## SUSAN GOODMAN

*Black Ice* Triumph Books

The fun and easy way to coach youth hockey – no experience required! Hockey is growing in leaps and bounds around the world, but the demand for qualified coaches far outstrips availability. Moms and dads are being recruited to step in and assume the role of coach even with nothing more than feigned interest for credentials. Coaching Hockey For Dummies is ideally suited to meet these growing needs: its message is clear, the information thorough and user friendly, and it brings along a great attitude. For anyone new to coaching, Coaching Hockey For Dummies will provide an invaluable reference. Unlike other coaching books, which only cover what happens on the ice, Coaching Hockey For Dummies covers every aspect of hockey coaching, from what equipment a coach needs, to holding player-parent meetings, to the perfect drills to develop individual and team skills.

**Belfry Hockey** Human Kinetics

The first book to look at the advanced skills and proficiency in field hockey from the athlete's perspective presents in-depth offensive and defensive strategies.

*The Hockey Stick and the Climate Wars* Human Kinetics

Beat the odds with a bold strategy from McKinsey & Company “Every once in a while, a genuinely fresh approach to business strategy appears” – legendary business professor Richard Rumelt, UCLA McKinsey & Company’s newest, most definitive, and most irreverent book on strategy—which thousands of executives are already using—is a must-read for all C-suite executives looking to create winning corporate strategies. Strategy Beyond the Hockey Stick is spearheading an empirical revolution in the field of strategy. Based on an extensive analysis of the key factors that drove the long-term performance of thousands of global companies, the book offers a ground-breaking formula that enables you to objectively assess your strategy’s real odds of future success. “This book is fundamental. The principles laid out here, with compelling data, are a great way around the social pitfalls in strategy development.” — Frans Van Houten, CEO, Royal Philips N.V. The authors have discovered that over a 10-year period, just 1 in 12 companies manage to jump from the middle tier of corporate performance—where 60% of companies reside, making very little economic profit—to the top quintile where 90% of global economic profit is made. This movement does not happen by magic—it depends on your company’s current position, the trends it faces, and the big moves you make to give it the strongest chance of vaulting over the competition.

This is not another strategy framework. Rather, Strategy Beyond the Hockey Stick shows, through empirical analysis and the experiences of dozens of companies that have successfully made multiple big moves, that to dramatically improve performance, you have to overcome incrementalism and corporate inertia. “A different kind of book—I couldn’t put it down. Inspiring new insights on the facts of what it takes to move a company’s performance, combined with practical advice on how to deal with real-life dynamics in management teams.” —Jane Fraser, CEO, Citigroup Latin America

**Just One of the Boys** Bella Books

Leading authorities on goaltending bring you the definitive guide to stopping more pucks, winning more games, and lowering your goals against average.

**Roller Hockey** Apress

What is required from a successful hockey coach or a hockey team? How can you as the coach bring your team to the next level on ice, but also see and strengthen each individual in the team? How do you create engagement, work with goal setting, teambuilding, strengthen your players hockey capacity, run efficient on ice practices, reduce collaboration losses, get results and work with your communication and feedback, to develop your team and yourself? The team development and leadership areas are connected to an easy to use and practical leadership model, strengthened with examples, teambuilding exercises, on and off ice practices and hockey drills for you to use. Is it possible to predict whether a hockey player, hockey team or a hockey coach will be successful? I say it is, and luck has nothing to do with it!

**Checked** W. W. Norton & Company

“Sexy, hot, funny and sweet, Heated Rivalry is a game changer in sexy sports romance.” —All About Romance Nothing interferes with Shane Hollander’s game—definitely not the sexy rival he loves to hate. Pro hockey star Shane Hollander isn’t just crazy talented, he’s got a spotless reputation. Hockey is his life. Now that he’s captain of the Montreal Voyageurs, he won’t let anything jeopardize that, especially the sexy Russian whose hard body keeps him awake at night. Boston Bears captain Ilya Rozanov is everything Shane’s not. The self-proclaimed king of the ice, he’s as cocky as he is talented. No one can beat him—except Shane. They’ve made a career on their legendary rivalry, but when the skates come off, the heat between them is undeniable. When Ilya realizes he wants more than a few secret hookups, he knows he must walk away. The risk is too great. As their attraction intensifies, they struggle to keep their relationship out of the public eye. If the truth comes out, it could ruin them both. But when their need for each other rivals their ambition on the ice, secrecy is no longer an option. USA TODAY bestselling author Rachel Reid Game Changers Book 1: Game Changer Book 2:

Heated Rivalry Book 3: Tough Guy Book 4: Common Goal Book 5: Role Model Book 6: The Long Game

*Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions)* Atheneum Books for Young Readers

A member of the Inter-governmental Panel on Climate Change examines the fossil-fuel industry’s public relations campaign to discredit the science of climate change and deny the reality of global warming.

*Hockey Goaltending* Human Kinetics

A guide for sports fans on how to watch and appreciate the game of hockey More and more fans are watching the NHL each week, but many of them don't know exactly what they should be watching. How does an offense create shooting lanes for its best sniper? When a center breaks through and splits between two defensemen, which defender is to blame? Why does a goalie look like a Hall of Famer one week and a candidate for the minor leagues the next? This guide for sports fans on how to watch and appreciate the game of hockey takes you inside a coach's mind as he builds a roster or constructs a game plan, to the chaos of the goalie's crease, and deep into the perpetual chess match between offense and defense. Discussing topics such as what to look for when a team goes on the power play and why playing center might be the most grueling job in sports, Take Your Eye Off the Puck shows fans how to get the most out of watching their favorite sport.

**3D Ice Hockey 2 in 1 Tacticboard and Training Book** BoD – Books on Demand

Uses a question and answer format to explain the basics as well as finer points of this fastest of all team sports.

**Hockey Tough-2nd Edition** Columbia University Press

Anyone interested in roller hockey will find a complete guide to the game in this book, from fundamentals to advanced techniques, from rules to equipment, as well as practical insights based on the author's own experiences in both ice hockey and roller hockey. Photos, diagrams, & charts.

**Hockey For Dummies** Triumph Books

Learn the very same skills that Connor McDavid and Auston Mathews use to dominate the NHL! Following the smash success of Play Better Hockey, the second edition of Ron Davidson's best-selling volume has been retooled with even more individual skill advancements for the modern player. From fundamentals to high-level skills, Play Better Hockey gives players the tools they need to become the next superstars of the NHL by focusing on the development of individual hockey skills and by promoting a mastery of body positioning, skating and stick work. Learning these skills gives players a strong fundamental understanding of how to move effectively on the ice in any gameplay situation. The skills are organized to allow readers to progress from

fundamentals in skating and stick work to advanced moves in dekeing and deception. Davidson's progressive-learning approach teaches beginners the proper techniques, hones the skills of intermediate-level players and challenges elite players with the additional skills they need. Below are a few of the skills players can be expected to learn in this retooled second edition: Drive and delay Heel-to-heel turns Tight turns Extending your reach Receiving off-target shooting Shot-blocking techniques Tip-ins and deflections Shooting between your legs The Forsberg deke The Datsyuk deke The outside-edge reverse And many more...

**The Scholastic Ice Hockey Playbook** John Wiley & Sons  
The bible for hockey coaches at all levels of competition. The Hockey Play Book is a practical handbook for coaches seeking better players and better team-play. The book features systems for defensive, offensive and special-team situations, all accompanied by annotated, easy-to-understand diagrams. The systems range from conservative to aggressive -- some are intended for big, physical teams; others for fast-skating and highly skilled teams; and some work for both. Also included are teaching methods and drills for honing specific skills. The first challenge for every coach is to determine the abilities of each skater. The approach in The Hockey Play Book is effective with players of all ages and levels of ability. Coaches can match systems with team strategy, bringing a special creative magic to one of the fastest team sports in the world. The Hockey Play Book includes: 500 step-by-step diagrams Dozens of plays and skill-building drills Conservative and aggressive systems Teaching strategies for all levels of play

*All About Hockey* Human Kinetics

Match-like hockey drills. The idea of this hockey book is that the focus should be entirely on hockey drills in different categories and that all hockey drills link as much as possible to the theme of match-like hockey training, whether it is a warm up drill, skating or a passing drill. You will, of course find some exceptions in especially the skating drills, where it is sometimes more about drilling down your head and work with the speed, fitness and technique, but many skating drills are linked to, for example defense skating, offensive skating, forechecking or memorizing skating paths - Match-like training. The hockey drills with turnovers, breakouts, offensive drills and 1 vs 1, 2 vs 1, 2 vs 2, 3 vs 2 or 3 vs 3, of course naturally gets a strong connection to the theme match-like hockey drills. You also get tips on "spices" for the hockey drills, which make a difference, details that cannot be drawn into the drills, but link the drills even more strongly to the theme match-like hockey drills!

*Complete Hockey Instruction : Skills and Strategies for Coaches and Players* John Wiley & Sons

Use mental-training strategies to become a complete player and

embrace a team-first mindset. Self-assessments identify player strengths and weaknesses and personalize the book's content to individual game preparation and play. Includes insights from the game's top players and coaches on winning the mental game.

**Hockey Plays and Strategies, 2E** Human Kinetics  
Featuring the insights, strategies, and experiences of the sport's top coaches, The Hockey Coaching Bible sets a new standard for those who teach the game, develop the players, and dominate the ice. Whether head coach or assistant, at the youth level or professional, you will find a wealth of information to improve performance and strengthen your program. You'll go inside the game with 16 of hockey's most respected teachers: • Joe Bertagna • Bill Cleary • Tom Anastos • Guy Gadowsky • Mike Schafer • Marty Palma • Hal Tearse • Mike Cavanaugh • Jack Parker • Rick Comley • Mark Dennehy • Ben Smith • E.J. McGuire • George Gwozdecky • Nate Leaman • Mike Eaves Every facet of coaching is covered. The book features the most effective drills for developing players at each position and in-game strategies for various game situations, including offensive, defensive, and neutral-zone play and power plays and penalty kills. In addition to on-ice Xs and Os, you'll find sage advice for building a program from the ground up, furthering your professional development as a coach, and gaining community and parental support for projecting a positive image and earning the respect of your players and supporters. Never has there been a more comprehensive coaching resource on the game. With The Hockey Coaching Bible, you'll build your program into a powerhouse.

*Delay of Game* BoD - Books on Demand

Explains how Billy Beene, the general manager of the Oakland Athletics, is using a new kind of thinking to build a successful and winning baseball team without spending enormous sums of money.

*Ice Hockey 2 in 1 Tacticboard and Training Workbook* John Wiley & Sons

Alice Bell has one goal: to play for the elite junior hockey team the Chicago Falcons. But when she's passed over at tryouts for being a girl, she'll do anything to make her dream a reality...even disguising herself as her twin brother. With her amazing skills on the ice, Alice is sure she'll fit in easily. That is, until she starts falling for one of her teammates... Hayden Tremblay, star of the Falcons, can't keep himself out of the penalty box. Constantly living in the shadow of his older brother, Hayden's losing his passion for hockey. But when he gets shown up on the ice by the Falcons' new rookie, Hayden's determined to teach the kid a thing or two. Little does he guess that "Al's" surprises on the ice are just the beginning... Disclaimer: This Entangled Teen Crush title proves that wonderful things can happen when you're brave

enough to go after your dream. Dream hockey player, that is! Warning--a few locker room scenes are included. Each book in the Chicago Falcons series is STANDALONE: \* Just One of the Boys \* Just One of the Royals \* Just Pretending  
*Social Media Analytics Strategy* BoD - Books on Demand  
The Scholastic Ice Hockey Playbook: Strategies of a high school coach offers a unique approach at dissecting the game in a way coaches, players and fans will appreciate the fundamentals of hard work while understanding the vast array of systems and formations used in today's game. Co-authors Harvey Cohen, an award-winning coach, and Mike G. Morreale, a distinguished scholastic sports writer in New Jersey, guide readers through the B.E.S.T. approach for creating team comradery in Chapter 1 to the finer details of specialty teams in Chapter 5. The Scholastic Ice Hockey Playbook: Strategies of a high school coach also reminds us that ice hockey players are also people and must be treated as such. Players must learn to respect their peers to improve their game and their overall character. The book is a guide for all skill levels and gives the reader a better understanding of the sport, its concepts and that interpersonal relationship between coach and player. The relationship between coach and player should, according to co-authors Cohen and Morreale, not be taken for granted. Players must listen to their coaches and coaches must find time for their players to establish a mutual respect.

*Coaching Hockey For Dummies* Entangled: Crush

This is a guide to positive climate, positive relationships, positive communication, and positive meaning and how to apply each of them in work.

**The Hockey Play Book** Willowdale, Ont. : Firefly Books

"Kadohata's slapshot is the heart-swelling narrative of a father and son...Truly powerful." —Jason Reynolds "A deeply poignant story about a boy sorting out his priorities." —Publishers Weekly (starred review) "A vivid, memorable portrayal of a boy within his family, his sport, and his gradually broadening world." —Booklist (starred review) From Newbery Medalist Cynthia Kadohata comes a brilliantly-realized novel about a hockey player who must discover who he is without the sport that defines him. Hockey is Conor's life. His whole life. He'll say it himself, he's a hockey beast. It's his dad's whole life too—and Conor is sure that's why his stepmom, Jenny, left. There are very few things Conor and his dad love more than the game, and one of those things is their Doberman, Sinbad. When Sinbad is diagnosed with cancer, Conor chooses to put his hockey lessons and practices on hold so they can pay for Sinbad's chemotherapy. But without hockey to distract him, Conor begins to notice more. Like his dad's crying bouts, and his friend's difficult family life. And then Conor notices one more thing: Without hockey, the one thing that makes him feel special, is he really special at all?
