Lord of the Flies HarperCollins

Satan comes to Soviet Moscow in this critically acclaimed translation of one of the most important and best-loved modern classics in world literature. The Master and Margarita has been captivating readers around the world ever since its first publication in 1967. Written during Stalin's time in power but suppressed in the Soviet Union for decades, Bulgakov's masterpiece is an ironic parable on power and its corruption, on good and evil, and on human frailty and the strength of love. In The Master and Margarita, the Devil himself pays a visit to Soviet Moscow. Accompanied by a retinue that includes the fast-talking, vodka-drinking, giant tomcat Behemoth, he sets about creating a whirlwind of chaos that soon involves the beautiful Margarita and her beloved, a distraught writer known only as the Master, and even Jesus Christ and Pontius Pilate. The Master and Margarita combines fable, fantasy, political satire, and slapstick comedy to create a wildly entertaining and unforgettable tale that is commonly considered the greatest novel to come out of the Soviet Union. It appears in this edition in a translation by Mirra Ginsburg that was judged "brilliant" by Publishers Weekly. Praise for The Master and Margarita "A wild surrealist romp. . . . Brilliantly flamboyant and outrageous." —Joyce Carol Oates, The Detroit News "Fine, funny, imaginative. . . . The Master and Margarita stands squarely in the great Gogol-esque tradition of satiric narrative." —Saul Maloff, Newsweek "A rich, funny, moving and bitter novel. . . . Vast and boisterous entertainment." —The New York Times "The book is by turns hilarious, mysterious, contemplative and poignant. . . . A great work." —Chicago Tribune "Funny, devilish, brilliant satire. . . . It's literature of the highest order and . . . it will deliver a full measure of enjoyment and enlightenment." —Publishers Weekly

'One of a kind. Utterly fantastic.' Eoin Colfer on Tin David and Penny's strange new home is surrounded by forest. It's the childhood home of their mother, who's recently died. But other creatures live here ... magical creatures, like tiny, hairy Pog. He's one of the First Folk, protecting the boundary between the worlds. As the children explore, they discover monsters slipping through from the place on the other side of the cellar door. Meanwhile, David is drawn into the woods by something darker, which insists there's a way he can bring his mother back ...

It is Edinburgh, 1822, and young Robbie is eight years old when he witnesses his mother's pain and subsequent death from an operation - without anaesthetic - to remove a tumour from her breast at the hands of Dr Knox. Haunted by this terrible event, Robbie, his hapless father and baby sister Essie attempt to move on with their lives. But when Robbie's father loses all their money and disappears, Robbie is left to look after himself and his sister in the Edinburgh slums. Somehow he falls in with Burke and Hare, the two men whom Knox employs to 'collect' bodies for medical research. Robbie sees a way to avenge his mother's death. Convincing himself that Knox is having people killed for him to experiment on, Robbie eventually confronts him. But Robbie comes to realise that for all his hard-heartedness and corrupt methods, Knox's motives are ultimately for the good: to improve surgical conditions, and operate on patients with the greatest speed and therefore minimum risk. Robbie eventually trains to be a surgeon, finally giving meaning to his mother's tragic death.

From bestselling, Printz Award-winning author Libba Bray, the story of a plane of beauty pageant

contestants that crashes on a desert island. Teen beauty queens. A "Lost"-like island. Mysteries and dangers. No access to email. And the spirit of fierce, feral competition that lives underground in girls, a savage brutality that can only be revealed by a journey into the heart of non-exfoliated darkness. Oh, the horror, the horror! Only funnier. With evening gowns. And a body count.

Since the 1970s, FantasticLand has been the theme park where "Fun is Guaranteed!" But when a hurricane ravages the Florida coast and isolates the park, the employees find it anything but fun. Five weeks later, the authorities who rescue the survivors encounter a scene of horror. Photos soon emerge online of heads on spikes outside of rides and viscera and human bones littering the gift shops, breaking records for hits, views, likes, clicks, and shares. How could a group of survivors, mostly teenagers, commit such terrible acts? Presented as a fact-finding investigation and a series of first-person interviews, FantasticLand pieces together the grisly series of events. Park policy was that the mostly college-aged employees surrender their electronic devices to preserve the authenticity of the FantasticLand experience. Cut off from the world and left on their own, the teenagers soon form rival tribes who viciously compete for food, medicine, social dominance, and even human flesh. This new social network divides the ravaged dreamland into territories ruled by the Pirates, the ShopGirls, the Freaks, and the Mole People. If meticulously curated online personas can replace private identities, what takes over when those constructs are lost? FantasticLand is a modern take on Lord of the Flies meets Battle Royale that probes the consequences of a social civilization built online. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Although the novels by William Golding have often attained a remarkable popular success and been generally esteemed by critics, Mr. Babb's book is the first to examine the forms and meanings in all of Golding's fiction up through *The Pyramid*. In Mr. Babb's judgment, these novels represent a major achievement in contemporary literature, and he defines the achievement through analyzing the thematic developments from book to book as well as the narrative structures, techniques, and styles realized within the separate novels. Of special interest is the attention paid to the endings of Golding's works, for his conclusions have often been regarded as the unfortunate fractures in the illusion created through the rest of the novel. Mr. Babb defends them, however, as integral parts of the fictional structure, as devices by which Golding brings his themes home to the reader. All of Golding's novels, Mr. Babb finds, are devoted to exploring the true nature of man's existence, what it means to be human. Each of his works attest to the superb honesty of a fiercely intelligent and compelling storyteller who refuses ever to represent his characters as transcending the limitations of the human condition. Howard S. Babb, author of *Jane Austen's Novels: The Fabric of Dialogue*, is the chairman of the Department of English and Comparative Literature at the University of California, Irvine.

When Khalid unexpectedly passed away, he shed what was his first skin for another to live down by the bayou in their small Louisiana town. Khalid still visits in dreams, and King must keep these secrets to himself as he watches grief transform his family. It would be easier if King could talk with his best friend, Sandy Sanders. But just days before he died, Khalid told King to end their friendship, after overhearing a secret about Sandy—that he thinks he might be gay. "You don't want anyone to think you're gay too, do you?" But when Sandy goes missing, sparking a town-wide search, and King finds his former best friend hiding in a tent in his backyard, he agrees to help Sandy escape from his abusive father, and the two begin an adventure as they build their own private paradise down by the bayou and among the dragonflies. As King's friendship with Sandy is reignited, he's forced to confront questions about himself and the reality of his brother's death. The Thing About Jellyfish meets The Stars Beneath Our Feet in this story about loss, grief, and finding the courage to discover one's identity, from the author of Hurricane Child.

Stonewall Honor Book * A Time Magazine Best YA Book of All Time "A book for warriors, divas, artists, queens, individuals, activists, trend setters, and anyone searching for the courage to be themselves."—Mackenzi Lee, New York Times bestselling author of *The Gentleman's Guide to Vice and Virtue* It's 1989 in New York City, and for three teens, the world is changing. Reza is an Iranian boy who has just moved to the city with his mother to live with his stepfather and stepbrother. He's terrified that someone will guess the truth he can barely acknowledge about himself. Reza knows he's gay, but all he knows of gay life are the media's images of men dying of AIDS. Judy is an aspiring fashion designer who worships her uncle Stephen, a gay man with AIDS who devotes his time to activism as a member of ACT UP. Judy has never imagined finding romance...until she falls for Reza and they start dating. Art is Judy's best friend, their school's only out and proud teen. He'll never be who his conservative parents want him to be, so he rebels by documenting the AIDS crisis through his photographs. As Reza and Art grow closer, Reza struggles to find a way out of his deception that won't break Judy's heart—and destroy the most meaningful friendship he's ever known. This is a bighearted, sprawling epic about friendship and love and the revolutionary act of living life to the fullest in the face of impossible odds.

Because of the emphasis placed on nonfiction and informational texts by the Common Core State Standards, literature teachers all over the country are re-evaluating their curriculum and looking for thoughtful ways to incorporate nonfiction into their courses. They are also rethinking their pedagogy as they consider ways to approach texts that are outside the usual fare of secondary literature classrooms. The Third Edition of *Critical Encounters in Secondary English* provides an integrated approach to incorporating nonfiction and informational texts into the literature classroom. Grounded in solid theory with new field-tested classroom activities, this new edition shows teachers how to adapt practices that have always defined good pedagogy to the new generation of standards for literature instruction. New for the Third Edition: A new preface and new introduction that discusses the CCSS and their implications for literature instruction. Lists of nonfiction texts at the end of each chapter related to the critical lens described in that chapter. A new chapter on new historicism, a

critical lens uniquely suited to interpreting nonfiction and informational sources. New classroom activities created and field-tested specifically for use with nonfiction texts. Additional activities that demonstrate how informational texts can be used in conjunction with traditional literary texts. "What a smart and useful book!" —Mike Rose, University of California, Los Angeles "[This book] has enriched my understanding both of teaching literature and of how I read. I know of no other book quite like it." —Michael W. Smith, Temple University, College of Education "I have recommended *Critical Encounters* to every group of preservice and practicing teachers that I have taught or worked with and I will continue to do so." —Ernest Morrell, director of the Institute for Urban and Minority Education (IUME), Teachers College, Columbia University

Lord of the Fly Fest Faber & Faber

In 1953, William Golding was a provincial schoolteacher writing books on his breaks, lunch hours and holidays. His work had been rejected by every major publisher—until an editor at Faber and Faber pulled his manuscript off the rejection pile. This was to become *Lord of the Flies*, a book that would sell in the millions and bring Golding worldwide recognition. Golding went on to become one of the most popular and influential British authors to have emerged since World War II. He received the Booker Prize for the novel *Rites of Passage* in 1980, and the Nobel Prize for Literature in 1983. Stephen King has stated that the *Castle Rock* in *Lord of the Flies* continues to inspire him, so much so that he named his entertainment company after it and has placed the Golding novel prominently in his novels *Hearts in Atlantis* and *Cujo*. Golding has been called a British *Vonnegut*—disheveled and darkly humorous, perverse when it would have been easier to be bitter, bitter when it would have been easier to be lazy, sometimes more disturbing than he is palatable and above all fascinating beyond measure. Yet despite the fame and acclaim, the renowned author saw himself as a monster—a reclusive depressive ruled by his fears and a man who battled alcoholism throughout his life. In addition to being a schoolteacher, Golding was a scientist, a sailor and a poet before becoming a bestselling author, and his embitterment and alienation, his family, the women in his past, along with his experiences in the war, inform his work. This is the first book to unpack the life and character of a man whose entire oeuvre dealt with the conflict between light and dark in the human soul, tracing the defects of society back to the defects of human nature itself. Drawing almost entirely on materials that have never before been made public, John Carey sheds new light on Golding. Through his exclusive access to Golding's family, Carey uses hundreds of letters, unpublished works and Golding's intimate journals to draw a revelatory and definitive portrait. An acclaimed critic, Carey enriches crucially our appreciation of the literary work of Golding, bringing us, as the best literary biographies do, back to the books. And with equal parts lyricism and driving emotion, Carey brings to light a life that is extraordinary to the point of transcendent and a writer who trusted the imagination above all things.
