El 1961 Bob Dylan arriba a Nova York i s'instal·la a Greenwich Village disposat a trobar-se amb Woody Guthrie que, en aquells moments era el cantautor a qui volia emular. El jove Dylan es guanya la vida tocant en diferents locals mentre viu una gran història d'amor i es desenvolupa com a autor. Aquesta entrada en el món de la música professional, que culminarà amb el seu primer contracte discogràfic, és el rerefons de 'Cròniques I', un llibre que recull impressions, vivències i reflexions, que presenta al primer Dylan com un creador animat per una inquietud infinita. Si coneixíem la qualitat de Dylan com a poeta, 'Cròniques I' ens descobreix a un narrador extraordinari, capaç de combinar el record, l'elegia i les observacions més incisives.

Volume 1, Weaving the Tangled Web:

Military Deception in Large-Scale Combat Operations surveys twelve cases of MILDEC from World War I through Desert Storm focusing on how armies have successfully used preconceptions to either immobilize an opponent or force the expenditure of energy in unproductive directions. The case studies span the major wars of the twentieth-century from the perspectives of several great powers and offer both a primer for planners of military deception and a caution for all military personnel to remain constantly on guard for practitioners of this ancient art.
