Au-delà des vagues turbulentes de la

vie, la femme est patiente, courageuse

et spirituelle. Comme une nouvelle lune, les saisons peuvent altérer son image, mais malgré toutes ces contraintes, elle demeure éternellement Femme. Ce recueil de poèmes invite l'être le plus symbolique de la création à se redécouvrir et prendre possession de son héritage sacré. Sans relâche,

tambour battant, elle doit continuer le combat quotidien contre toutes les forces d'injustice. À l'homme qui veut réellement changer, nous l'invitons – si ce n'est pas déjà fait – à pendre sa place auprès d'elle et joindre cette nouvelle croisade qui n'est autre qu'un devoir civique et une obligation morale !

Comme le chante si bien Jean Ferrat, "La femme est l'avenir de l'homme."

This book undertakes an investigation of European literary multilingualism in the 19th century, particularly the period from 1800 to 1880. It covers writers and

works from a broad range of linguistic and geographic contexts, going from France to Russia, from Finland to Italy, and beyond. Cet ouvrage se propose d'explorer le plurilinguisme littéraire dans l'Europe du XIXe siècle, notamment durant la période allant de 1800 à 1880. Il traite d'écrivains et d'œuvres littéraires provenant de divers contextes linguistiques et géographiques, de la France à la Russie, de la Finlande à l'Italie et au-delà.

This book investigates a corpus of royal inscriptions and literary texts, with special emphasis on those that are mythological and biblical, stretching over several millennia from the early days of Sumer to the Biblical period, in order to

determine the ways in which the concept of water was used, in particular the way it functions in the political and theological ideology of the time. Three literary motifs are the object of a careful study : the crossing of water, the flood and the water of abundance. Though their study shows diversity in evolution, transmission and reception, it appears that their function is common at the heart of the Mesopotamian political theology of royal mediation.

Anna L. Richard, à peine adulte, commença à écrire des poèmes. Au cours des années de merveilleux poèmes prirent tournure, et aujourd'hui, nous avons ce recueil que vous ne cesserez de relire pour continuer à découvrir plus profondément la passion

qui pousse et mène sa vie. D'abord ses sentiments sur la nature, la mer, les endroits enchanteurs. Elle se maria, eut un fils. Elle choisit pour nom de plume celui de sa grand-mère paternelle. C'est alors que ses écrits prenaient un tournant plus personnel, ses sentiments sur l'amour, les peines de cœur et déboires de la vie surfaçaient, sorti du creuset d'enfer intérieur qu'elle vivait ... Devenue veuve, si tout s'était effondré en dedans, le masque y restait serein, souriant même. Elle s'effaçait pour les autres et leurs misères devenaient les siennes, au niveau de la bonté, peu de gens arrivent à sa cheville. Bien sûr, vous lecteurs, en serez le dernier juge.

Jean - Jaures symbolise, en dehors des

partis, le reve et la liberte; il etait donc logique et absurde a la fois qu'il fut assassine. En cette annee 1914, plus rien ne semble pouvoir arreter la marche a la guerre. L'opinion, l'armee, la classe politique estime que cette fois, il faut vider la querelle. Au milieu de ces cris, une seule voix parait s'elever. Jean Jaures est parmi les derniers a croire la paix encore possible. Jean Jaures la veut de toutes ses fibres et y met toute son energie. Les poemes de Jean - Jaures meritent d'etre plus connus. En les relisant, il peut arriver de penser de a l'Alchimiste de Paul Coehlo. Dans ces poemes, souvent bien proches des etoiles, nous allons de signe en signe vers un destin qui n'est pas celui d'un homme mais d'un monde en pleine mutation. Alors qu'il n'y est pas question

de politiques, ces poemes nous font comprendre bien clairement un homme et sa legende personnelle. Daniel Ziv"

The history of music is most often written as a sequence of composers and works. But a richer understanding of the music of the past may be obtained by also considering the afterlives of a composer's works. Genealogies of Music and Memory asks how the stage works of Christoph Willibald Gluck (1714-87) were cultivated in nineteenth-century Paris, and concludes that although the composer was not represented formally on the stage until 1859, his music was known from a wide range of musical and literary environments. Received opinion

has Hector Berlioz as the sole guardian of the Gluckian flame from the 1820s onwards, and responsible -- together with the soprano Pauline Viardot -- for the 'revival' of the composer's Orfeo in 1859. The picture is much clarified by looking at the concert performances of Gluck during the first two thirds of the nineteenth century, and the ways in which they were received and the literary discourses they engendered. Coupled to questions of music publication, pedagogy, and the institutional status of the composer, such a study reveals a wide range of individual agents active in the promotion of Gluck's music for the Parisian stage. The 'revival' of Orfeo is contextualised among other attempts at reviving Gluck's works in the 1860s, and the role

of Berlioz, Viardot and a host of others re-examined.

The Agony Column of the "Times" 1800-1870 is a short volume, contents of which have been taken from the second column, popularly known as the "Agony Column" of Times newspaper, from the beginning of the 19th century to the end of the year 1870. The Agony Column is a newspaper column consisting of personal advertisements relating to matters like missing relatives or friends. Most of the advertisements presented in this work show a curious phase of life, which will automatically attract an observer of human reality and human quirks. These advertisements are covered in mystery, with the idea of

blinding the common public, but at the same time, they give a clue specifically to those for whom they were planned. The readers of this work cannot fail to be struck by these remarkable and secretive communications. During the early period of 1800, the "Agony Column" used to be the main medium for matrimonial advertisements.
