The defining geopolitical contest of the twenty-first century is between China and the US. But is it avoidable? And if it happens, is the outcome already inevitable? China and America are world powers without serious rivals. They eye each other warily across the Pacific; they communicate poorly; there seems little natural empathy. A massive geopolitical contest has begun. America prizes freedom; China values freedom from chaos.America values strategic decisiveness; China values patience.America is becoming society of lasting inequality; China a meritocracy.America has abandoned multilateralism; China welcomes it. Kishore Mahbubani, a diplomat and scholar with unrivalled access to policymakers in Beijing and Washington, has written the definitive guide to the deep fault lines in the relationship, a clear-eyed assessment of the risk of any confrontation, and a bracingly honest appraisal of the strengths and weaknesses, and superpower eccentricities, of the US and China.

Has China Won? All India Radio (AIR),New Delhi

The best and most comprehensive book on the most important and best-loved Chinese goddess. Walk down the streets of Chinatown in any American

or western European city and look around. She is there. Walk through the downtown streets, look in a shop window. She is there. Go to any city in China and open your eyes. She is there, too. Kuan Yin is the most ubiquitous Chinese deity—and the most loved. She is the living expression of compassion whose gentle face and elegant figure form the center of devotion in most Chinese homes and workplaces. Until relatively recently, she was barely known in the West, and few studies had been made of her. Originally published as *Kuan Yin* by Harper Collins in 1995 (and republished as *The Kuan Yin Chronicles* by Hampton Roads in 2009), this seminal work explores the origins and evolution of the goddess in ancient China, early Buddhism, Taoism, and shamanism. Religious scholar Martin Palmer and Chinese divination expert Man-Ho Kwok discuss the Kuan Yin myths and stories, and Jay Ramsay provides fresh translations of 100 Kuan Yin poems that function both as literature and divination tools. “A compelling story that reads like a detective mystery . . . and shows the contemporary reassertion of the Goddess in the hearts and minds of men and women.” —Riane Eisler, author of *The Chalice and the Blade*. Previously published as *The Kuan Yin Chronicles*.

Patricia Highsmith: Her Diaries and Notebooks: 1941-1995 One World

"The Covid-19 pandemic disrupted the education of an estimated 90 percent of the world's school-aged children. [This report] is based on over 470 interviews with students, parents, and teachers in 60 countries between April 2020 and April 2021. It documents how Covid-related school closures did not affect all children equally, as governments failed to provide all children with the opportunity, tools, or access needed to keep learning during the pandemic. Students from groups already facing discrimination and exclusion from education even before the pandemic were disproportionately adversely affected. Governments' long-term failures to remedy discrimination and inequalities in their education systems, and often to ensure basic government services, such as affordable, reliable electricity in homes, or facilitate affordable internet access, meant schools entered the pandemic ill-prepared to deliver remote education to all students equally. Children from low-income families were more likely to be excluded from online learning because they did not have reliable electricity or sufficient access to the internet or devices. Historically under-resourced schools particularly struggled to reach their students."--Page 4 of cover.

The Taoist monk and acclaimed author demonstrates how personal spiritual practice can lead to social change in this manifesto of spiritual activism. It's easy to get outraged by world events and frustrated by personal battles. It's much harder to act on that outrage in a positive way. Born of moral indignation and seasoned by a life of self-cultivation, Monk Yun Rou's *Mad Monk Manifesto* shares insight, practical advice, and a powerful call to social and political action. Based on ancient Chinese wisdom such as Lao Tzu's *Tao Te Ching*, *Mad Monk Manifesto* demonstrates how effecting change on a grand scale begins with getting to know our own consciousness. As ripples move away from a stone dropped into a pond, Yun Rou begins with our personal lives, discussing diet, exercise, meditation, and mind/body practice. Then it expands to our public environment, describing what we can do to improve our community, government, and the world. In addition, Monk Yun Rou encourages everyone to engage in the nature that surrounds them, showing how environmentalism can take place in daily life. Winner of the Gold Nautilus Book Award

When W.B. Yeats and Lady Gregory set out in 1897 to create an Irish theatre, they expressed their openness to dramatic experimentation. However, the Abbey Theatre that was their legacy increasingly came to resist non-traditional dramaturgy. Ranging over a period of more than a century, the essays in *Beyond Realism* focus on theatre that has challenged what came to be perceived as the dominance of realism in Irish drama. The contributors demonstrate that, in the first half of the twentieth century, playwrights such as George Fitzmaurice, Sean O'Casey, and Jack B. Yeats produced unconventional theatre that challenged the norm of realism; they show that Irish dramatists since the 1980s, including Thomas Kilroy, Vincent Woods, and Patricia Burke Brogan further broadened the range of theatrical methods. The concluding essays on contemporary works that use multiple techniques, technology, and site-specific locations suggest that non-realistic, highly theatrical approaches are no longer the exception in Irish drama.

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong'o, *Time*), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, USA Today, *San Francisco Chronicle*, NPR, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Ambedkar was a prolific student, earning doctorates in economics from both Columbia University and the London School of Economics, and gained a reputation as a scholar for his research in law, economics and political science. In his early career he was an economist, professor, and lawyer. His later life was marked by his political activities; he became involved in campaigning and negotiations for India's independence, publishing journals, advocating political rights and social freedom for Dalits, and contributing significantly to the establishment of the state of India. In 1956 he converted to Buddhism, initiating mass conversions of Dalits.

New York Times • Times Critics Top Books of 2021 *The Times* (of London) • Best Books of the Year Excerpted in *The New Yorker* Profiled in *The Los Angeles Times* Publishing for the centenary of her birth, Patricia Highsmith's diaries “offer the most complete picture ever published” of the canonical author (*New York Times*). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of “our greatest modernist writers” (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: *Her Diaries and Notebooks* is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

Umrao Jan Ada Unvoiced Heart

Back to Serve is a fictional memoir about a soon-to-be-retired army captain, Nico Corretti, who after a career in the military is ready to begin his civilian life with his family. But first, he must out-process and then drive halfway across the country to get home, during which he has an improbable encounter with a Russian woman who informs him that his safety and his postservice stability may be in jeopardy. On the long drive home, he considers the plausibility of her claim and reflects on his past and future. Once home, he relishes the quality time with his family, which includes visiting his father in his hometown. But afterward, he discovers the limited employment opportunities in the slow recovery years after the Great Recession. He undergoes an extended unemployment period before anxiously and dutifully taking a government-contract position abroad, which turns out to be more perilous than he had originally been briefed. And the mysterious Russian woman he met may lead him to some of the answers he was searching for, as well as to some dangers and desires that he wasn't. Upon completion of his contract job in Europe, he enjoys a well-deserved respite at home. But it's short lived, as a swell of terrorist attacks against the United States require (or demand) more of his military service. Torn between being there for his family and his duty to his country, Captain Corretti is coldly reminded that the two actually are mutually inclusive. He's sent back to a familiar place, the Middle East, and in the process, he may be able to avenge the soldiers he had lost under his command. But he'll need to reach deeper within himself than he ever has before in order to succeed on the battlefield and in life.

'I was born on a bloody road. The blood was my mother's. My sisters couldn't find a midwife in time. There was no way my mother could get relief from the upper-caste well, and so they tell me, that my sisters ran to some puddles to fill their little mouths up and then ran back to where my mother was almost dying of pain and then spat out some water on her face and the rest down below on mine. That is how I came into this world.' Someone is disposing of politicians one by one. And the murderer has borrowed from the genius of Agatha Christie. When a local Mumbai politician is found wrapped in a plastic bag behind a park bench, the dashing and capable DIG Ajay Biswas is told to take over the case. Ajay arrives in Mumbai along with his wife Aparajita and soon discovers he is being misled by his Mumbai compatriots who are determined to save their own skin. Someone is deliberately providing false leads; his presence is not wanted. While in Mumbai, Ajay and Aparajita meet up with their old college friend Akhil Sukumar. Akhil and Aparajita have had a tortuous history, and it appears that the one-time lovers now want nothing more than to let bygones be bygones. Easier said. From the barren lands of rural India to the immaculate lawns of Cambridge, *The Rat Eater* is a book whose uninhibitedness may offend purists as it lays bare a few uncomfortable truths about India—a country entangled in a web of caste, corruption and cover-ups. The privileged flourish at the cost of the oppressed. The price has to be paid, and someone has decided that it needs to be paid in blood.

Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.
