New York Times Bestseller • On the 40th anniversary of The Band’s legendary *The Last Waltz* concert, Robbie Robertson finally tells his own spellbinding story of the band that changed music history, his extraordinary personal journey, and his creative friendships with some of the greatest artists of the last half-century. Robbie Robertson’s singular contributions to popular music have made him one of the most beloved songwriters and guitarists of his time. With songs like “The Weight,” “The Night They Drove Old Dixie Down,” and “Up on Cripple Creek,” he and his partners in The Band fashioned a music that has endured for decades, influencing countless musicians. In this captivating memoir, written over five years of reflection, Robbie Robertson employs his unique storyteller’s voice to weave together the journey that led him to some of the most pivotal events in music history. He recounts the adventures of his half-Jewish, half-Mohawk upbringing on the Six Nations Indian Reserve and on the gritty streets of Toronto; his odyssey at sixteen to the Mississippi Delta, the fountainhead of American music; the wild early years on the road with rockabilly legend Ronnie Hawkins and The Hawks; his unexpected ties to the Cosa Nostra underworld; the gripping trial-by-fire “going electric” with Bob Dylan on his 1966 world tour, and their ensuing celebrated collaborations; the formation of the Band and the forging of their unique sound, culminating with history’s most famous farewell concert, brought to life for all time in Martin Scorsese’s great movie *The Last Waltz*. This is the story of a time and place—the moment when rock ‘n’ roll became life,

when legends like Buddy Holly and Bo Diddley criss-crossed the circuit of clubs and roadhouses from Texas to Toronto, when The Beatles, Hendrix, The Stones, and Warhol moved through the same streets and hotel rooms. It’s the story of exciting change as the world tumbled through the ‘60s and early 70’s, and a generation came of age, built on music, love and freedom. Above all, it’s the moving story of the profound friendship between five young men who together created a new kind of popular music. Testimony is Robbie Robertson’s story, lyrical and true, as only he could tell it.

Nominated as one of America’s best-loved novels by PBS’s *The Great American Read* Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he’s sure he’ll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he’s alive—and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won’t have time to starve to death. The damaged machinery, unforgiving environment, or plain-old “human error” are much more likely to kill him first. But Mark isn’t ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

A popular guest at many of the town's finest homes, he particularly enjoyed participating in the sombre discussions about Martha's disappearance that still came up from time to time over the dinner table. 'I could tell you about it, every little detail,' he said to himself with a self-satisfied smile as he strolled the boardwalk, exchanging pleasantries with good friends he met along the way. 'But of course I won't. That's our secret: mine and Martha's.' In the gripping new novel from the Queen of Suspense, a young woman is haunted by two murders that are closely linked - despite the one hundred and ten years that separate them. Following the acrimonious breakup of her marriage and the searing experience of being pursued by an obsessed stalker, criminal defense attorney Emily Graham accepts an offer to leave Albany and work in a major law firm in Manhattan. Feeling a need for roots, she buys her ancestral home, a restored Victorian house in the historic New Jersey seaside resort town of Spring Lake. Her family had sold the house in 1892, after one of Emily's forebears, Madeline Shapley, then still a young girl, disappeared. Now, more than a century later, as the house is being renovated and the backyard excavated for a pool, the skeleton of a young woman is found. She is identified as Martha Lawrence, who had disappeared from Spring Lake over four years ago. Within her skeletal hand is the finger bone of another woman with a ring still on it - a Shapley family heirloom. In seeking to find the link between her family's past and the recent murder, Emily becomes a threat to a devious and seductive killer, who has chosen her as his next victim.

Frederick Douglass was born a slave. He was taken from his mother as a baby, and separated from his grandparents when he was six. He suffered hunger and abuse, but miraculously, he learned how to read. Frederick read newspapers left in the street, and secretly collected spellings from neighborhood children. Words, he knew, would set him free. When Frederick was twenty, he escaped to the North, where he spread his abolitionist beliefs through newspaper articles, autobiographies, and speeches. He believed that all people—regardless of color or gender—were entitled to equal rights. It is Douglass's words, as well as his life, that still provide hope and inspiration across generations. In this installment of the critically acclaimed Big Words series, Doreen Rappaport captures Frederick's journey from boy to man, from slavery to freedom, by weaving Frederick's powerful words with her own. London Ladd's strong and evocative illustrations combine with the text to create a moving portrait of an extraordinary life. At a time when the cooperation between white abolitionists and African Americans was limited, as was the alliance between the woman suffrage movement and the abolitionists, Sojourner Truth was a figure that brought all factions together by her skills as a public speaker and by her common sense. She worked with acumen to claim and actively gain rights for all human beings, starting with those who were enslaved, but not excluding women, the poor, the homeless, and the unemployed. Truth believed that all people could be enlightened about their actions and choose to behave better if they were educated by others, and persistently acted upon these beliefs.

A New York Times Bestseller and National Book Award Winner Jacqueline Woodson, the acclaimed author of *Red at the Bone*, tells the moving story of her childhood in mesmerizing verse. Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. A National Book Award Winner A Newbery Honor Book A Coretta Scott King Award Winner Praise for Jacqueline Woodson: Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

Sojourner in a Foreign Land is a personal story about immigration, the search for spiritual belonging, sexual and gender identity, and how childhood trauma influences a human life. As a Scandinavian immigrant, I was blessed with privileges other ethnic groups did not have. Still, it was a struggle to start from the bottom. The book also describes life in Copenhagen, Denmark, in the fifties and sixties, and what it means to leave your culture and traditions behind.
