BROOKS FINLEY

My Best Race Unbound Publishing

This book takes its readers on a musical journey where the quest of following one's dreams can sometimes take an abysmal dive. But perseverance and tenacity can eventually right the wrongs. The Switch story is an amazing shake-your head page turner that will fill eyes with tears, hearts with joy. There will never be a story like Switch, DeBarge, Motown & Me. Not ever!!

Poems Diversion Publishing Corp.

As part of Motown's hot funk and soul band era, the author felt life would be good for him there on out. A prideful turning away from God's principles changed his dreams into a nightmare. Poverty and addiction were in the pot at the end of his rainbow. Now, he is a man recovering from the decisions he made.

Switch, DeBarge, Motown and Me! Red Wheel/Weiser
 "A magician, a virtuoso. She can conjure up tragedy, horror, tension, suspense, the ridiculous, the vain, the romantic." --Good Housekeeping As far as his father, a famous writer, is concerned, Richard will never amount to anything, and so he decides to take his fate into his own hands. But at the last moment he is saved by Jake, who appeals to Richard not to waste his life. Together they set out for adventure, working their way through Europe, eventually arriving in bohemian Paris, where Richard meets Hesta, an entrancing music student. Daphne du Maurier's second novel is a masterpiece of narration, showcasing for the first time in her career the male voice she would use to stunning effect in four subsequent novels, including *My Cousin Rachel*.

They'll Never Put That on the Air Penguin
 Reprint of the original, first published in 1867.

They'll Never Die Central Recovery Press
Stealing the Corner Office is mandatory reading for smart, hardworking managers who always wonder why their seemingly incompetent superiors are so successful. It is a unique collection of controversial but highly effective tactics for middle managers and aspiring executives who want to learn the real secrets for moving up the corporate ladder. Unlike virtually all other business books—which are based on the assumption that corporations are logical and fair—*Stealing the Corner Office* explores the unconventional tactics people less competent than you use to get ahead and stay ahead. It is your proven playbook to thrive and win in an imperfect corporate world. *Stealing the Corner Office* will teach you: How incompetent people so often get ahead, and what you can learn from them. How to make universally flawed corporate policies work in your favor. Why showing too much passion for your ideas can be career suicide. Why delivering results should never be your highest priority. These and many more controversial tactics will change the way you look at your

career and how you manage projects, people, and priorities.

Apply the 10 principles in *Stealing the Corner Office* and watch your career take off!

The Jacobite Songs and Ballads of Scotland from 1688 to 1746 Fulton Books, Inc.

The concept behind Ruth and Martin's Album Club is simple: make people listen to a classic album they've never heard, then ask them to review it. Compiled here are the blog's greatest hits, as well as some new and exclusive material, each entry boasting a comprehensive introduction by all-round music geek Martin Fitzgerald: Ian Rankin on Madonna's Madonna. J. K. Rowling on the Violent Femmes' Violent Femmes. Chris Addison on Marvin Gaye's What's Going On. Bonnie Greer on The Beach Boys' Pet Sounds. Brian Koppelman on The Smiths' Meat Is Murder. Anita Rani on The Strokes' Is This It. Richard Osman on Roxy Music's For Your Pleasure. And many, many more.

They'll Never Catch Us Penguin

From rising star Jessica Goodman, author of *They Wish They Were Us*, comes a new fast-paced thriller about two sisters vying for the top spot on their cross-country team—the only way out of their stiflingly small town. But their dreams are suddenly thrown into peril when a new girl threatens to take away everything they've worked for . . . until she disappears. Stella and Ellie Steckler are only a year apart, but their different personalities make their relationship complicated. Stella is single-minded, driven, and she keeps to herself. Cross-country running is her life and she won't let anything get in the way of being the best. Her sister Ellie is a talented runner too, but she also lets herself have fun. She has friends. She goes to parties. She has a life off the course. The sisters do have one thing in common, though: the new girl, Mila Keene. Both Stecklers' lives are upended when Mila comes to town. Mila was the top runner on her team back home, and at first, Ellie and Stella view her as a threat. But soon Ellie can't help but be drawn to her warm, charming personality. After her best friend moved away and her first boyfriend betrayed her, Ellie's been looking for a friend. In a moment of weakness, she even shares her darkest secret with Mila. For her part, Stella finds herself noticing the ways she and Mila are similar. Mila is smart and strong—she's someone Stella can finally connect with. As the two get closer, Stella becomes something she vowed she'd never be: distracted. With regionals approaching and college scouts taking notice, the pressure is on. Each girl has their future on the line and they won't let friendships get in their way. But then, suddenly, Mila goes out on a training run and never returns. No one knows what happened, but all eyes are on the Steckler sisters.

Scottish Songs and Ballads. Collected and edited by J. Ritson. New and revised edition, with glossary and index. [With illustrations.] Simon and Schuster

In the 1950s, Lucille Ball couldn't even say the word "pregnant" on TV. But by the 1990s, Carrie Bradshaw and her posse could say everything there is to say about sex—and demonstrate most of it. How have broadcast standards changed from the dawn of television till today? Through interviews with the creators of landmark shows, author Allan Neuwirth traces that history, revealing how the upheaval of the 1960s led to edgier fare such as *The Smothers Brothers Comedy Hour*; how counterculture baby boomers made *Saturday Night Live*-style satire possible; how stand-up comedians changed the sitcom landscape; how UPN and the WB raised eyebrows with comedies aimed at minorities; and much more. In this age of FCC crackdowns, *They'll Never Put That on the Air* is as timely as it is entertaining and informative. ? Firsthand accounts of life in the TV trenches from producers and writers ? Handy "genealogy chart" traces TV comedy from the 1950s to today ? Insider author is an award-winning producer, director, and writer of TV comedy Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

There'll Never Be

What They'll Never Tell You About the Music Business, Third Edition Hal Leonard Corporation

Jill navigates her way through life creating her own stories to explain unspoken tragedies and difficult situations that no one will give her explanations for. She lives in her own world, trapped inside a story that cuts her off not only from everyone else, but also from the wall that separates her feelings and thoughts from herself. Her Mother's life is interwoven with Jill's at times when they did not know each other yet overlapped briefly until tragedy separated them. Jill finds something that changes everything, a suitcase in the rafters of her Grandmother's garage, covered in layers of dust. In it, she finds the answers to everything, sitting there all along. Suddenly the gap that was missing all those years is filled in and Jill doesn't know if it's too late. All the lies, the stories that her childhood was based on to help her make sense and that provided the foundation for her life are uprooted and dried to dust. She feels like a chunk of her life has been handed back to her. It all makes sense. What no one would tell her before suddenly she knows more about than anyone else.

A File of a Life There'll Never BeAs part of Motown's hot funk and soul band era, the author felt life would be good for him there on out. A prideful turning away from God's principles changed his dreams into a nightmare. Poverty and addiction were in the pot at the end of his rainbow. Now, he is a man recovering from the decisions he made.They'll Never Be the Same

"A rip-roaring yarn of baseball, poker, and Wall Street told with humor and humanity, and a loving rendering of Wharton in the seventies." —Geoffrey Garrett, dean, The Wharton School Rogers Stout has the gambler's gifts: a titanic brain, an uncanny ability to read people, and a risk-taker's daring. As an apathetic high school student who loves baseball but lacks a ninety-miles-per-hour fastball, he knows that the game does not begin until the ball leaves the pitcher's hand. But his life needs direction. Everything changes the summer Roger is invited into the boisterous environment of an investment bank's trading room—and to a gambling hall dive where he immediately wins big at poker, capturing the attention of his coworkers with his card-playing skills. Intrigued by trading markets, Rogers's intellectual curiosity takes him to Wharton and then to Wall Street, facing challenges as an outsider who thinks and acts differently from the white-shoe establishment. As Rogers plays his career hand, life plays another. Should he follow the temptress Elsbeth and her ravishing beauty or Charlotte, his high-spirited first love? An intriguing look at human aspiration and the interplay of honor, greed, fear, and individuality, *Make Me Even* and *I'll Never Gamble Again* reveals a time when a new generation upended the status quo on Wall Street and forever changed investing. "By turns hilarious, insightful, and touching, Fine has written a coming-of-age story for the ages." —Peter Lattman, vice chairman, The Atlantic "[An] absorbing story of an aspiring Wall Street trader." —Kirkus Reviews

The Boy Scouts' Year Book Little, Brown

Robert Burns (1759-1796), also known as the National Bard, Bard of Ayrshire and the Ploughman Poet, was a Scottish poet and lyricist. The Illustrated Book of Scottish Songs BoD - Books on Demand

Anna, a German mill-owner's daughter, marries a French aristocrat and moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

The New Scottish Song Book Billboard Books

Fifty runners—from the world's elite to passionate amateurs—share the races they'll never forget in this "fascinating and fresh look at competitive running" (Jon Sinclair, former USA cross country and 10K champion, RRCA Hall of Famer). Every runner that enters a race has a unique motivation behind competing: racing for the challenge, for the achievement, for the health benefits, or for more personal reasons. But whether they are twenty-mile-a-day elite marathoners or twenty-mile-a-week recreational runners, each of them can invariably point to a singular performance as "the best race I ever ran." My Best Race is a collection of those singular performances. In this inspirational collection, fifty runners, from Olympians and world champions, to courageous disabled athletes and middle-of-the-packers, share their personal accounts of what they consider the best race they ever ran—and why. Contributors include a top marathoner who sacrifices his place on the Olympic team to pace his friend to the final qualifying spot at the Olympic Trials; "The Central Park Jogger" who finishes a race she founded to benefit disabled athletes, fourteen years after being left for dead from a brutal attack that gripped the nation; an unheralded high school runner who beats a previously undefeated state champion—and who goes on to become a two-time Olympian; the woman race organizers tried to physically remove from the male-only Boston Marathon in 1967; and forty-six other runners. "Such wonderful and inspiring stories by a diverse group of runners—bravo!" —Ryan Lamppa, media director of Running USA "What a fascinating concept! . . . A very unique and inspiring collection that gives great insight into the minds of runners." —Keith Brantly, member of the 1996 US Olympic marathon team

What They'll Never Tell You about the Music Business AuthorHouse

The completely revised and expanded edition of *What They'll Never Tell You About the Music Business* is a must-have reference. You'll learn: - How many musicians have seized do-it-yourself internet opportunities to create successful business models, - How the royalty pie is sliced—and who gets the pieces, - How the fundamentals of music publishing, producing, managing,

touring, and the record industry apply more than ever, - Why this book is the indispensable guide to the worldwide music industry, - How corporate general counsels can educate their employees (and themselves) to understand the strictures of copyright law and to avoid trouble, - And much more.

The Poetical Works of Robert Burns Watson-Guptill

This insider guide discloses the hidden dynamics and often unfortunate consequences of what really happens when a deal is prepared, contracts are signed, and promises are made—and alerts musicians, attorneys, songwriters, and anyone else interested in the music business to the potent dangers lurking beneath the surface of this incredibly competitive industry.
