MARITZA NOVAK

Hello, Doctor Knopf

One in a series of humorous books about disgusting creatures, The Slug is a look at the land slug. It covers such topics as the slug's two pairs of tentacles, one pair for seeing, one pair for smelling (it can see you're a kid and smell like broccoli), its breathing hole (on the side of its head!), and its pretty gross mucous covering (in order to find a partner, the slug can follow another slug's mucous trail. True love!). Although silly and off-the-wall, The Slug contains factual information that will both amuse and teach at the same time.

Franklin the Fly Lectorum Publications

Il est vivant et ouvert à tous les possibles. Rien d'impossible a priori, dans une existence ordinaire. Mais pour lui, rien ne vient. Les portes du monde se ferment dès son arrivée chez les vivants. Prisonnier de son enfance, il passera le reste de sa vie derrière des barreaux. Ses pensées sont sa cellule, ses errances son horizon. Elle a, selon la formule consacrée, tout pour elle. Il lui suffit de pousser la porte pour que s'ouvre devant elle le royaume majestueux de la vie. Elle a mais elle n'est pas. Condamnant elle-même le monde enchanté qui lui tendait les bras, elle arpente inlassablement les désillusions de l'existence. En quête de soi, chacun cherche l'autre. Pour exister, pour se propulser dans la vie. Dans une intention de vie. Et dans la quête de l'autre, que reste-t-il de soi ? Un récit sombre, sur les parcours identitaires, où tout se joue à deux. Doubles, dédoublements, duos, duels, c'est de la dualité que l'on extrait d'improbables fragments de soi.

It's time to visit the doctor, and everyone is in the waiting room. The doctor treats a crocodile and an elephant first. Next up is a wolf. Will the doctor survive his cunning patient? Full color.

The Fly Macmillan

The first in a series of humorous books about disgusting creatures, The Fly is a look at the common housefly. It covers such topics as the hair on the fly's body (requires a lot of shaving), its ability to walk on the ceiling (it's pretty cool, but it's hard to play soccer up there), and its really disgusting food tastes (garbage juice soup followed by dirty diaper with rotten tomato sauce, for example). Although silly and off-the-wall, The Fly contains factual information that will both amuse and teach at the same time.

Once upon a time in a very busy city, on a very busy street, in two very small apartments, lived... Herman and Rosie. Herman liked playing the oboe, the smell of hot dogs in the winter, and watching films about the ocean. Rosie liked pancakes, listening to old jazz records, and watching films about the ocean. They both loved the groovy rhythm of the city, but sometimes the bustling crowds and constant motion left them lonely, until one night ... A Neal Porter Book

Little Brown Bear's response to everything is negative.

Oliver's Pool Gallimard Jeunesse Giboulées

Between July 1945 and November 1962 the United States is known to have conducted 216 atmospheric and underwater nuclear tests. After the Limited Test Ban Treaty between the United States and the Soviet Union in 1963, nuclear testing went underground. It became literally invisible—but more frequent: the United States conducted a further 723 underground tests, the last in 1992. 100 Suns documents the era of visible nuclear testing, the atmospheric era, with one hundred photographs drawn by Michael Light from the archives at Los Alamos National Laboratory and the U.S. National Archives in Maryland. It includes previously classified material from the clandestine Lookout Mountain Air Force Station based in Hollywood, whose film directors, cameramen and still photographers were sworn to secrecy. The title, 100 Suns, refers to the response by J.Robert Oppenheimer to the world's first nuclear explosion in New Mexico when he quoted a passage from the Bhagavad Gita, the classic Vedic text: "If the radiance of a thousand suns were to burst forth at once in the sky, that would be like the splendor of the Mighty One . . . I am become Death, the destroyer of worlds." This was Oppenheimer's attempt to describe the otherwise indescribable. 100 Suns likewise confronts the indescribable by presenting without embellishment the stark evidence of the tests at the moment of detonation. Since the tests were conducted either in Nevada or the Pacific the book is simply divided between the desert and the ocean. Each photograph is presented with the name of the test, its explosive yield in kilotons or megatons, the date and the location. The enormity of the events recorded is contrasted with the understated neutrality of bare data. Interspersed within the sequence of explosions are pictures of the awestruck witnesses. The evidence of these photographs is terrifying in its implication while at same time profoundly disconcerting as a spectacle. The visual grandeur of such imagery is balanced by the chilling facts provided at the end of the book in the detailed captions, a chronology of the development of nuclear weaponry and an extensive bibliography. A dramatic sequel to Michael Light's Full Moon, 100 Suns forms an unprecedented historical document. Les fabulettes des Drôles de Petites Bêtes Little, Brown Books for

Illustré par Sonia Sanchez Pourquoi publier un guide pratique sur l'éducation à la sexualité au primaire ? Tout simplement parce que l'éducation à la sexualité est essentielle au développement des enfants et qu'il est important d'augmenter son aisance à l'enseigner. Et par-dessus tout, parce que tous ont à cœur le bien-être des enfants et le développement de ces citoyens de demain ! Ce guide s'adresse principalement aux enseignants et aux enseignantes, mais également à toute personne qui s'intéresse à cette question. Il aborde les stades de développement de l'enfant, les contenus à enseigner, des idées d'activités concrètes, la littérature jeunesse, le développement de l'aisance de la personne qui enseigne ces contenus ainsi que différentes pistes d'intervention. De plus, vous y trouverez des suggestions afin d'y lier les contenus d'éducation à la sexualité à ceux du programme de Culture et citoyenneté québécoise. Ce livre de référence couvre tous les niveaux du primaire, y compris le préscolaire. De même, cet ouvrage valorise l'utilisation de la littérature jeunesse comme levier dans l'apprentissage des contenus d'éducation à la sexualité. En effet, plusieurs albums jeunesse sont proposés et certains sont exploités de manière plus détaillée dans ce livre afin d'enrichir vos idées d'activités d'une manière ludique et qui rejoint les jeunes. L'objectif est de vous outiller afin de répondre aux questions de vos élèves tout en vous guidant dans vos interventions. Il vous permettra également de développer vos connaissances et ainsi d'augmenter votre aisance. En vous souhaitant, chers lecteurs et lectrices, bien du plaisir lors de votre lecture !

Oliver's Strawberry Patch Tundra Books

Esta colección es una obra original de gran riqueza debido a la innegable personalidad de las ilustraciones y a la estructura de los relatos. A lo largo de los libros, el lector entra en contacto con toda una serie de personajes convertidos, para su sorpresa, en protagonistas de un relato, durante el cual algunos de ellos cambian y evolucionan. En ocasiones, se descubren criaturas hasta ese momento desconocidas y se aguarda con ilusión el próximo 'libro aventura'. Un divertido relato de una mosca que quiere parecerse a sus vecinos para conseguir su amistad y compañía, en la que se abordan los valores éticos, las virtudes y los defectos, en concreto la mala reputación, los prejuicios y los chismes. Las recreaciones lúdicas salpican el texto, confiriéndole un aire humorístico. La moraleja se sugiere directamente y ayuda al pequeño a aceptarse y a quererse como es.

RENOWNED ARTIST R. O. BLECHMAN'S illustrations are instantly recognizable. For more than fifty years, his work has appeared on the covers of *The New Yorker*, run alongside op-eds in *The New York Times*, graced the pages of *Harper's Bazaar*, and, more recently, been featured on *The Huffington Post*, providing unspoken commentary on the world at large. In *Dear James*, Blechman has compiled all the wisdom he has accumulated over the course of his esteemed career into a series of poignant yet instructive letters written to an imagined young illustrator, "James." The result is a wise and mesmerizing meditation on creativity. Flush with wit and candor, Blechman's correspondence delves into his own trash can of false starts and failed beginnings, in addition to his artistic triumphs, to offer James both encouragement and criticism. He urges him to reach his potential as an artist, advising him on practical aspects -- proper technique, choice of work environments, dealing with editors -- and along the way provides invaluable insights on art, and life, that lay bare the challenges James will face as he aims to be successful in this demanding field. In the tradition of Rilke's *Letters to a Young Poet*, *Dear James* is an indispensable tool for any up-and-coming creative person looking for advice and inspiration, as well as a memorable read for those daring enough to chase their dreams.

The original 'Bug Muldoon' book, about a beetle detective told in a Raymond Chandler-type narrative. There's weird stuff going on in the garden and Bug has to get to the bottom of it. It started off as a run-of-the-mill missing insect case, but now the ants are acting strange and the Wasp Queen is threatening to kill him. Just what is going on...

Sweet 16 Editions Gallimard

Teagan Phillips is obnoxiously rich, obnoxiously fashionable, and, this year, she's obnoxiously turning sixteen. No one's sweet sixteen party will be as glitzy, glamorous, decadent, and, well, obnoxious as Teagan's sweet sixteen party. She might single-handedly take the sweet out of sweet sixteen. In typical fashion, nothing is quite right for Teagan on the night of her sweet sixteen party. When a slew of unfortunate events unfold at what was supposed to be the sweet sixteen event of the century, she hits rock bottom, literally, by falling down the stairs into the wine cellar. When she comes to, a strange woman is standing over her. What happens next will bring Teagan back in time to when she was a sweet little girl with two parents, before her mother died and her father threw himself into his work. She'll be forced to face the choices she made that led her to be the person she is on her sixteenth birthday. And with the help of her fairy godmother (or whoever the heck the creepy woman in white is), this will be the sweetest of all sixteens.
