Raising Antiracist Kids is a practical guide that equips parents to talk to white kids about race right now - whether they're

toddlers or teens - and go beyond conversation into action. The real life stories, strategies, practices, tips, and resources in Raising Antiracist kids help parents:- respond to children's questions and comments about race with calm, compassion, and truthfulness.- mentor kids into speaking up against stereotypes, exclusion, and racism.- choose the right words to explain painful topics like systemic racism and white privilege. - take antiracist action in age-appropriate ways. To support busy parents, the book is subdivided into sections for talking to and

taking action with toddlers, preschoolers, elementary age children, and middle school age children.

HMH Books For Young Readers

'A vital book for our times' ROBERT MACFARLANE 'Unflinching, complex, provocative' NIKESH SHUKLA 'A work of astonishing, insistent importance' Observer Aged eight, Dina Nayeri fled Iran along with her mother and brother, and lived in the crumbling shell of an Italian hotel-turned-refugee camp. Eventually she was granted asylum in America. Now, Nayeri weaves together her own vivid story with those of other asylum seekers in recent years. In these pages, women gather to prepare the noodles that remind them of home, a closeted queer man tries to make his case truthfully as he seeks asylum and a translator attempts to help new arrivals present their stories to officials. Surprising and provocative, *The Ungrateful Refugee* recalibrates the conversation around the refugee experience. Here are the real human stories of what it is like to be forced to flee your home, and to journey across borders in the hope of starting afresh.

Teaching students specific literacy skills is important--but equally critical, and often overlooked, is giving them the time and opportunity to read actual texts. Bringing together leading scholars, this book focuses on how teachers can improve both the quality and quantity of reading experiences in K-12 classrooms. Essential topics include factors that make reading tasks more or less productive for different types of learners, ways to balance

independent reading with whole-class and small-group instruction, how to choose appropriate texts, and the connections between reading engagement and proficiency. The relevant research literature is reviewed, and exemplary practices and programs are described.

Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough. They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change

Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of *IronicMom.com*), and fun, simple illustrations by Tina Kügler, *The Change Your Name Store* takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky

Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But

if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

Babushka's doll was special. She had played with it only once, when she was a little girl like her high-spirited granddaughter, Natasha. Now Babushka is going to the store and it's Natasha's turn to take the little doll down from the high shelf. When the naughty doll comes to life -- and is even more rambunctious than the little girl herself -- Natasha finds out why playing once with Babushka's doll is enough! Patricia Polacco's beautiful illustrations capture the warmth, humor, and timeless spirit of her magical tale.

Peek-a-Boo Farm R. R. Bowker

The editor-in-chief of Golf magazine examines the friendship that took root while he and his son set out to dispel the myth that golf is a good walk spoiled. Teenagers are notorious for differences with their parents, but George Peper has been lucky to share a special friendship with his 18-year-old son, Scott. For the past decade, the two have bonded over a mutual passion for golf, spending hundreds of hours together they would never have enjoyed if not for their love of chasing around a little white ball. Now, Peper examines their relationship, analyzing how their roles have morphed from faultless father and worshipful son to teacher and pupil, dictator and insurgent, and ultimately, target and assassin, as son tries to outscore father over 18 holes. In an endearing portrait, George Peper hits on the universal lessons of life, love, and golf—as he's learned them from his teenage son.
