A book about the world of drugs in Las Vegas. "The best book on the dope decade." - NYT Book Review

Out from Las Vegas Arcadia Publishing

This innovative volume is the first to provide the design student, practitioner, and educator with an invaluable comprehensive reference of visual and narrative material that illustrates and evaluates the unique and important history surrounding graphic design and architecture. *Graphic Design and Architecture, A 20th Century History* closely examines the relationship between typography, image, symbolism, and the built environment by exploring principal themes, major technological developments, important manufacturers, and pioneering designers over the last 100 years. It is a complete resource that belongs on every designer's bookshelf.

Free and Fabulous Las Vegas Arcadia Publishing (SC)

Elusive Ink Rx Poetry takes you on a contemporary poetic journey that explores relationships, life, death, spirituality, motherhood, friendship and introspection. Emotional truths expressed with a plethora of words that create a serious yet humorous...cute yet gritty familial verse of 68 poems for all to enjoy. Unlike the usual poetry book, this book should be read in order of contents.

My Week at the Blue Angel Museyon
Wish You Were Here Stories and Essays
Inspired by *Fabulous Las Vegas*
Postcards The postcard is a brilliant

piece of pop culture. These simple, lightweight rectangles of good cheer serve many functions at once: They are glimpses of a special place, vessels of memory, fragments of story -- and, for those that survive, little capsules of history. That's especially true of postcards from Las Vegas, one of the most visually dynamic, changing, meaning-packed locales in the world. Inspired by iconic Sin City postcards, eight of the city's best writers delve deep into their imaginations to conceive short stories and essays that cast a fresh eye on a place you only think you know. The writers are Quentin R. Bufogle, Maile Chapman, Maxwell Alexander Drake, Lindsey Leavitt, Corey Levitan, Greg Blake Miller, Kristen Peterson and Lissa Townsend Rodgers. Editor: Scott Dickensheets.

IAS is one of the most sought after career these days. For an aspirant to be successful in this exam, he must have a thorough knowledge of India - social, political, economical, geographical, international climate. Students need to start well in advance such that they not only attain the fundamental knowledge but also gain the ability to generate their opinion and ideas about a topic. The IAS Foundation Book is an attempt in the same direction. Undergraduate Students and class 11/ 12 students who aspire for this career can start with this book. The book provides 175+ articles from diverse areas like History, Geography of the World, Polity Governance, Constitution, Social Justice, International relations, Technology, Economic Development, Bio diversity, Environment, Security, Disaster Management, Ethics, Integrity and Aptitude. These articles not just provide you the complete update on the topic but will also guide you to analyse

and explore the various issues associated with it. The articles are followed by exercises constituting vocabulary questions, comprehension questions, related general awareness questions and opinion creation/ analytical questions. The book provides answers to the 1st three type of questions. The opinion creation/ analytical questions are open-ended and requires a lot of thinking and analysis before answering. It is one of the most powerful book that will expose you to the most sensitive issues, ideas, events, people or places.

Fabulous Las Vegas in the 50s

Transportation Research Board

A lavish coffee-table-format tribute to the attractions of Sin City is organized geographically to cover its downtown, north strip, south strip, and "off the strip" areas, in a full-color photographic tour that is complemented by historical information. Simultaneous.

The Strip

Rockport Publishers

Today's Las Vegas welcomes 35 million visitors a year and reigns as the world's premier gaming mecca. But it is much more than a gambling paradise. In *A Short History of Las Vegas*, Barbara and Myrick Land reveal a fascinating history beyond the mobsters, casinos, and showgirls. The authors present a complete story, beginning with southern Nevada's indigenous peoples and the earliest explorers to the first pioneers to settle in the area; from the importance of the railroad and the construction of Hoover Dam to the arrival of the Mob after World War II; from the first isolated resorts to appear in the dusty desert to the upscale, extravagant theme resorts of today. Las Vegas—and its history—is full of surprises. The second edition of this lively history includes details of the latest developments and describes the growing anticipation surrounding the Las Vegas centennial celebration in 2005. New chapters focus on the recent implosions of famous old structures and the construction of glamorous new developments, headline-making mergers

and multibillion-dollar deals involving famous Strip properties, and a concluding look at what life is like for the nearly two million residents who call Las Vegas home.

Picturing Las Vegas Gibbs Smith
A curated vintage ephemera tour of Las Vegas through the first half of the twentieth century as it blossomed out of the desert sands into an entertainment mecca. The story of early to mid-twentieth-century Las Vegas in its gilded age as told through a fun and diverse collection of old photos, picture postcards, matchbooks, ads, and other vintage ephemera. Featured are classic glimpses of Fremont Street and the world-renowned Las Vegas Strip, landmarks such as the Sands and Riviera hotel casinos, and the cream of Hollywood glitterati, including Frank, Sammy, Dino, and the Rat Pack. Author Peter Moruzzi's sharp, witty, and sometimes irreverent commentary accompanies the visual treats and provides a unique historical take on the evolution of this desert playground.

Broadway in the Box Sunset

Books/Sunset Publishing Corporation
It was as if American television audiences discovered the musical in the early 21st century. In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming, awkward teens, and powerful voices spontaneously bursting into song. After raking in the highest rating for a new show in the 2009-2010 season, Glee would continue to cultivate rabid fans, tie-in soundtracks and merchandising, and a spinoff reality competition show until its conclusion in 2015. Alongside Glee, NBC and Fox would crank up musical visibility with the nighttime drama *Smash* and a string of live musical productions. Then came ABC's comedic fantasy musical series *Galavant* and the CW's surprise Golden Globe darling *Crazy Ex-Girlfriend*. Television

and the musical appeared to be a perfect match. But, as author Kelly Kessler illustrates, television had at that point been carrying on a sixty-year, symbiotic love affair with the musical. From Rodgers and Hammerstein's appearance on the first Toast of the Town telecast and Mary Martin's iconic Peter Pan airings to Barbra Streisand's 1960s CBS specials, The Carol Burnett Show, Cop Rock, Great Performances, and a string of one-off musical episodes of sitcoms, nighttime soaps, fantasy shows, and soap operas, television has always embraced the musical. Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television, film, and theatrical landscapes. She recounts and explores this rich, decades-long history by traversing musicals, stars, and sounds from film, Broadway, and Las Vegas to the small screen.

Hello, Las Vegas! Goodfellow Publishers Ltd

A Colorful and Fun Tour of Las Vegas for the Littlest Explorers

Logo Design Love Independently Published

A fully updated new edition of this bestselling text that explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice. With 10 new international cases focusing on how some in the hospitality sector have adapted - and thrived - during the COVID-19 pandemic.

Jack Cortez' Fabulous Las Vegas Magazine Arcadia Publishing

Whether known as "The Entertainment Capital of the World" or Sin City, Glitter Gulch or even "Lost Wages" Nevada, the

dazzling city of Las Vegas has undergone incredible transformation—from ancient watering hole to Mormon fort, from whistle stop to mob-run profit center—to become the fastest-growing urban community in the nation. Home to nearly 1.5 million residents, a melting pot of races and cultures, this great metropolis boasts a thrilling history of vices and virtues but, above all, a steadfast and uncompromising spirit.

Las Vegas, the Entertainment Capital Holt Paperbacks

A fascinating collection of thirty compelling stories about events that shaped Sin City, *It Happened in Las Vegas* describes everything from a nineteenth-century land deal that almost created two competing cities to the torrential rainstorm that flooded downtown Vegas with three inches of water.

Pop Culture Places [3 volumes] Vintage

This three-volume reference set explores the history, relevance, and significance of pop culture locations in the United States—places that have captured the imagination of the American people and reflect the diversity of the nation. *Pop Culture Places: An Encyclopedia of Places in American Popular Culture* serves as a resource for high school and college students as well as adult readers that contains more than 350 entries on a broad assortment of popular places in America. Covering places from Ellis Island to Fisherman's Wharf, the entries reflect the tremendous variety of sites, historical and modern, emphasizing the immense diversity and historical development of our nation. Readers will gain an appreciation of the historical, social, and cultural impact of each location and better understand how America has come to be a nation and evolved culturally through the lens of

popular places. Approximately 200 sidebars serve to highlight interesting facts while images throughout the book depict the places described in the text. Each entry supplies a brief bibliography that directs students to print and electronic sources of additional information.

Las Vegas Rowman & Littlefield

There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In Logo Design Love, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and

real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer.

Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last
