Unbelonging Cat Person

An inspiring and timely debut novel from Lisa Williamson, *The Art of Being Normal* is about two transgender friends who figure out how to navigate teen life with help from each other. David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

The Perils of Being Moderately Famous McGraw Hill Professional

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

Silas Marner Illustrated University of Pennsylvania Press

Ankur Warikoo is an entrepreneur and content creator whose deep, witty and brutally honest thoughts on success and failure, money and investing, self-awareness and personal relationships have made him one of India's top personal brands. In his first book, Ankur puts together the key ideas that have fuelled his journey - one that began with him wanting to be a space engineer and ended with him creating content that has been seen and read by millions. His thoughts range from the importance of creating habits for long-term success to the foundations of money management, from embracing and accepting failure to the real truth about learning empathy. This is a book to be read, and reread, a book whose lines you will underline and think about again and again, a book you will give your family and friends and strangers. Ankur hopes for this book to become the most gifted book ever!

[A Dictionary of the Pukkhto Or Pukshto Language](#) Simon and Schuster

Two sisters are suddenly sent from their home in Brooklyn to Barbados to live with their grandmother, in Naomi Jackson's stunning debut novel *This*

lyrical novel of community, betrayal, and love centers on an unforgettable matriarchal family in Barbados. Two sisters, ages ten and sixteen, are exiled from Brooklyn to Bird Hill in Barbados after their mother can no longer care for them. The young Phaedra and her older sister, Dionne, live for the summer of 1989 with their grandmother Hyacinth, a midwife and practitioner of the local spiritual practice of obeah. Dionne spends the summer in search of love, testing her grandmother's limits, and wanting to go home. Phaedra explores Bird Hill, where her family has lived for generations, accompanies her grandmother in her role as a midwife, and investigates their mother's mysterious life. This tautly paced coming-of-age story builds to a crisis when the father they barely know comes to Bird Hill to reclaim his daughters, and both Phaedra and Dionne must choose between the Brooklyn they once knew and loved or the Barbados of their family. Naomi Jackson's Barbados and her characters are singular, especially the wise Hyacinth and the heartbreaking young Phaedra, who is coming into her own as a young woman amid the tumult of her family. Praise for *The Star Side of Bird Hill*: "Once in a while, you'll stumble onto a book like this, one so poetic in its descriptions and so alive with lovable, frustrating, painfully real characters, that your emotional response to it becomes almost physical. . . . The dual coming-of-age story alone could melt the sternest of hearts, but Jackson's exquisite prose is a marvel too. . . . A gem of a book." —Entertainment Weekly (A)

Languages are not only tools of communication, they also reflect a view of the world. Languages are vehicles of value systems and cultural expressions and are an essential component of the living heritage of humanity. Yet, many of them are in danger of disappearing. UNESCO's Atlas of the World's Languages in Danger tries to raise awareness on language endangerment. This third edition has been completely revised and expanded to include new series of maps and new points of view.

The Dud Bud [Open Road Media](#)

Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

[Sach Kahun Toh](#) [Juggernaut Books](#)

"The 2012 report recognized that expanding women's agency - their ability to make decisions and take advantage of opportunities is key to improving their lives as well as the world. This report represents a major advance in global knowledge on this critical front. The vast data and thousands of surveys distilled in this report cast important light on the nature of constraints women and girls continue to face globally. This report identifies promising opportunities and entry points for lasting transformation, such as interventions that reach across sectors and include life-skills training, sexual and reproductive health education, conditional cash transfers, and mentoring. It finds that addressing what the World Health Organization has identified as an epidemic of violence against women means sharply scaling up engagement with men and boys. The report also underlines the vital role information and communication technologies can play in amplifying women's voices, expanding their economic and learning opportunities, and broadening their views and aspirations. The World Bank Group's twin goals of ending extreme poverty and boosting shared prosperity demand no less than the full and equal participation of women and men, girls and boys, around the world." -- Publisher's description.

Lal Salaam (Red Salute) [Macmillan + ORM](#)

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive

Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

Boys & Sex [HarperCollins](#)

Silas Marner: *The Weaver of Raveloe* is the third novel by Mary Ann Evans. It was published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community.

Patricia Highsmith: Her Diaries and Notebooks: 1941-1995 [Andrews McMeel Publishing](#)

A celebration of love in all its forms. this is the recipe of life said my mother as she held me in her arms as i wept think of those flowers you plant in the garden each year they will teach you that people too must wilt fall root rise in order to bloom

Stories [Vintage](#)

Lucy has big hair, eats fun foods and is teased by a boy named Ralph at school because she is different. She tries to be brave but she wishes the teasing would stop. What should I do? she asks herself over and over. Lucy's Papa Gino reminds her to do the right thing and treat people with kindness. So when Ralph gets stuck on the playground and needs help, will Lucy use this chance to teach Ralph a lesson? Or will she have the courage to be true to herself and make the right choice with an act of kindness? Readers of all ages can empathize with Lucy's brave journey as she sets out to rise above Ralph's mean words, stay true to herself and build her self-esteem every step of the way. This book comes with a free Reader's Companion, complete with discussion questions, lesson plans and activities for children to go beyond the book. Download your copy direct from the publisher website. The best book for teaching kindness and confronting bullying. *Spaghetti in a Hotdog Bun* is perhaps the most beloved book by award-winning author Maria Dismundy. It carries the key message of love, courage and positivity supported by the many advocates of positive parenting solutions. It will sit comfortably on your shelf alongside other books that focus on emotions, confidence and bullying. Like the work of Adir Levy (*What Would Danny Do?*) and Jacquelyn Stagg (*Kindness Starts with You*).

Only Ever Yours [UNESCO](#)

What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life—from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places—all with refreshing candour and wit.

Baldwin's personal story of beating the odds is both inspiring and instructional. You'll learn how to play the mental game in a way that launches you towards unparalleled achievement.

[Do Epic Shit](#) [Ankur Warikoo](#)

Emma O'Donovan is eighteen, beautiful, and fearless. It's the beginning of summer in a quiet Irish town and tonight she and her friends have dressed to impress. Everyone is at the party, and all eyes are on Emma. The next morning Emma's parents discover her collapsed on the doorstep of their home, unconscious. She is disheveled, bleeding, and disoriented, looking as if she had been dumped there. To her distress, Emma can't remember what happened the night before. All she knows is that none of her friends will respond to her texts. At school, people turn away from her and whisper

under their breath. Her mind may be a blank as far as the events of the previous evening, but someone has posted photos of it on Facebook under a fake account, "Easy Emma"--photos she will never be able to forget. As the photos go viral and a criminal investigation is launched, the community is thrown into tumult. The media descends, neighbors chose sides, and people from all over the world want to talk about her story. Everyone has something to say about Emma. Asking For It is a powerful story about the devastating effects of rape and public shaming, told through the awful experience of a young woman whose life is changed forever by an act of violence.

A New York Times Bestseller Award-winning Vanity Fair writer Nancy Jo Sales crisscrossed the country talking to more than two hundred girls between the ages of thirteen and nineteen about their experiences online and off. They are coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. The dominant force in the lives of girls coming of age in America today is social media: Instagram, Whisper, Vine, Youtube, Kik, Ask.fm, Tinder. Provocative, explosive, and urgent, American Girls will ignite much-needed conversation about how we can help our daughters and sons negotiate the new social and sexual norms that govern their lives.
