The Nero-Antichrist Little Brown
 Autobiography was first published in 1947 and was described by J. B. Priestley as 'one of the best pieces of writing that ever found a way to our Book Society. He is a writer who has learned how to write and the result is glorious.' Sir Neville Cardus is best remembered as a writer on both cricket and music and during his lifetime achieved an unparalleled reputation as one of England's greatest journalists on these two very different subjects. Born in Rusholme in Manchester Cardus carved out an international reputation for himself by his own ability, efforts and imagination and created, as his biographer Christopher Brookes put it, 'a beguiling personal legend in the course of a career which extended over fifty years.' 'This is a very, very good book. Cricket and music - how he makes both these worlds pulsate, life comic as well as life magnificent.' Robert Lynd 'A superb work by a master of English.' Wilfred Pickles
The English Works of the Late Rev. Eliezer Williams ... Random House
 Klop Ustinov was Britain's most ingenious spy - but he was never licensed to kill. Instead, he was authorised to bemuse and beguile his enemies into revealing their deepest, darkest secrets. From the Russian Revolution to the Cold War, he bluffed and tricked his way into the confidence of everyone from Soviet commissars to Gestapo Gruppenführer. Although his official codename was U35, he was better known as 'Klop', meaning 'Bedbug' - a name given to him by a very understanding wife on account of his extraordinary capacity to hop from one woman's bed to another in the King's service. Frequenting the social gatherings of Europe under the guise of innocent bon viveur, he displayed a showman's talent for entertaining (a trait his son, the actor Peter Ustinov, undoubtedly inherited) and captivated unsuspecting audiences while scavenging their secrets. Using exciting anecdotes and first-hand accounts, Peter Day explores the fascinating life of one of espionage's most inventive and memorable characters. The Bedbug was a master of uncovering the truth through telling tales; now his own tale can be told.

 WINNER OF THE NOBEL PRIZE© IN LITERATURE 2013 A New York Times Notable Book A Washington Post Notable Work of Fiction A Best Book of the Year: The Atlantic, NPR, San Francisco Chronicle, Vogue, AV Club In story after story in this brilliant new collection, Alice Munro pinpoints the moment a person is forever altered by a chance encounter, an action not taken, or a simple twist of fate. Her characters are flawed and fully human: a soldier returning

from war and avoiding his fiancée, a wealthy woman deciding whether to confront a blackmailer, an adulterous mother and her neglected children, a guilt-ridden father, a young teacher jilted by her employer. Illumined by Munro's unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro's own childhood. Exalted by her clarity of vision and her unparalleled gift for storytelling, Dear Life shows how strange, perilous, and extraordinary ordinary life can be.
 Walter Savage Landor. A biography ... in eight books Faber & Faber
 Sir Peter Ustinov's beautifully crafted autobiography is told with exquisite wit and insight. From his birth in April 1921, it spans his extraordinary career as actor, playwright, film star and director, confirming his early belief that he is 'irrevocably betrothed to laughter'. Ustinov's renowned gift for mimicry is exploited to the full in Dear Me. Eccentric relatives, school masters, sergeant majors and manic Hollywood moguls are all brought unforgettably to life.

 Klop Ustinov was Britain's most ingenious secret agent, but he wasn't authorised to kill. Instead, he was authorised to tell tall tales, bemusing and beguiling his enemies into revealing their deepest, darkest secrets. From the Russian Revolution to the Cold War, he bluffed and tricked his way into the confidence of everyone from Soviet commissars to Gestapo Gruppenführer. In Klop: Britain's Most Ingenious Secret Agent, journalist Peter Day brings to life a man descended from Russian aristocrats and Ethiopian princesses but who fancied himself the perfect Englishman. His codename was U35 but his better-known nickname 'Klop' meant 'bedbug', a name given to him by a very understanding wife on account of his extraordinary capacity to hop from one woman's bed to another in the service of the King. Frequenting the social gatherings of Europe in the guise of innocent bon viveur, he displayed a showman's talent for entertaining (a trait his son, the actor Peter Ustinov, undoubtedly inherited), holding a captive audience and all the while scavenging secrets from his unsuspecting companions. Klop was masterful at gathering truth by telling a story; this is his.
Focus On: 100 Most Popular 21St-century English Actresses e-artnow sro
 Colored leaves, red, yellow, and brown, fluttered past George as he rode behind Woonsak in the long string of Indians and ponies.

They were riding north and moving quickly. So many Indians moved along the path that George, who rode near the front of the line, could not see the end when he turned around to look. The farther they went, the more unhappy George became. For with every step, Neko (his faithful pony) took him farther and farther from his home and from Ma and Pa. Even the fluttering leaves seemed like little hands waving good-bye all the day long. So begins chapter seven of this beloved classic by Josephine Cunnington Edwards. George, a young pioneer boy is captured by Indians and raised as the son of a mighty chief. He spends his time learning the ways of these native Americans, and yearning for the day that he might find a way to return to his loving family.

 The first novel based on the hit Warner Bros. TV show Arrow. Oliver Queen returns from the dead to create his persona as the Arrow. Yet others work in the shadows to fashion his downfall... and plot the destruction of all he holds dear. Also a survivor of Lian Yu, Slade Wilson's ultimate goal is Oliver's doom, and he recruits Isabel Rochev, whose hatred for the Queens knows no bounds. Brother Blood, while seeking to do what is right, also finds himself inextricably tangled in Wilson's machinations. This is the untold story behind the rise and fall of the Arrow.

Autobiography by Sir Peter Ustinov. spans his career as actor, playwright, film star and director.

Dear Reader Biteback Publishing

After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand." —Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Arrow Pan Macmillan

Refutes the commonly-held perception that Nero should be understood as the Antichrist figure in the Bible, and argues instead that this paradigm was a product of late antiquity. The

paradigm's success facilitated its revival in the nineteenth century against the backdrop of the era's fin-de-siècle anxieties and religious controversies.

Dear Me Manchester University Press

This is the inside story of the Royal Shakespeare Company - a running historical critique of a major national institution and its location within British culture, as related by a writer who is uniquely placed to tell the tale. It describes what happened to a radical theatrical vision and explores British society's inability to sustain that vision. Spanning four decades and four artistic directors, *Inside the Royal Shakespeare Company* is a multi-layered chronicle that traces the company's history, offers investigation into its working methods, its repertoire, its people and its politics, and considers what the future holds for this bastion of high culture now in crisis. *Inside the Royal Shakespeare Company* is compelling reading for anyone who wishes to explore behind the scenes and consider the changing role of theatre in modern cultural life. It offers a timely analysis of the fight for creative expression within any artistic or cultural organisation, and a vital document of our times.

Biography and Poetical Remains of the Late Margaret Miller Davidson Philadelphia : Lea and Blanchard

In this second installment of his autobiography (following *Kind dieser Zeit*), Klaus Mann describes his childhood in the family of Thomas Mann and his circle, his adolescence in the Weimar Republic, and his experiences as a young homosexual and early opponent of Nazism. He also describes how, after the Reichstag elections of September 1930, friends and family began to discuss the looming prospect of emigration and exile. When Stefan Zweig published an article claiming that democracy was ineffective, Klaus replied: "I want to have nothing, nothing at all to do with this perverse kind of 'radicalism.'" After hearing one of his working-class lovers in a storm trooper's uniform say, "They are going to be the bosses and that's all there is to it," Klaus fled to Paris in March of 1933. He became one of one hundred thousand German refugees in France, losing his publisher, friends and associates, and readers in the process. He describes finding a German Jewish publisher in Amsterdam and the difficulties of starting a journal of émigré writing. In 1934, his German passport expired and he was forced to renew temporary travel documents every six months. The President of Czechoslovakia offered citizenship to the entire Mann family in 1936 but then Hitler invaded that country and Klaus emigrated to the United States. Despite statelessness, bouts of syphilis and drug abuse, neither his pace of travel nor publication slowed. His novel *Der Vulkan* is among the most famous books about German exiles during World War II but it sold only 300 copies. Klaus stopped reading and writing German in the U.S. "The writer must not cling with stubborn nostalgia to his mother tongue," he writes in *The Turning Point*. He must "find a new vocabulary, a new set of rhythms and devices, a new medium to articulate his sorrow and emotions, his protests and his prayers." This extraordinary memoir, an eyewitness account of the rise of Nazism by an out gay man, was Klaus Mann's first book written in English. "A highly civilized child of the twentieth century is trying to make peace with his times, trying to find a place to belong... The decay of France, the paranoia of Germany, the coming disasters, the shining myth of Europe... are now compelling concerns... A

sensitive, cultivated European looks at his world, his life, and describes them in apt and telling phrase. Toward both his attitude is not so strong as despair, but rather one of alienation. His book is a commentary upon evil times..." — Lorinne Pruette, *The New York Times* "Klaus Mann... has written an intensely engaging autobiography... This is Klaus Mann's own story; it is also the story of many young intellectuals in a darkening Europe; and it is the story of a son of a famous man... an eloquent book... a lavish document." — Winfield Townley Scott, *The American Mercury* "[Klaus Mann's] autobiography [is] certainly one of the great autobiographies of the century and probably the definitive one of the life of a German exile... Not only very good reading but also essential in the literature of twentieth-century exile." — Carl Zuckmayer, *Bloomsbury Review* "A delightful, modern-romantic group portrait of the Manns en famille." — *The New Yorker* "The portrait of the Mann family is excellent. Klaus Mann is at his best describing his childhood and the family life... The value and the interest of this book lies in the intimate impressions and memories of many celebrities who crossed the path of Klaus Mann during his wanderings through the whole world." — *The Saturday Review of Literature* "The book moves with passion and conviction in a stirring tempo worthy of the son of Thomas Mann. The years in exile are superbly written." — *The New York Post* "This autobiography by the son of Thomas Mann has a double value: first as a distinguished autobiography, a sensitive portrait of a young man growing up in between-wars Germany, second as a loving intimate portrait of his father. A vivid picture of what the first war meant to a child, with its violent patriotism, its deprivations; then the moral disorder of Berlin youth in the 20s and his attempts to express himself against the rising tide of fascism, one of the reasons for the family exile." — *Kirkus Reviews*

British Theatre, Comprising Tragedies, Comedies, Operas, and Farces, from the Most Classic Writers; with Biography Critical Account and Explanatory Notes by an Englishman ... Good Press

During the Second World War the British army absorbed approximately three million new recruits, the majority of whom were conscripts. Drawn from all occupational groups and social classes, the military authorities were confronted with the task of molding these civilians in uniform into an effective fighting force. This book analyzes the impact of this process of integration on the army as a social institution. Exploring such aspects of the army's social organization as other rank selection, officer selection, officer promotion, officer-man relations, the soldier's working life, army welfare, and army education, it assesses the ways in which the army changed in relation to its new intake, what the extent of any change that took place actually was, and how different the army of 1945 was to that of 1939.
