Devoted in Death Penguin
 Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

Survivor In Death Penguin

Lieutenant Eve Dallas returns in a fast-paced new novel from #1 New York Times bestselling author J. D. Robb. Nature versus nurture... The shots came quickly, silently, and with deadly accuracy. Within seconds, three people were dead at Central Park's ice-skating rink. The victims: a talented young skater, a doctor, and a teacher. As random as random can be. Eve Dallas has seen a lot of killers during her time with the NYPSP but never one like this. A review of the security videos reveals that the victims were killed with a tactical laser rifle fired by a sniper, who could have been miles away when the trigger was pulled. And though the list of locations where the shooter could have set up seems endless, the number of people with that particular skill set is finite: police, military, professional killer. Eve's husband,

Roarke, has unlimited resources--and genius--at his disposal. And when his computer program leads Eve to the location of the sniper, she learns a shocking fact: There were two--one older, one younger. Someone is being trained by an expert in the science of killing, and they have an agenda. Central Park was just a warm-up. And as another sniper attack shakes the city to its core, Eve realizes that though we're all shaped by the people around us, there are those who are just born evil...

The Great Delusion Penguin

#1 NEW YORK TIMES BESTSELLER
 (February 2019) Lieutenant Eve Dallas fights to save the innocent—and serve justice to the guilty—on the streets of New York in *Connections in Death*, the gritty and gripping new *In Death* novel from #1 New York Times bestselling author J.D.

Robb. Homicide cop Eve Dallas and her billionaire husband, Roarke, are building a brand-new school and youth shelter. They know that the hard life can lead kids toward dangerous crossroads—and with this new project, they hope to nudge a few more of them onto the right path. For expert help, they hire child psychologist Dr. Rochelle Pickering—whose own brother pulled himself out of a spiral of addiction and crime with Rochelle's support. Lyle is living with Rochelle while he gets his life together, and he's thrilled to hear about his sister's new job offer. But within hours, triumph is followed by tragedy. Returning from a celebratory dinner with her boyfriend, she finds Lyle dead with a syringe in his lap, and Eve's investigation confirms that this wasn't just another OD. After all his work to get clean, Lyle's been pumped full of poison—and a neighbor with a peephole reports seeing a scruffy, pink-haired girl fleeing the scene. Now Eve and Roarke must venture into the gang territory where Lyle used to run, and the ugly underground world of tattoo parlors and strip joints where everyone has taken a wrong turn somewhere. They both believe in giving people a second chance. Maybe even a third or fourth. But as far as they're concerned, whoever gave the order on Lyle Pickering's murder has run out of chances...

A Bubble National Geographic Books
Four decades after Jeannette DePalma's tragic death, authors Jesse P. Pollack and Mark Moran present the definitive account of the shocking Springfield township cold case. As Springfield residents decorated for Halloween in September 1972, the crime rate in the quiet, affluent township was at its lowest in years. That mood was shattered when the body of sixteen-year-old Jeannette DePalma was discovered in the local woods, allegedly surrounded by strange objects. Some feared witchcraft was to blame, while others believed a serial killer was on the loose. Rumors of a police cover up ran rampant, and the case went unsolved - along with the murders of several other young women.

Naked in Death Astra Publishing House
In the latest suspense thriller in the #1 New York Times bestselling series, the year 2060 is drawing to a close in New York City and loved ones are coming together for Thanksgiving. But sometimes the deepest hatreds seethe within the closest relationships, and blood flows faster than water... Lieutenant Eve Dallas has plenty to be grateful for this season. Hosting Roarke's big Irish family for the holiday may be challenging, but it's a joyful improvement on her own dark childhood. Other couples aren't as lucky as

Eve and Roarke. The Reinholds, for example, are lying in their home stabbed and bludgeoned almost beyond recognition. Those who knew them are stunned—and heartbroken by the evidence that they were murdered by their own son. Twenty-six-year-old Jerry hadn't made a great impression on the bosses who fired him or the girlfriend who dumped him—but they didn't think he was capable of this. Turns out Jerry is not only capable of brutality but taking a liking to it. With the money he's stolen from his parents and a long list of grievances, he intends to finally make his mark on the world. Eve and her team already know the who, how, and why of this murder. What they need to pinpoint is where Jerry's going to strike next.

Delusion in Death Penguin

In this crime thriller in the #1 New York Times bestselling series, Lieutenant Eve Dallas tracks a pair of Bonnie and Clyde copycats whose heated passion for each other is fueled by cold brutality. When Eve Dallas examines a fresh body in a seedy alleyway in downtown Manhattan, the victim's injuries are so extensive that she almost misses the clue. Carved into the skin is the shape of a heart—initials inside reading "E" and "D"... In Arkansas, Ella-Loo and her recently released ex-con boyfriend, Darryl, don't ever intend to part again. So they hit the road, but then things get a little messy and they wind up killing someone—an experience that stokes a fierce, wild desire in Ella-Loo. A desire for Darryl. And a desire to kill again. As they cross state lines on their way to New York to find the life they think they deserve, they leave a trail of evil behind them. But now they've landed in the jurisdiction of Lt. Dallas and her team at the New York Police and Security Department. And, with her husband Roarke at her side, Eve has every intention of hunting them down and giving them what they truly deserve...

Alcoholics Anonymous Penguin

In this novel in the #1 New York Times bestselling *In Death* series, Lieutenant Eve Dallas faces a serial killer who offers his victims eternal youth by taking their life... After a tip from a reporter, Eve Dallas finds the body of a young woman in a Delancey street dumpster. Just hours before, the news station had mysteriously received a portfolio of professional portraits of the woman. The photos seemed to be nothing out of the ordinary for any pretty young woman starting a modeling career. Except that she wasn't a model. And that these photos were taken after she had been murdered. Now Dallas is on the trail of a killer who's a perfectionist and an artist. He carefully observes and records his

victim's every move. And he has a mission: to own every beautiful young woman's innocence, to capture her youth and vitality—in one fateful shot...

Divided in Death Wander

'This is a story about what might happen when a woman takes charge... A glorious visceral mystery' *The Times* While on her daily walk with her dog in the woods near her home, Vesta comes across a chilling handwritten note. Her name was Magda. Nobody will ever know who killed her. It wasn't me. Here is her dead body. Shaky even on her best days, Vesta is also alone, and new to the area, having moved here after the death of her husband. Her brooding about the note grows quickly into a full-blown obsession: who was Magda and how did she meet her fate? From the Booker-shortlisted author of *Eileen* comes this razor-sharp, chilling and darkly hilarious novel about the stories we tell ourselves and how we strive to obscure the truth.

Praise for Death in Her Hands:

'Routinely hailed as one of the most exciting young American authors working today' *Guardian* 'A new kind of murder mystery' *New Yorker* 'Dark, devious' *Observer* 'A fine line between shocking realism and the absurd' *New Statesman* 'A brilliant off-kilter detective story' *Evening Standard* 'A beautiful novel' *Sunday Times*

Energy of Delusion Penguin

Author Padraig O'Malley is the subject of the new acclaimed documentary *The Peacemaker*. "Impressive . . . [O'Malley] has done a tremendous amount of research about the Israeli-Palestinian conflict." —*The New York Times Book Review* Disputes over settlements, the right of return, the rise of Hamas, recognition of Israel as a Jewish state, and other intractable issues have repeatedly derailed peace negotiations between Israel and Palestine. Now, in a book that is sure to spark controversy, renowned peacemaker Padraig O'Malley argues that the moment for a two-state solution has passed. After examining each issue and speaking with Palestinians and Israelis as well as negotiators directly involved in past summits, O'Malley concludes that even if such an agreement could be reached, it would be nearly impossible to implement given a variety of obstacles including the staggering costs involved, Palestine's political disunity and economic fragility, rapidly changing demographics in the region, Israel's continuing political shift to the right, global warming's effect on the water supply, and more. In this revelatory, hard-hitting book, O'Malley approaches the key issues pragmatically, without ideological bias, to show that we must find

new frameworks for reconciliation if there is to be lasting peace between Palestine and Israel.

New York to Dallas Macmillan

The incomparable J. D. Robb presents the latest moving and suspenseful novel in the #1 New York Times–bestselling Eve Dallas series. In a decrepit, long-empty New York building, Lieutenant Eve Dallas’s husband begins the demolition process by swinging a sledgehammer into a wall. When the dust clears, there are two skeletons wrapped in plastic behind it. He summons his wife immediately—and by the time she’s done with the crime scene, there are twelve murders to be solved. The place once housed a makeshift shelter for troubled teenagers, back in the mid-2040s, and Eve tracks down the people who ran it. Between their recollections and the work of the force’s new forensic anthropologist, Eve begins to put names and faces to the remains. They are all young girls. A tattooed tough girl who dealt in illegal drugs. The runaway daughter of a pair of well-to-do doctors. They all had their stories. And they all lost their chance for a better life. Then Eve discovers a connection between the victims and someone she knows. And she grows even more determined to reveal the secrets of the place that was called The Sanctuary—and the evil concealed in one human heart.

Living Your Dying Penguin

#1 New York Times bestselling author J. D. Robb continues her “sexy and suspenseful” (Publishers Weekly) In Death series in this futuristic thriller in which technology and humanity collide—and a new computer virus has become the latest form of terrorism... Reva Ewing was a former member of the Secret Service, and then a security specialist for Roarke Enterprises—until she was found standing over the dead bodies of her husband, renowned artist Blair Bissel, and her best friend. But Lieutenant Eve Dallas believes there was more to the killing than jealous rage—all of Bissel’s computer files were deliberately corrupted. To Roarke, it’s the computer attack that poses the real threat. He and Reva have been under a code-red government contract to develop a program that would shield against techno-terrorists. But this deadly new breed of hackers isn’t afraid to kill to protect their secret—and it’s up to Lieutenant Eve Dallas to shut them down before the nightmare can spread to the whole country.

Connections in Death Berkley

In this thriller in the #1 New York Times bestselling In Death series, it’s game over for the criminals who cross Lieutenant Eve

Dallas as she investigates the murder of a virtual reality wunderkind. Bart Minnock, founder of the computer gaming giant U-Play, is found in his locked private playroom, in a pool of blood, his head separated from his body. Despite his violent end, Eve can’t find anyone—girlfriend and business partners included—who seemed to have a problem with the enthusiastic, high-spirited millionaire. Of course gaming, like any business, has its fierce rivalries and dirty tricks—as Eve’s husband, Roarke, one of U-Play’s competitors, knows well. But Minnock was not naïve, and he knew how to fight back in the real world as well as the virtual one. Eve and her team are about to enter the next level of police work, in a world where fantasy is the ultimate seduction—and the price of defeat is death...

Concealed in Death Turtleback

Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling In Death series. On one of the city’s hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer’s motivation before another vision becomes another nightmare...

Calculated in Death Random House

In this thriller in the #1 New York Times bestselling phenomenon, Eve Dallas tracks down those who break the law—including the ones sworn to uphold it. Detective Eve Dallas and her partner, Peabody, are following up on a senseless crime—an elderly grocery owner killed by three stoned punks for nothing more than kicks and snacks. This is Peabody’s first case as primary detective—good thing she learned from the master. But soon Peabody stumbles upon a trickier situation. After a hard workout, she’s all alone in the locker room when the gym door clatters open,

and—while hiding inside a shower stall trying not to make a sound—she overhears two fellow officers arguing. It doesn’t take long to realize they’re both crooked—guilty not just of corruption but of murder. Now Peabody, Eve, and Eve’s husband, Roarke, are trying to get the hard evidence they need to bring down the dirty cops—knowing all the while that the two are willing to kill to keep their secret.

The Delusions of Crowds Hill and Wang

A year and a half after the horrific Masonville High mass shooting, Owen is determined to uncover why the Creepers have converged on his land and the school—a necessary step toward his ultimate mission to drive evil forces out of Masonville.

The Delusion St. Martin’s Press

Eve Dallas deals with a homicide—and the holiday season—in this thrilling In Death novel from #1 New York Times bestselling author J. D. Robb. Personal trainer Trey Ziegler was in peak physical condition. If you didn’t count the kitchen knife in his well-toned chest. Lieutenant Eve Dallas soon discovers a lineup of women who were loved and left by the narcissistic gym rat. While Dallas sorts through the list of Ziegler’s enemies, she’s also dealing with her Christmas shopping list—plus the guest list for her and her billionaire husband’s upcoming holiday bash. Feeling less than festive, Dallas tries to put aside her distaste for the victim and solve the mystery of his death. There are just a few investigating days left before Christmas, and as New Year’s 2061 approaches, this homicide cop is resolved to stop a cold-blooded killer.

The Two-State Delusion Penguin

This “disturbing yet fascinating” exploration of mass mania through the ages explains the biological and psychological roots of irrationality (Kirkus Reviews). From time immemorial, contagious narratives have spread through susceptible groups—with enormous, often disastrous, consequences. Inspired by Charles Mackay’s nineteenth-century classic *Memoirs of Extraordinary Popular Delusions and the Madness of Crowds*, neurologist and author William Bernstein examines mass delusion through the lens of current scientific research in *The Delusions of Crowds*. Bernstein tells the stories of dramatic religious and financial mania in western society over the last five hundred years—from the Anabaptist *Madness of the 1530s* to the dangerous *End-Times* beliefs that pervade today’s polarized America; and from the South Sea

Bubble to the Enron scandal and dot com bubbles. Through Bernstein's supple prose, the participants are as colorful as their "desire to improve one's well-being in this life or the next." Bernstein's chronicles reveal the huge cost and alarming implications of mass mania. He observes that if we can absorb the history and biology of this all-too-human phenomenon, we can recognize it more readily in our own time, and avoid its frequently dire impact.
