Scholastic Inc.

With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet

triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and

connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving

yourself is the blood it leaves on your bands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it

from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering

mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's

watchful "monkey"; and the seemingly weak and sweet yet noble Thomas, his mother's gentle "bunny." From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas,

he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark

secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for

answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta*, a Great Man from *Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used,

defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light

humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched. *Jack Chronicle Books*
A journey by sea along the western coasts of Ireland and Scotland in search of islands, both real and imagined.
Disney Classic Stories: Finding Dory Harper Collins

In the year and a half since the flight of the first manned balloon in 1783, an Italian has flown, a Scot has flown, a woman has flown, even a sheep has flown. But no one has flown from one country to another. John Jeffries, an Englishman, and his pilot, Jean-Pierre Blanchard, a Frenchman, want to be the first. On January 7, 1785, they set out to cross the English Channel to France in a balloon. All seemed to be going fine, until Jeffries decides the balloon looks too fat and adjusts the air valve—how

hard could it be? Too bad he drops the wrench over the side of the aerial car. With no way to adjust the valve, the balloon begins to sink. Jeffries and Blanchard throw as much as they can overboard—until there is nothing left, not even their clothes. Luckily, they come up with a clever (and surprising) solution that saves the day. A VOYAGE IN THE CLOUDS from Matthew Olshan and Sophie Blackall is a journey that will keep kids laughing the whole way. A Margaret Ferguson Book

The Imaginary Random House

A witty, heartfelt novel that brilliantly evokes the confusions of adolescence and marks the arrival of an extraordinary young talent. Isidore Mazal is eleven years old, the youngest of six siblings living in a small French town. He doesn't quite fit in. Berenice, Aurore, and Leonard are on track to have doctorates by age twenty-four. Jeremie performs with a symphony, and Simone, older than Isidore by eighteen months, expects

a great career as a novelist—she's already put Isidore to work on her biography. The only time they leave their rooms is to gather on the old, stained couch and dissect prime-time television dramas in light of Aristotle's Poetics. Isidore has never skipped a grade or written a dissertation. But he notices things the others don't, and asks questions they fear to ask. So when tragedy strikes the Mazal family, Isidore is the only one to recognize how everyone is struggling with their

grief, and perhaps the only one who can help them—if he doesn't run away from home first. Isidore's unstinting empathy, combined with his simmering anger, makes for a complex character study, in which the elegiac and comedic build toward a heartbreaking conclusion. With *How to Behave in a Crowd*, Camille Bordas immerses readers in the interior life of a boy puzzled by adulthood and beginning to realize that the adults around him are just as lost.

The first book in Chris Colfer's #1 New York Times bestselling series *The Land of Stories* about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. *The Land of Stories* tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find

themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought. *The Moon Dragon (The Secrets of Droon #26)* RH/Disney
My name is Dory, but everyone calls me Rascal. This is my family. And I'm the littlest. Meet Dory - an irresistible scamp with a huge imagination. Dory's

the youngest in her family, which STINKS because it means everyone's always too busy to play with her. Or worse! They call her too little to join in. Luckily Dory has plenty of friends to keep her company - even if everyone else says they're just imaginary. And Dory has a lot to do: outsmarting the monsters that live in her house, escaping from prison (aka time-out) and exacting revenge on her sister's favourite doll... Fully illustrated throughout, and with perfect-for-

bedtime length chapters, this adorable little mischief-maker is sure to capture your heart. *Worlds Apart* Charlie Cat Books
 A Publishers Weekly Flying Start ** A Booklist Editors' Choice ** A Junior Library Guild selection ** Four starred reviews! Family + Loyalty = Keeping Secrets When it comes to American history or defending the underdog or getting to the bottom of things, no one outsmarts or outfights Lyndie B. Hawkins. But as far as her family goes, her

knowledge is full of holes: What exactly happened to Daddy in Vietnam? Why did he lose his job? And why did they have to move in with her grandparents? Grandma Lady's number one rule is Keep Quiet About Family Business. But when her beloved daddy goes missing, Lyndie faces a difficult choice: follow Lady's rule and do nothing--which doesn't help her father--or say something and split her family right down the middle.  A quirky, creepy fantasy set in Eerie-on-Sea finds a

colorful cast of characters in hot pursuit of a sea monster thought to convey a surprising gift. It's winter in the town of Eerie-on-Sea, where the mist is thick and the salt spray is rattling the windows of the Grand Nautilus Hotel. Inside, young Herbert Lemon, Lost and Founder for the hotel, has an unexpected visitor. It seems that Violet Parma, a fearless

girl around his age, lost her parents at the hotel when she was a baby, and she's sure that the nervous Herbert is the only person who can help her find them. The trouble is, Violet is being pursued at that moment by a strange hook-handed man. And the town legend of the Malamander — a part-fish, part-human monster whose egg is said to make dreams come

true — is rearing its scaly head. As various townspeople, some good-hearted, some nefarious, reveal themselves to be monster hunters on the sly, can Herbert and Violet elude them and discover what happened to Violet's kin? This lighthearted, fantastical mystery, featuring black-and-white spot illustrations, kicks off a trilogy of fantasies set in the seaside town.
