When the Spirit's Fire Swept Korea Book Ministry

The words of Jesus still have the power to change the world and set people free. Unfortunately, the problem we have seen over the last 2000 years is that religion and the traditions of men have been slowly pulling people away from the simple truth and original call of Jesus. "The Call of Jesus," by Torben S ndergaard, is like an easy to understand "instruction manual" pulled from Scripture to help us effectively live the life to which Jesus has called us. Using Jesus' words in Luke chapter 10,

Torben refreshingly reveals that Jesus' message was not only for His disciples and those who lived during that period of time, but it is also for all of us who are living today. Will you heed "The Call of Jesus"?

Messenger is a study of the life, ministry, and theology of Sydney Granville Elton, a man who believed he had an apostolic message for the church in Nigeria and who stopped at nothing to deliver it. It will inspire you to find your place in prophetic destiny and fulfil it. Elton played the most significant role in shaping Pentecostalism in Nigeria during its first half-century. His impact on the movement was nothing short of revolutionary and his story is crucial to rediscovering the essence that created

one of the most vibrant Pentecostal movements in the world. Messenger explores the beginnings of Pentecostalism in Nigeria, bringing alive the stories of its major characters, the passion that catapulted the outpouring into a national phenomenon, and the first major crisis that marked the turning point in its early history. Elton's pivotal role from these early days, and in virtually every significant initiative crucial to its development for fifty years is told in riveting detail. At no other time—when the foundations of Pentecostal Christianity in Nigeria are being vigorously shaken, and when both the church and the nation are in desperate need of a new breed of visionary and courageous leadership—does Elton's bold prophetic vision hold greater significance

to our collective spiritual experience. Messenger will impart to you a fresh vision of God's purpose and stir you to be a part of it.

DR. SMITH'S book, "The Passion for Souls," for its size is the most powerful plea for Revival I have ever read. He has truly been led by the Spirit of God in preparing it. To his emphasis for the need of a Holy Spirit Revival I can give the heartiest amen. What I saw of Revival in Korea and in China is in fullest accord with the Revival called for in this book. It is most timely that DR. Smith has called attention to man effort and man method in modern Revival. If we all had faith to wait upon God in intense believing prayer there would be genuine

Holy Ghost Revival, and the living God would get all the glory. In Manchuria and China, when we did nothing else than give the address and let the people pray, and kept out of sight as far as possible, we saw the mightiest manifestations of Divine power. Had I the wealth of a millionaire I would put "The Passion for Souls" in every Christian home on this continent and confidently look for a Revival which would sweep round the world.

Principles of Revival is an edited version of Finney's first book of published sermons, Sermons on Important Subjects. It is distinctively different in that it focuses on the psychology of revival and conversion versus the

method-oriented approach of the other Finney volumes on revival. Newly edited by L.G. Parkhurst, the material cannot be found in print anywhere else (except for a few readings that relate to Principles of Victory) Major themes include:

- The necessity of preaching to the conscience.
- The inevitability of opposition to the gospel.
- The operation of the sinner's mind.
- Motivating the sinner to repentance.
- The relationship in conversion between personal initiation and the work of the Spirit

As the young pastor of a self-satisfied English congregation in the 1880s, Samuel Chadwick was so frustrated over his lack of power in the pulpit that he collected his sermons in a pile and set

fire to them. The result was immediate: The Holy Spirit fell on him.

Supernatural Christianity never ended! A generation today is asking, Where are all God's miracles which our fathers told us about? (Judges 6:13). Author of the best-selling book They Told Me Their Stories, Tommy Welchel answered this question, living among the youth of one of the greatest spiritual outpourings ever

experienced—the Azusa Street Revival. During this time, Tommy recorded first-hand accounts of the miracles that they had witnessed... and even performed themselves! These testimonies have been shared around the world, and the results have been amazing: Miraculous healings, supernatural phenomena, and impossible situations being turned around by a wonder-working God. As you read about the miracles that God performed during this great move of His Spirit, your faith will be stirred to:

- Encourage others that God’s healing power has not passed away
- Believe for the miraculous in your life
- Release supernatural breakthrough to people who need a touch from God
- Prepare to experience a fresh outpouring of God’s Spirit... today!

“Oh, that You would rend the heavens! That You would come down!” Millions have prayed that, and pray it now. In the Day of Thy Power is filled with plentiful quotations from eyewitnesses of revival and with inescapable biblical authority for such “times of refreshing . . . from the presence of the Lord.” It unfolds the conditions by which God still comes, as in apostolic days, with “mighty signs and wonders, by the power of the Spirit of God.” This first book of Arthur Wallis, written in 1956, was an immediate success when first published and has become a classic on the subject of revival.

Fire blazes from heaven, and a stone altar erupts in flame. So begins a spiritual awakening, the kindling of a revival fire still burning today. Beginning with Elijah and God's tremendous one-day revival of Israel, Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa, all brought by obedience and heartfelt prayer. He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit.

OneCry Crossway

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the

table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Over the centuries God has touched the earth with revival, lifting men and women into his presence in extraordinary ways. And in some epochs the divine hand seems to have rested on

us longer and to have caused more profound changes in the church and the culture. Authors Towns and Porter have studied revival eras throughout history in order to identify the ten which seem to have been the greatest of all time. If you want to understand revival and if you long to see revival in our day, this book will speak to both your mind and your heart.

The ministry contained in this little book has been wrought on the anvil of deep and drastic dealings of God with the vessel. It is not only doctrinal; it is experiential. Only those who really mean business with God will take the pains demanded to read it. For such, two words of advice may be helpful. Firstly, try to remember all through that the

spoken form is retained. The messages were given in conference, and the reader must try to get into the spirit and mind of listening, and not only reading. In speaking, the messenger can see by the faces before him where repetition or reemphasis or fuller elucidation is called for. This explains much that would not be the character of a precisely literary production. It has its difficulties for readers, but it also has its values. Of all the books that have issued from this ministry, I regard this one as that which goes most deeply to the roots and foundations of our life in Christ with God. T.A-S.

OneCry: A Call to Spiritual Awakening is a challenge, a plea for readers to shake off spiritual apathy and wake up to the hope of God moving with extraordinary power in our day. It paints a picture of both desperation and hope; without spiritual revival our country has no hope, but when it comes we will need no other

hope. Drawing on an abundance of stories from ordinary people who have experienced the power of life-changing revival in their own lives, this book provides a contemporary roadmap for spiritual awakening and real revival. Passionate and story-rich, *OneCry* engages readers to seek God urgently at this moment in history, it inspires them with hope for what God can do, and it invites them to join a growing movement of believers who are uniting in one cry for revival and spiritual awakening. It is a summons to join together in a single focus: passionate prayer for revival in our nation like hasn't been seen in nearly two hundred years.

Christ, the Healer Inter-Varsity Press
 Five years ago there came into my life a spiritual experience that revolutionized my work, and resulted in a Ministry characterized by some of the manifestations that usually accompany Revivals. It was in this atmosphere that these messages were born; and while the writing of them has occupied the five intervening years, they but breathe the spirit that then prevailed. May God through them reveal to His servants the shallowness apparent in so much of our Modern Evangelism, and turn them to that deep and abiding work of the Holy Spirit which will alone stand the test of divine fire!
