The Forgotten Palaces of Calcutta discovers the old areas of the city, where heritage houses and history fill every crowded lane and secret courtyard. Languishing in another time and place, at the end of narrow lanes and behind untidy shop-fronts, Calcutta's rich heritage waits to be discovered. The great houses of Bengal's merchant princes have been largely forgotten and rarely photographed. Many of the interiors have remained the same for over 200 years. While much has been written and photographed on the British colonial architecture and lifestyle, very little has been

The Essential Guide for Women Traveling Solo Lonely Planet

The Duke of Wellington, the most successful of British commanders, set a standard by which all subsequent British

generals have been measured. His defeat of Napoleon at Waterloo in 1815 crowned a reputation first won in India at Assaye and then confirmed during the Peninsular War, where he followed up his defence of Portugal by expelling the French from Spain. Gordon Corrigan, himself an ex-

soldier, examines his claims to greatness. Wellington was in many ways the first modern general, combining a mastery of logistics with an ability to communicate and inspire. He had to contend not only with enemy armies but also with his political masters and an often sceptical public at home.
