A Color Notation is a book written by Albert Henry Munsell, an American painter, teacher of art, and the inventor of the Munsell color system. Munsell color system is an early attempt at creating an accurate system for numerically describing colors. The Munsell color order system has gained international acceptance and has served as the foundation for many color order systems.

Drawing hands is extraordinarily difficult, even for accomplished artists. This book teaches you a very simple and straightforward way to draw truly amazing, completely realistic-looking hands, and all in 6 simple steps! In her typical, laid back, easy-to-understand and conversational teaching style, Artist Karen Campbell once again makes it both easy and enjoyable for artists of all abilities to first understand and then successfully execute even

the most hand difficult drawings in this book. Using a combination of humor and easy-to-follow steps, Karen teaches you ways to develop muscle memory, sharpen your observational skills, and draw and shade realistic hands in graphite. The 25 different hand gestures include a wide variety of poses from people of all ages (from babies to old men) so there is literally something in here for everyone. Artists of all abilities will also learn to successfully and easily create the look of those troublesome hand details that seem to always pop up like wrinkles, veins, creases, bumps, bones, tendons, arm hair, long nails and more...and all with just a handful of supplies! Never heard of Elephant Skin or The "Poodge" show up on people before? Well get ready, because not only are you about to learn what those are, you're about to learn how to draw them too!

In this immersive new coloring book, Maggie Enterrios, whose stunning illustrations inspire on Instagram and beyond, gives readers the opportunity to interact

with her artwork first-hand and connect with their own creativity. Bold florals pop on every page and leave plenty of room for color, while intricate details keep things interesting. These designs go beyond simple florals, weaving in animals, shells and other natural elements for lush, unique scenes that provide a sense of discovery. It's been proven that adult coloring books are the perfect way to de-stress, and Maggie's compositions are specifically designed to delight, engage and provide a haven of relaxation during busy days. Perforated pages and high-quality watercolor paper make it easy to display and gift personalized artwork. Maggie's stylish, imaginative pen and ink drawings will bring out everyone's inner artist. *A Compendium of Curiosities* Dokument Forlag
Colour it in psychedelic colours, in tasteful tones, in all shades of orange! But just colour it!
Recapture the purest sense of creativity by colouring in the most beautiful figurative designs - flowers, birds, butterflies - provided by a leading textile designer.

By adding the key ingredient of colour you add your own spark of creativity to great designs. The design team, who work closely with Tate Modern in London, provide 24 postcards with six different designs to choose from. You can experiment with the colour combinations, using crayons, pencils, felt/fibre tip pens, and even paint on these uncoated postcards. A brief introduction gives some tips on using colours and suggests colour combinations to use on the specific designs, but you are encouraged to let your own creativity get to work! Great fun for all those looking for a burst of creative expression and useful for designers of all types who want to experiment with colour. The cards can be kept together in the book or detached, framed or posted to a friend.

The important finishing details that will complete an image and give it a polished, professional look are highlighted in this fourth installment of the Copic Coloring Guide

series. The crafting handbook discusses light source in-depth, from highlights to shadows and shading, and provides step-by-step tutorials for adding details with the Multiliner pen and creating backgrounds with the Airbrush System. It also teaches techniques for no-line stamping, faux watercoloring, and using Copic with other coloring mediums. A final tutorial section pulls all of the learned skills together with helpful tips and suggestions that include coloring detailed images, keeping coloring consistent throughout an image, and marker control. All of the hand-drawn images from the book are included on the accompanying CD-ROM, and the images from the tutorials can be printed so crafters can apply the lessons from the book to the image before them, in addition to extra sample projects from artists to further inspire and instruct crafters.
