[Chickens Aren't the Only Ones](#) Bellwether Media

Strong jaws, razor-sharp teeth, exploding gases! Discover some of the super weapons in Earth's animal kingdom.

[The Platypus Spy](#) Anchor Books

A child and a whale embark on a beautiful journey together in this lyrical, gorgeously illustrated picture book about friendship, hope, and love for the world around us in the vein of *The Fisherman & the Whale* and *Cynthia Rylant's Life*. Where land becomes sky and sky becomes sea, I first saw the whale and the whale first saw me. A child joins a friendly whale for a magical journey of discovery. They sail the blue ocean, dance with dolphins, and tail-splash seagulls. But the child also sees an ocean filled with plastic trash. And that inspires a promise of help, for the whale and all earth's creatures.

*Lemurs* Sourcebooks, Inc.

Find out what a platypus has in common with a beaver or a dolphin. Learn what sets a platypus apart from a giraffe or a wild dog. Readers will compare key traits of platypuses—their appearance, behavior, habitat, and life cycle—to traits of other mammals. Charts and sidebars support key ideas and provide details. Through gathering information about similarities and differences, readers will make connections and draw conclusions about what makes this animal a mammal and how mammals are alike and different from each other.

**Platypus** Puffin

You must never touch a platypus... except in this book! This animal-themed touch-and-feel book is perfect for young children. They will love reading the funny rhyme that introduces a selection of weird and wacky-looking animals, such as a narwhal, a chameleon and a platypus!

**Platypus** Living Wild

Platypus wants Bruce's birthday party to be as special as possible. With a little help from his friend Echidna, he makes party hats, a beautiful cake and decorations and it turns out to be a day to remember.

**Platypus!** Random House Books for Young Readers

Through an informative examination of fourteen mammal animals, including the elephant and platypus, young readers can learn how mammal mothers protect, feed, and raise their young in their natural habitats during their offspring's most vulnerable period in life. Simultaneous.
