How to Draw Manga Penguin

This book is for anyone who has no previous drawing experience, or who is new to drawing in the Manga style. The overall approach is focused on simplifying the drawing process by breaking down lessons into more steps that are easier to learn. Many competing books show lots of complex drawings and different styles and characters, but they fall short at offering the level of simplicity necessary for beginners to find success. They often take readers from the beginning form to a finished drawing in just a few brief steps, leaving the less experienced artist at a loss.
