor that they don't feel well. If speaking the language like a native is your goal, this book is for you! How Conversational Korean Dialogues works: - Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. - A Korean version of the conversation will take place first. Here, we will challenge your skills by allowing you to read the dialogue in its original tongue, before moving on to the English translation. - Accurate English translations follow each Korean conversation, providing you with the opportunity to understand everything that has been said. - A helpful introduction and

conclusion that will offer you important strategies, tips and tricks to allow you to get the most out of this learning material. We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your online and offline social circles! So, look no further! Pick up your copy of Conversational Korean Dialogues and start learning Korean right now!

Learning Japanese Hiragana and Katakana
Penguin

An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Japanese. "Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* Short Stories in Japanese for Intermediate Learners has been written especially for students from low-mid intermediate (ACTFL) level of Japanese. Mapped to B1 and approaching B2 on the Common European Framework of

Reference, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading, and most importantly - enjoyment! What does this book give you?

- Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary
- Controlled language at your level to help you progress confidently
- Spoken dialogues in a range of polite and casual forms in real settings to help you to improve the flow and accuracy of your spoken Japanese.
- To help you advance your kanji recognition skills, furigana is used to support reading higher level or unusual kanji and for the first appearance for common kanji.
- Common vocabulary from levels 4 and 5 of the JLPT (Japanese Language Proficiency Test) along with vocabulary carefully chosen from the higher levels help you learn useful new expressions and progress through the intermediate reading levels.
- Accessible grammar so you learn new structures naturally, without feeling overwhelmed or frustrated
- Practical tips help you to unlock the meaning of Japanese sentences

and new kanji words successfully.

- Beautiful illustrations accompanying each story, to set the scene and support your understanding
- Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' With intriguing plots that will spark your imagination and keep you reading, Short Stories in Japanese for Intermediate Learners will take your grasp of Japanese to the next level with key features to support and consolidate your progress, including:
 - A glossary for bolded words in each chapter
 - Full plot summary
 - A bilingual word list
 - Comprehension questions after each chapter.

As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Japanese for Intermediate Learners will accelerate your journey towards fluency. [Tales of Japan](#) Midealuck Ltd

Beginning with the first writings to assimilate and rework Western literary traditions, through the flourishing of the short story genre in the cosmopolitan atmosphere of the Taisho era, to the new breed of writers produced under the constraints of literary censorship, and the current writings reflecting the pitfalls and paradoxes of modern life, this anthology offers a stimulating survey of the entire development of the Japanese short story. Pantheon

From the surreal to the mundane, twenty-four stories that “show Murakami at his dynamic, organic best” (Los Angeles Times Book Review). "A warning to new readers of Haruki Murakami: You will become addicted.... His newest collection is as enigmatic and sublime as ever." —San Francisco Chronicle Here are animated crows, a criminal monkey, and an ice man, as well as the dreams that shape us and the things we might wish for. From the surreal to the mundane, these stories exhibit Murakami's ability to transform the full range of human experience in ways that are instructive, surprising, and

entertaining.

Japanese Tales Kodansha

Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two

Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book. *The Oxford Book of Japanese Short Stories* Vintage

Little One-Inch & Other Japanese Children's Favorite Stories Midealuck Ltd

A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed

translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history.

10 Japanese Short Stories for

Beginners Tuttle Publishing

Are you on your way towards learning Japanese and need a new challenge? We're constantly trying to improve and master new skills, and the Japanese language is no exception. We have created the next level of Japanese stories for the students who have already surpassed the beginner level: Intermediate Japanese Short Stories! In this book we have compiled 10 challenging, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to boost your grasp of the wonderful Japanese tongue. How Intermediate Japanese Short Stories works? Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn about the Japanese culture. Having trouble understanding Japanese characters? No problem - despite being Intermediate Japanese, we have still included a romanization to help guide you through your learning process, just like in the beginner stories! The summaries follow the story: a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if

you understood what the tale was about. Use them if you're having trouble. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Don't get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while mastering the Japanese tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Japanese Short Stories and level up your Japanese language learning right now! March Was Made of Yarn Univ of California Press

This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew

Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore.... In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority...

Japanese Children's Favorite Stories CD Book One Penguin UK

There is a world of difference between reading Japanese that has been specially concocted for students and reading real Japanese - that is, Japanese written for native speakers. The concocted variety is standard to the point of insipidity,

controlled to the point of domestication, restricted to the point of impoverishment. The Read Real Japanese series, comprising one volume each of Essays and Fiction, provides the real thing - lively writings by contemporary authors. Long awaited by teachers and students, Read Real Japanese Fiction presents short works by seven cutting-edge writers. The spellbinding world of Hiromi Kawakai; the hair-raising short horror of Otsuichi; the haunting, poignant prose of Banana Yoshimoto; even the poetic word-play of Yoko Tawada - whatever the personal taste, readers are sure to find something

of interest and value in this book, suitable for students at intermediate level and above. Like in real Japanese novels, the text on each page runs from top to bottom and from right to left. Need support? No worries. Each double-page spread features phrase-level translations, often with notes on nuance, usage, grammar or culture. In the back of the book, moreover, there is a built-in Japanese-English learner's dictionary, in case the reader wants to acquaint themselves with the meanings of individual words. Best of all, the book comes with a free audio CD containing narrations of the stories, performed by professional voice actors. This will help

students get used to not only the sounds and rhythms of Japanese, but also the speed at which the language is normally spoken.

Breaking Into Japanese Literature

Verso Books

Collection of short stories written over the entire span of Kawabata's career. These stories, he felt, represented the essence of his art and reflect his abiding interest in the miniature, the wisp of plot reduced to the essential. --Adapted from publisher description.
