"Whatever it was you
expected when you
heard about the new
Classics of Western
Spirituality(TM) series
from Paulist Press,
forget it. The real thing

is better." The Crux of
Prayer Luis de León:
The Names of Christ
translated and
introduced by Manuel
Duran and William
Kluback preface by J.
Ferrater Mora As Christ
is a source or rather is
an ocean which holds
in itself all that is
sweet and meaningful
that belongs to man, in
the same way the
study of his person, the

revelation of the treasure, is the most meaningful and dearest of all knowledge. Luis de León (1527-1591) The Names of Christ is a masterpiece of the Golden Age of Spain. Written in the style of a pastoral novel, the work is a meditation on the philosophical and theological significance of the names of Christ. Based on a careful examination of ten names given Christ in the Scriptures, the book reflects elements of Augustinian, Jewish, and Islamic spirituality that were part of sixteenth-century Spain. Luis de León was born in 1527 in Belmonte, a small village in the Castile region of Spain. An Augustinian friar, a brilliant professor, an artful poet, he was a

true Renaissance man whose vision of the fullness of Christ sustained him in the face of persecution at the hands of the Inquisition and infused his writing with a sensitivity that has made The Names of Christ a treasure of Spanish literature and a classic of Catholic mysticism. +

Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the

concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. The Boy on the Wooden Box is a legacy of hope, a memoir unlike

anything you've ever read.

A NEW YORK TIMES
BESTSELLER "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." -- Washington Post
Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable,

and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. *Know My Name* will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic.

The Book of Leon

Paulist Press

Leon is an ordinary kid who becomes extraordinary when he fights a supervillain to save his school! "Leon is a superhero, whose powers are kindness and common sense. It's a really good book about a really good kid!" -- Jerry Craft, author and illustrator of New Kid "A heartfelt and hilarious hero's journey. LEON is super!" -- Lincoln Peirce, author and illustrator of Big Nate In the city where Leon lives, superheroes -- and supervillains -- are

commonplace. So how does an ordinary kid like Leon, who has no superpowers himself, become the superhero he wants to be? When all his classmates suddenly become obsessed with a new phone app that turns them into zombies, Leon gets his chance to prove that using his brain and following his heart can save the day. Equal parts *New Kid* and *The Incredibles*, the first graphic novel in this action-packed, heartfelt, and joyously funny series by Jamar Nicholas reminds readers that when it comes to being a hero, you just need to believe in yourself. *The Boy on the Wooden Box*

“Dark family secrets are at the core of this bewitching debut novel

... a memorable read” from the author of *Dead Man’s Embers* (Herald on Sunday). Gwenni Morgan is not like any other girl in this small Welsh town. Inquisitive, bookish and full of spirit, she can fly in her sleep and loves playing detective. So when a neighbor mysteriously vanishes, and no one seems to be asking the right questions, Gwenni decides to conduct her own investigation. Mari Strachan’s unforgettable novel “is a richly evocative, warm but unsentimental tale of a child detective struggling to piece together clues about the lives around her. These lives, and the characters who live them, are so vividly drawn and Mari Strachan’s careful

unraveling of the secrets they hide is extremely compelling” (Catherine O’Flynn, award-winning author of *What Was Lost*). “A lyrical debut . . . [Strachan’s] light touch keeps the story unfamiliar and surprising, while Gwenni’s uber-precocious narration revels in a love for language and reveals an unspoiled innocence about the world. It’s small, quiet and nicely done.”—Publishers Weekly “An unsettling account of matrilineal madness, illegitimacy and domestic abuse . . . Strachan’s deft handling of a dark subject is both sober and sparkling.”—The Guardian “One of those books that eases you in gently and then floors you . . . The Earth Hums in B Flat

reads authentically, and the fictive truth in the story remains consistent and powerful as Gwenni moves towards the end . . . [of] this is a lovely, original, and imaginative debut.”—Gather.com

"We were a family of three girls. By Chinese standards, that wasn't lucky. In Chinatown, everyone knew our story. Outsiders jerked their chins, looked at us, shook their heads. We heard things." In this profoundly moving novel, Fae Myenne Ng takes readers into the hidden heart of San Francisco's Chinatown, to the world of one family's honor, their secrets, and the lost bones of a "paper father." Two generations of the Leong family live in an uneasy tension as they try to fathom the

source of a brave young girl's sorrow. Oldest daughter Leila tells the story: of her sister Ona, who has ended her young, conflicted life by jumping from the roof of a Chinatown housing project; of her mother Mah, a seamstress in a garment shop run by a "Chinese Elvis"; of Leon, her father, a merchant seaman who ships out frequently; and the family's youngest, Nina, who has escaped to New York by working as a flight attendant. With Ona and Nina gone, it is up to Leila to lay the bones of the family's collective guilt to rest, and find some way to hope again. Fae Myenne Ng's luminous debut explores what it means to be a stranger in one's own family, a foreigner in one's own

neighborhood--and whether it's possible to love a place that may never feel quite like home.

A conductor succumbs to cyanide at the famed Venice opera house, in the first mystery in the New York Times–bestselling, award-winning series. During intermission at the famed La Fenice opera house in Venice, Italy, a notoriously difficult and widely disliked German conductor is poisoned—and suspects abound. Guido Brunetti, a native Venetian, sets out to unravel the mystery behind the high-profile murder. To do so, he calls on his knowledge of Venice, its culture, and its dirty politics. Along the way,

he finds the crime may have roots going back decades—and that revenge, corruption, and even Italian cuisine may play a role. “One of the most exquisite and subtle detective series ever.” —The Washington Post

 Leon's back. Having survived the sweatshop methods of Miss Hagemeyer, his needle-wielding fourth grade teacher at the Classical School, Leon braces himself for fifth grade. He arrives armed with a backpack full of pens and pencils, binders and notebooks . . . plus a rag doll that's the spitting image of Henry Lumpkin, the bully who has Leon in his sights. If the doll works the way it's supposed to, Leon (and his buddies P.W. and Lily-Matisse)

won't have to worry about Lumpkin the Pumpkin! Better still, Leon has a fabulous new teacher, Mr. Sparks, who conducts science experiments using that most miraculous of research materials -- the potato chip. And a good thing, too. Mr. Sparks's lab work will come in handy when Leon is forced to take on Alphonse "The Chippopotamus" Cipollini at the annual Chipapalooza! Chip-Off. Once you've sunk your teeth into Leon and the Champion Chip, the hilarious sequel to Leon and the Spitting Image, you'll never eat potato chips the same way again!

Leon the Extraordinary: A Graphic Novel (Leon #1) Minnesota Historical Society Summer 1918. The

First World War is drawing to a close when Léon Le Gall, a French teenager from Cherbourg who has dropped out of school and left home, falls in love with Louise Janvier. Both are severely wounded by German artillery fire, are separated, and believe each other to be dead. Briefly reunited two decades later, the two lovers are torn apart again by Louise's refusal to destroy Léon's marriage and by the German invasion of France. In occupied Paris during the Second World War, where Léon struggles against the abhorrent tasks imposed upon him by the SS, and the wilds of Africa, where Louise confronts the hardships of her primitive environment,

they battle the vicissitudes of history and the passage of time for the survival of their love.

Death at La Fenice

Babes in Toyland burst onto the Minneapolis music scene in the late 1980s and quickly established itself at the forefront of punk/alternative rock. The all-female trio featured a shy, seventeen-year-old Jewish teen from the suburbs on bass guitar—an instrument she had never played before joining the band. Over the next few years, Michelle Leon lived the rock-and-roll lifestyle—playing live concerts, recording in studios, touring across the United States and Europe, and spending endless hours in stuffy

vans, staying in two-star motels, and sleeping on strangers' couches in town after town. The grind and drama of life in the band gradually wore on Leon, however, and a heartbreaking tragedy led her to rethink her commitment to the band and the music scene. Leon's sensitive, sensory prose puts readers right on stage with Babes in Toyland while also conveying the uncertainty, vulnerability, and courage needed by a girl who never felt like she fit in to somehow find her place in the world. "A crucial and compelling account of what it was to be a woman making music in the nineties. . . . Fantastic and ferocious."—Jessica Hopper, music and

culture critic and author of *The First Collection of Criticism by a Living Female Rock Critic* “Profound, poetic, badass, tender, and inspiring.”—Will Hermes, author of *Love Goes to Buildings on Fire* “*I Live Inside* feels as real and personal as reading your own memories. . . . Parts read like a fairy tale while others are so haunting they will never leave you.”—Kelli Mayo, musician (*Skating Polly*) “Leon draws you right into the *Babes in Toyland* van, shows you the after party tensions and what is in the mind of this particular girl in a band.”—Darcey Steinke, author of *Sister Golden Hair: A Novel* and others “[Leon’s] prose is stunning, her eye is

wry, and her heart enormous; the result is a compelling memoir filled with pop culture, travel, intrigue, and a young artist’s quest to find her voice.”—Laurie Lindeen, musician (*Zuzu’s Petals*) and author of *Petal Pusher: A Rock and Roll Cinderella Story* “By the end of this lyrical, tough, and moving memoir, you’ll not only feel like you know Michelle Leon, you’ll also want to talk and dance and listen to music with her.”—Scott Heim, author of *Mysterious Skin* and *We Disappear* “A vivid, poetic memoir.”—Mark Yarm, author of *Everybody Loves Our Town: An Oral History of Grunge* “This is Planet Leon.”—David Markey, filmmaker, author, and musician *Kings of Leon: Holy*
