Shakespeare and Textual
Studies Penn State Press
The New York Times Best
Seller Experience the Star
Wars saga reimaged as
an Elizabethan drama
penned by William
Shakespeare himself,

complete with authentic
meter and verse, and
theatrical monologues
and dialogue by everyone
from Darth Vader to
R2D2. Return once more
to a galaxy far, far away
with this sublime retelling
of George Lucas's epic
Star Wars in the style of
the immortal Bard of
Avon. The saga of a wise
(Jedi) knight and an evil
(Sith) lord, of a beautiful

princess held captive and
a young hero coming of
age, Star Wars abounds
with all the valor and
villainy of Shakespeare's
greatest plays. Authentic
meter, stage directions,
reimagined movie scenes
and dialogue, and hidden
Easter eggs throughout
will entertain and impress
fans of Star Wars and
Shakespeare alike. Every
scene and character from

the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you're looking for.

The Secret Life of William Shakespeare Frances Lincoln

In 1623 a team of stationers published what has become the most famous volume in English literary history: William Shakespeare's First Folio. Who were these publishers and how might their stories be bound up

with those found within the book they created? Ben Higgins offers a radical new account of the First Folio by focusing on these four publishing businesses that made the volume. By moving between close scrutiny of the Folio publishers and a wider view of their significance within the early modern book trade, Higgins uses Shakespeare's stationers to explore the 'literariness' of the Folio; to ask how stationers have shaped textual authority; to argue for the

interpretive potential of the 'minor' Shakespearean bookseller; and to examine the topography of Shakespearean publication. Drawing on a host of fresh primary evidence from a wide range of sources, including court records, manuscript letters, bookseller's bills, and the literature itself, Shakespeare's *Syndicate* illuminates our understanding of how this landmark volume was made and what it has meant to scholars since.

Moreover, it models exciting new ways of working with stationers and of reading the event of early modern publication itself. This innovative study demonstrates that despite four hundred years of history, the volume at the centre of Shakespeare's canon continues to generate new stories. *Collecting Shakespeare* Simon and Schuster Love all trust a few do harm to none is from William Shakespeares play All's well that ends well. This compact

paperback sized notebook is great for journaling, to do lists, record keeping, poetry and more. *Shakespeare Insights* "This book offers a short, spirited defense of rhetoric and the liberal arts as catalysts for precision, invention, and empathy in today's world. The author, a professor of Shakespeare studies at a liberal arts college and a parent of school-age children, argues that high-stakes testing and a culture of assessment have altered how and what students are taught,

as courses across the arts, humanities, and sciences increasingly are set aside to make room for joyless, mechanical reading and math instruction. Students have been robbed of a complete education, their imaginations stunted by this myopic focus on bare literacy and numeracy. Education is about thinking, Newstok argues, rather than the mastery of a set of rigidly defined skills, and the seemingly rigid pedagogy of the English Renaissance produced some of the

most compelling and influential examples of liberated thinking. Each of the fourteen chapters explores an essential element of Shakespeare's world and work, aligns it with the ideas of other thinkers and writers in modern times, and suggests opportunities for further reading. Chapters on craft, technology, attention, freedom, and related topics combine past and present ideas about education to build a case for the value of the past, the pleasure of thinking, and the

limitations of modern educational practices and prejudices"--

A Novel Journal: William Shakespeare (Compact)
Hachette UK

Once upon a time, there was a handsome journal lined with the words of the brothers Grimm...

Famous for creating cultural heirlooms like "Snow White," "Cinderella," and "The Frog Prince," the words of the 18th and 19th century German authors Jacob and Wilhelm Grimm will further inspire new storytellers in A Novel

Journal: Brothers Grimm. With the tales of this talented duo in tiny font serving as the lines of this journal, writers can rest assured that their pages are graced with greatness. Nothing sets the mood for penning a new story like the comfort of stories that have transcended time and culture, and with famous Grimm brothers' stories on every page, these journals are sure to spark the inspiration necessary for anything from daily journaling to the first draft of the next great novel.

Sandwiched between deluxe heat-burnished covers, and eerily illustrated endpapers befitting the many haunting themes for which the Grimms are known, this journal makes the perfect gift or collectible for the fairytale enthusiast.

The Shakespeare Book

Cambridge University Press

A clever journal to keep track of the comedies in your life! If you're looking for a new book in which to record your thoughts, lists, and more, you're in

luck! Canterbury Classics, known for publishing fine works of literature, has released their next set of writing journals for your story recording pleasure! Tiny print encompassing the entire text of Shakespeare's Twelfth Night and other plays creates the lines throughout this notebook, so you can pen your words right next to those of the great Bard himself. With heat-burnished Svepa covers featuring a clever quote from the play, illustrated endpapers, foil stamping,

colored edges, and an elastic band to hold it all together, you'll want to collect the whole Novel Journal series.

Jane Austen and William Shakespeare Bloomsbury Publishing

Tells the story of Shakespeare in Stratford as a family man. The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge. It reconsiders clusters of evidence that have been

held to prove some persistent biographical fables

Contested Will

HarperCollins UK

This book explores why crime fiction so often alludes to Shakespeare. It ranges widely over a variety of authors including classic golden age crime writers such as the four 'queens of crime' (Allingham, Christie, Marsh, Sayers), Nicholas Blake and Edmund Crispin, as well as more recent authors such as Reginald Hill, Kate Atkinson and Val

McDermid. It also looks at the fondness for Shakespearean allusion in a number of television crime series, most notably *Midsomer Murders*, *Inspector Morse* and *Lewis*, and considers the special sub-genre of detective stories in which a lost Shakespeare play is found. It shows how Shakespeare facilitates discussions about what constitutes justice, what authorises the detective to track down the villain, who owns the countryside, national and social identities, and the

question of how we measure cultural value.

Conjure up something ghoulish for your next writing project. Famous for penning many haunting tales, Edgar Allan Poe will continue to inspire both readers and storytellers in *A Novel Journal: Edgar Allan Poe*. With Poe's best-loved

works serving as the lines of this notebook in tiny type, writers can rest assured that the pages are graced with greatness, and can write with abandon. In addition to the two stories previously mentioned, this journal includes "The Pit and the Pendulum," "The Tell-Tale Heart," "The Masque of the Red Death," "The Black Cat," "The Facts in the Case of M. Valdemar," "The Fall of the House of Usher," "The Cask of Amontillado," "The Murders in the Rue Morgue," and "The

Raven." A Novel Journal: Edgar Allan Poe allows fans to keep Poe's words close as they explore their own creative writing ambitions. Sure to spark the inspiration necessary for anything from daily journaling to the first draft of the next great novel, this homage to Poe's work adds an element of excitement to any writing project. Sandwiched between deluxe Svepa covers and eerie endpaper designs befitting the themes for which Poe is known, this book also has colored

edges and a matching elastic band, making it a great gift or collectible for fans of classic works of horror. And the compact size makes this journal easy to slip into a purse, briefcase, or backpack so you can record and revisit your thoughts on the go.

Botanical Shakespeare
Cambridge University Press

This is a book to make your own. Embrace your style and use pattern, colour and shape to reflect your personal taste. Become the designer of your world as

you create inspired ideas of your own. Collage, design and play, cut, paste and create. Cut, Paste, Create is a visual journal where the reader is encouraged to fill the pages with design ideas using collage and to explore and reflect on their own creative concepts and personal taste. Whilst some pages seek a more personal engagement, for example relating to moods or feelings, others simply provide a space to

design a range of coats for your dog or

create a welcome mat to invite people in to your home. Including helpful tips and basic principles of collage, the reader is guided to source materials from their everyday world and to look for what is beautiful, inspiring or unusual to them. * If you could change your hairstyle every day, what would it look like? * Collage designs for your own fashion collection * Create your own wallpaper * Design your own bookends * Collage some cheery umbrella designs

for when you're under the weather * Create your own set of stamps * Design a range of eyewear to suit your mood

Works Springer Nature
This book analyses the ways contemporary fiction writers draw on Shakespeare - the man, his work and his cultural legacy.

The Private Life of William Shakespeare DK Children
Describes Shakespeare's experiences in London and his retirement to the country in a fictional account that includes

excerpts from his works. *Romeo & Juliet & Vampires* Canterbury Classics
In this book, Elisabeth H. Kinsley weaves the stories of racially and ethnically distinct Shakespeare theatre scenes in late nineteenth- and early twentieth-century Manhattan into a single cultural history, revealing how these communities interacted with one another and how their work influenced ideas about race and belonging in the United States during a time of

unprecedented immigration. As Progressive Era reformers touted the works of Shakespeare as an “antidote” to the linguistic and cultural mixing of American society, and some reformers attempted to use the Bard’s plays to “Americanize” immigrant groups on Manhattan’s Lower East Side, immigrants from across Europe appropriated Shakespeare for their own ends. Kinsley uses archival material such as reform-era handbooks,

theatre posters, playbills, programs, sheet music, and reviews to demonstrate how, in addition to being a source of cultural capital, authority, and resistance for these communities, Shakespeare’s plays were also a site of cultural exchange. Performances of Shakespeare occasioned nuanced social encounters between New York’s empowered and marginalized groups and influenced sociocultural ideas about what Shakespeare, race, and

national belonging should and could mean for Americans. Timely and immensely readable, this book explains how ideas about cultural belonging formed and transformed within a particular human community at a time of heightened demographic change. Kinsley's work will be welcomed by anyone interested in the formation of national identity, immigrant communities, and the history of the theatre scene in New York and the rest of the United States.

Hamlet Canterbury

Classics
 Shakespeare scholar James Shapiro explains when and why so many people began to question whether Shakespeare wrote his plays.

The Spy of Venice
 Bloomsbury Publishing USA

The story of Desdemona from Shakespeare's Othello is re-imagined by Nobel Prize laureate Toni Morrison, Malian singer and songwriter Rokia Traoré, and acclaimed stage director Peter Sellars. Morrison's response to Othello is an

intimate dialogue of words and music between Desdemona and her African nurse Barbary. Morrison gives voice and depth to the female characters, letting them speak and sing in the fullness of their hearts. Desdemona is an extraordinary narrative of words, music and song about Shakespeares doomed heroine, who speaks from the grave about the traumas of race, class, gender, war and the transformative power of love. Toni Morrison transports one of

the most iconic, central, and disturbing treatments of race in Western culture into the new realities and potential outcomes facing a rising generation of the 21st century.

Here in This Island We Arrived Springer

This book explores the words, forms, and styles Shakespeare used to interact with the verbal marketplace of early modern England.

How to Think Like Shakespeare Rowman & Littlefield

This volume explores the multiple connections

between the two most canonical authors in English, Jane Austen and William Shakespeare. The collection reflects on the historical, literary, critical and filmic links between the authors and their fates. Considering the implications of the popular cult of Austen and Shakespeare, the essays are interdisciplinary and comparative: ranging from Austen's and Shakespeare's biographies to their presence in the modern vampire saga *Twilight*, passing by

Shakespearean echoes in Austen's novels and the authors' afterlives on the improv stage, in wartime cinema, modern biopics and crime fiction. The volume concludes with an account of the Exhibition "Will & Jane" at the Folger Shakespeare Library, which literally brought the two authors together in the autumn of 2016. Collectively, the essays mark and celebrate what we have called the long-standing "love affair" between William Shakespeare and Jane Austen—over 200 years

and counting.
[The Book of Air and Shadows](#) Canterbury Classics
 A cutting-edge and comprehensive reassessment of the theories, practices and archival evidence that shape editorial approaches to Shakespeare's texts.

A Novel Journal: Edgar Allan Poe (Compact)

Oxford University Press
 Though better known for his literary merits, Shakespeare made money, wrote about money, and enabled money-making by countless others in his name. With chapters by

leading scholars on the economic, financial and commercial ramifications of his work, this multifaceted volume connects the Bard to both early modern and contemporary economic conditions, revealing Shakespeare to have been a serious economist in his own right.
