Confirmation, an Anthology of African American Women

A collection of fiction, poems, essays, and short plays explores the life of Black women in American society

Dutchman and the Slave Dramatists Play Service Inc

Githa Sowerby's *Rutherford and Son* took the London theatre by storm in 1912. Following its triumphant run, the play toured to New York, was produced throughout England, and was translated and staged in multiple European locations. Yet Sowerby's initial theatrical success would not be repeated. With historical hindsight, we can see Sowerby's experience as comparable to that of many other women writers who struggled to achieve

lasting recognition, especially when their work was perceived as critiquing the forces restricting women's lives. These vivid domestic dramas explore timely questions of capitalism, feminism, and personal freedom. With the acclaimed revival of *Rutherford* at the National Theatre in 1994, and with the efforts by feminist scholars and theatre artists to rediscover the work of such forgotten women writers, Sowerby and her dramas have secured renewed interest. This edition gathers *Rutherford and Son*, its companion piece *A Man and Some Women*, and the postwar play *The Stepmother*. The edition will provide teachers, students, and artists with important historical contexts for Sowerby's dramas and will demonstrate the ongoing cogency of these dynamic, insightful, and engaging plays.

"S O S provides readers with rich, vital views of the African American experience and of Baraka's own evolution as a poet-activist" (The Washington Post). Fusing the personal and the political in high-voltage verse, Amiri Baraka whose long illumination of the black experience in America was called incandescent in some quarters and incendiary in others was one of the preeminent literary innovators of the past century (The New York Times). Selected by Paul Vangelisti, this volume comprises the fullest spectrum of Baraka's rousing, revolutionary poems, from his first collection to previously unpublished pieces composed during his final years. Throughout Baraka's career as a prolific writer (also published as LeRoi Jones), he was vehemently outspoken against oppression of African American citizens, and he radically altered the discourse surrounding racial inequality. The environments and social values that inspired his poetics changed during the course of his life, a trajectory that can be traced in this retrospective spanning more than five decades of profoundly evolving subjects and techniques. Praised for its lyricism and introspection, his early poetry emerged from the Beat generation, while his later writing is marked by intensely rebellious fervor and subversive ideology. All along, his primary focus was on how to live and love in the present moment despite the enduring difficulties of human history. A New York Times Editors' Choice "A big handsome book of Amiri Baraka's poetry [that gives] us word magic, wit, wild thoughts, discomfort, and pleasure." —William J. Harris, Boston Review "The most complete representation of over a half-century of revolutionary and breathtaking work." —Claudia Rankine, The New York Times Book

Outlaw: The Collected Works of Miguel Piñero William Morrow & Company

When you emerge from this impish comic playwright's glittering tribute to Molière, written entirely in verse, your head will be so dizzy with syncopated rhyme that you'll almost expect to find yourself speaking and thinking in chiming couplets...[Ives] add The truism that families come in all shapes and sizes is illuminated with haunting beauty...in this exquisitely wrought comedy-drama...a piercing portrait of the contemporary social architecture, in which the distance between people can be widened or collaps

Newbery Medal Winner: A young Louisiana boy faces the horrors of slavery when he is kidnapped and forced to work on a slave ship in this iconic novel. Thirteen-year-old Jessie Bollier earns a few pennies playing his fife on the docks of New Orleans. One night, on his way home, a canvas is thrown over his head and he's knocked unconscious. When he wakes up, Jessie finds himself aboard a slave ship, bound for Africa. There, the Moonlight picks up ninety-eight black prisoners, and the men, women, and children, chained hand and foot, are methodically crammed into the ship's hold. Jessie's job is to provide music for the slaves to dance to on the ship's deck—not for amusement but

for exercise, as a way to to keep their muscles strong and their bodies profitable. Over the course of the long voyage, Jessie grows more and more sickened by the greed of the sailors and the cruelty with which the slaves are treated. But it's one final horror, when the Moonlight nears her destination, that will change Jessie forever. Set during the middle of the nineteenth century, when the illegal slave trade was at its height, *The Slave Dancer* not only tells a vivid and shocking story of adventure and survival, but depicts the brutality of slavery with unflinching historical accuracy.

Culture as Weapon Harper Collins

Abducted from her West African village at the age of eleven and sold as a slave in the American South, Aminata Diallo thinks only of freedom - and of finding her way home again. After escaping the plantation, torn from her husband and child, she passes through Manhattan in the chaos of the Revolutionary War, is shipped to Nova Scotia, and then joins a group of freed slaves on a harrowing return odyssey to Africa. Lawrence Hill's epic novel, winner of the Commonwealth Writers' Prize, spans three continents and six decades to bring to life a dark and shameful chapter in our history through the story of one brave and

resourceful woman.

In this newly rediscovered memoir, Bonnie Bremser, ex-wife of Beat-poet Ray Bremser, chronicles her life on the run from the law in the early Sixties. When Ray fled to Mexico in 1961 to avoid imprisonment for armed robbery, a crime he claimed he did not commit, Bonnie followed with their baby daughter, Rachel. In a foreign country with no money and little knowledge of the language, Bonnie was forced into a life of prostitution to support her family and their drug habit. Just twenty-three years old, Bonnie was young and inexperienced, but very much in love with her husband; indeed, she was ready to go to any lengths in an attempt to keep their small family alive and together, even if it meant becoming *une troia*.

Centered squarely on the Negro-white conflict, both *Dutchman*

and *The Slave* are literally shocking plays--in ideas, in language, in honest anger. They illuminate as with a flash of lightning a deadly serious problem--and they bring an eloquent and exceptionally powerful voice to the American theatre. *Dutchman* opened in New York City on March 24, 1964, to perhaps the most excited acclaim ever accorded an off-Broadway production and shortly thereafter received the Village Voice's Obie Award. *The Slave*, which was produced off-Broadway the following fall, continues to be the subject of heated critical controversy.

LeRoi Jones's Fight for Black Liberation in "Dutchman" and "The Slave" Open Road + Grove/Atlantic

For almost half a century, Amiri Baraka has ranked among the most important commentators on African American music and culture. In this brilliant assemblage of his writings on music, the first such collection in nearly twenty years, Baraka blends autobiography, history, musical analysis, and political commentary to recall the sounds, people, times, and places he's encountered. As in his earlier classics, *Blues People* and *Black Music*, Baraka offers essays on the famous—Max Roach, Charlie Parker, Miles Davis, John Coltrane—and on those whose names are known mainly by jazz aficionados—Alan Shorter, Jon Jang, and Malachi Thompson. Baraka's literary style, with its deep roots in poetry, makes palpable his love and respect for his jazz musician friends. His energy and enthusiasm show us again how much Coltrane, Albert Ayler, and the others he lovingly considers mattered. He brings home to us how music itself matters, and how musicians carry and extend that knowledge from generation to generation, providing us, their listeners, with a sense of meaning and belonging.

Two Plays by LeRoi Jones NYU Press

One of the country's leading activist curators explores how corporations and governments have used art and culture to mystify and manipulate us. The production of culture was once the domain of artists, but beginning in the early 1900s, the emerging fields of public relations, advertising and marketing transformed the way the powerful communicate with the rest of us. A century later, the tools are more sophisticated than ever, the onslaught more relentless. In *Culture as Weapon*, acclaimed curator and critic Nato Thompson reveals how institutions use art and culture to ensure profits and constrain dissent--and shows us that there are alternatives. An eye-opening account of the way advertising, media, and politics work today, *Culture as Weapon* offers a radically new way of looking at our world.

Dutch historiography has traditionally concentrated on colonial successes in Asia. However, the Dutch were also active in West Africa, Brazil, New Netherland (the present state of New York) and in the Caribbean. In Africa they took part in the gold and ivory trade and finally also in the slave trade, something not widely known outside academic circles. P.C. Emmer, one of the most prominent experts in this field, tells the story of Dutch involvement in the trade from the beginning of the 17th

century—much later than the Spaniards and the Portuguese—and goes on to show how the trade shifted from Brazil to the Caribbean. He explains how the purchase of slaves was organized in Africa, records their dramatic transport across the Atlantic, and examines how the sales machinery worked. Drawing on his

prolonged study of the Dutch Atlantic slave trade, he presents his subject clearly and soberly, although never forgetting the tragedy hidden behind the numbers – the dark side of the Dutch Golden Age -, which makes this study not only informative but also very readable.
