and elation of the newly breaking morning.

Hymns of the Church of Jesus Christ of Latter-Day Saints--simplified Accompaniments Wentworth Press

Risky reading So how many family gatherings have been ruined by someone bringing up a particularly touchy subject and obnoxiously pressing it until relatives and friends either fled or committed assault and battery? How many Thanksgiving dinners have been spoiled by ugly political conversations or graphic descriptions of various medical problems? Well, Facebook is a lot like those family gatherings, except with a whole bunch of strangers invited. On Facebook, so-called friend

While Adolf Hitler's National Socialist government was persecuting Jews and Jehovah's Witnesses and driving forty-two small German religious sects underground, the Church of Jesus Christ of Latter-day Saints continued to practice unhindered. How some fourteen thousand Mormons not only survived but thrived in Nazi Germany is a story little known, rarely told, and occasionally rewritten within the confines of the Church's history—for good reason, as we see in David Conley Nelson's *Moroni and the Swastika*. A page-turning historical narrative, this book is the first full account of how Mormons avoided Nazi persecution through skilled collaboration with Hitler's regime, and

then eschewed postwar shame by constructing an alternative history of wartime suffering and resistance. The Twelfth Article of Faith and parts of the 134th Section of the Doctrine and Covenants function as Mormonism's equivalent of the biblical admonition to "render unto Caesar," a charge to cooperate with civil government, no matter how onerous doing so may be. Resurrecting this often-violated doctrinal edict, ecclesiastical leaders at the time developed a strategy that protected Mormons within Nazi Germany. Furthermore, as Nelson shows, many Mormon officials strove to fit into the Third Reich by exploiting commonalities with the Nazi state. German Mormons emphasized a mutual interest in genealogy and a passion for sports. They sent husbands into the Wehrmacht and sons into the Hitler Youth, and they prayed for a German victory when the war began. They also purged Jewish references from hymnals, lesson plans, and liturgical practices. One American mission president even wrote an article for the official Nazi Party newspaper, extolling parallels between Utah Mormon and German Nazi society. Nelson documents this collaboration, as well as subsequent efforts to suppress it by fashioning a new collective memory of ordinary German Mormons' courage and travails during the war. Recovering this inconvenient past, *Moroni and the Swastika* restores a complex and difficult chapter to the history of Nazi Germany and the Mormon Church in the twentieth century—and offers new insight into the construction of historical truth.

Funeral Hymns Hal Leonard

The International Bestseller A New York Times Editors' Choice Selection A Winner of the 2020 Lannan Literary Awards Fellowship "[An] absorbing, stirring novel . . . that, in more than one sense,

remedies history." —The New York Times Book Review "A triumph, a novelistic rendition of one of the most difficult times in Vietnamese history . . . Vast in scope and intimate in its telling . . . Moving and riveting." —VIET THANH NGUYEN, author of *The Sympathizer*, winner of the Pulitzer Prize With the epic sweep of Min Jin Lee's *Pachinko* or Yaa Gyasi's *Homegoing* and the lyrical beauty of Vaddey Ratner's *In the Shadow of the Banyan*, *The Mountains Sing* tells an enveloping, multigenerational tale of the Trần family, set against the backdrop of the Việt Nam War. Trần Diêu Lan, who was born in 1920, was forced to flee her family farm with her six children during the Land Reform as the Communist government rose in the North. Years later in Hà Nội, her young granddaughter, Hương, comes of age as her parents and uncles head off down the Hồ Chí Minh Trail to fight in a conflict that tore apart not just her beloved country, but also her family. Vivid, gripping, and steeped in the language and traditions of Việt Nam, *The Mountains Sing* brings to life the human costs of this conflict from the point of view of the Vietnamese people themselves, while showing us the true power of kindness and hope. *The Mountains Sing* is celebrated Vietnamese poet Nguyễn Phan Quế Mai's first novel in English.

The Stories and the Messages R. R. Bowker

Taken from such influential sources as *The Joseph Smith Papers*, *The History of the Church*, and *the Doctrine and Covenants*, this compilation of quotes is designed to provide meaningful moments of meditation as you learn from the prophet of the Restoration. No matter your method—whether reading a quote a day in brief reflection, or delving deeper into each quote in conjunction with the comprehensive topical index included—the

light and truth found in the words of Joseph Smith are sure to be a steady guide through each day of the year.

The Virgin's Slumber Song Sagwan Press

Bruce N. Bell was born in Salt Lake City, Utah in 1935. After two years in the US Navy he graduated the University of Utah 1962. He spent 15 years in radio followed by 35 years in advertising. He lives a contented life with Judy his wife of 52 years.

Politics, Religion and Other Stuff... Wipf and Stock Publishers

The importance of baptism within Christian history, theology, and practice is of the first order. Rooted in Christian Scripture, baptism is initiation into Jesus Christ and the sacramental beginning of engagement with the church, the body of Christ. In recent decades, the relationship between baptismal theology and ecclesiology has changed. Rather than focusing solely on the implications of baptism for individuals, the center of theological conversation has moved increasingly to the nature of baptism as formative of the church. One of the pioneers in exploring this theological issue in the United States has been the Rev. Dr. Louis Weil, who, from the time he helped author the 1979 *Book of Common Prayer*, has advocated for an approach called "baptismal ecclesiology." In a number of essays since the 1980s, Dr. Weil has encouraged an increasingly ecumenical conversation

around this particular approach to ecclesiology. This ecumenical collection of essays by a distinguished and international group of sixteen scholars continues the conversation on liturgy and ecclesiology begun by Fr. Weil.

For five centuries, Martin Luthers hymns have formed the core of Lutheran hymnals and have been the premier model for Lutheran hymnwriters. All of Luthers hymn texts and melodies are brought together here in this complete collection. From the beloved A Mighty Fortress Is Our God to the largely unknown My Bride, the Church, Is Dear to Me, each text is paired with its sixteenth-century melody and is provided a conventional harmonization. Also includes supplemental background information, current historical scholarship, and comprehensive indices.
