Vaastu: The Art And  
Science Of Living Sterling  
Publishers Pvt. Ltd  
Understanding the  
Religions of the World  
offers a new approach to  
the study of religion which  
moves away from the  
purely descriptive and  
instead helps students  
understand how religions  
actually 'work'. Covering

all the main faith  
traditions, it combines  
historical context,  
contemporary beliefs and  
practices, and original  
theory, with numerous  
study features and  
valuable overviews. A  
major new student-  
focused textbook  
concentrating on  
contemporary practices  
and beliefs of world  
religions Brings together a  
team of experts to  
provide a uniquely  
comprehensive coverage

of religious traditions,  
including African religions  
and the religions of  
Oceania, which are rarely  
covered in detail  
Integrates original theory  
by arguing that each  
religion operates  
according to its own logic  
and order, and that they  
fulfill our need for a point  
of orientation  
Incorporates extensive  
student features including  
chapter introductions, 'did  
you know?' sections,  
boxed examples/material,

numerous images and maps, conclusions, study questions and teaching plans, available on publication at [www.wiley.com/go/demin](http://www.wiley.com/go/demin)g

**Yoni Shakti** Cambridge University Press  
 A tantric massage practice for awakening and enhancing women's innate sensual, emotional, and spiritual energies • Provides emotional healing by releasing traumatic memories stored in the yoni • Includes exercises that use sexual energy to

cleanse and stimulate the chakras • Empowers women to draw strength and radiant vitality from the restored connection to their innermost core  
 "Yoni" is the Sanskrit word for the female genitalia, describing not only the anatomy but also encompassing the energetic and spiritual dimensions. While a yoni massage offers women the opportunity to enhance their sexuality, Michaela Riedl shows that the effects of this practice are much more profound and have ramifications

affecting every area of life. Long held inhibitions in the West about sexuality and the shame and guilt associated with the sexual zones of the body have created deep-seated barriers that prevent individuals from fully expressing themselves. The practices provided in Yoni Massage are designed to allow women to overcome these barriers and reconnect to their innermost core and deepest feminine nature. Yoni massage is not simply a hands-on

technique but involves the conscious direction of energy throughout the body through deep breathing and visualization. It provides women the ability to cleanse and energetically stimulate the chakras as well as achieve emotional healing by releasing the traumatic pain that often becomes seated in the yoni. The author explains that the relegation of this important spiritual and energetic center to a “private part” hinders the process of enlightenment. Once women are able to

be in touch with their yoni energy, their connection to the entire web of life is restored to its rightful place.

'A meticulous guide not only to the vagina but to changing perceptions of womanhood' OBSERVER

'An empowering and enlightening book' IRISH TIMES The vagina is the ultimate symbol of female power. Sexual power, creative power and the power to prevent harm. For too long, though, the true extent of vaginal

power has been ignored, hidden and misrepresented. Raising the skirt: the unsung power of the vagina reveals this revolutionary view of female genitalia and points the way to a new understanding of what it means to be female. An inspiration for millennia, the vagina is actually a muscular marvel of engineering - sensitive and strong, fluid and flexible. Far from being a passive vessel, female genitalia control the most important role of all: the survival of the

species. Originally published as THE STORY OF V: OPENING PANDORA'S BOX Goddessess [sic] in Ancient India Inner Traditions / Bear & Co A Beautiful Body Project: The Bodies of Mothers First in a series of books with a strong media platform of truthful photographs and stories to celebrate the irreplaceable beauty of women and the body positive movement happening all over the world. A Beautiful Body Project is an upcoming

series of book volumes and an online media platform dedicated to women and body image, celebrated through the sharing stories about motherhood, aging, cancer, stillbirths, miscarriages, weigh-gain, weight-loss, dysmorphia, and beyond. Founder Jade Beall has been a photographer, a massage therapist, and an inspiring dance teacher for women for over a decade. Her work is touching thousands of lives around the world. This book, along with all subsequent

volumes, will feature my signature non-digitally-augmented & no-air-brushing images of women, just as they are. This is the heart of the project, to reshape images of women in mass media, to celebrate us as us, nothing more, nothing less. The Beautiful Body Pledge - which in turn sums up the purpose of the book series - is as follows: I want to join the movement and agree to love my body more and more each day, to use kind words towards myself and towards other

women, to be a role-model for future generations of mothers, and to choose to be empowered knowing that I am not alone, and that by coming together, we can reshape body image in mass-media, build self-esteem, and explore vulnerability as a collective. Jade Beall is a world-renowned Photographer specializing in truthful images of women to inspire feeling irreplaceably beautiful as a counter-balance to the airbrushed photo-shopped imagery that dominates

mainstream media. Her recent work A Beautiful Body Project has touched 100,000's of women's lives and garnered global attention from media outlets including the BBC, The Huffington Post & beyond. Jade's book series and media platform feature untouched photos of women alongside their stories of their journeys to build self-esteem in a world that thrives off women feeling insecure. Jade's dream is to inspire future generations of women to be free from the unnecessary self-

suffering and embrace their beauty just as they are.

Presents an analytical study of Indian culture and society, with the chief aim of identifying the origins of the nation's problems.

The Yoni Coloring Book: For Your Inner and Outer Goddess Abhinav Publications

The Mystery of Woman is a dynamic, groundbreaking and deeply thought-provoking book that compiles the perspectives of more than 30 different authors, men and women. It tackles everything under the sun when it comes to understanding women and navigating the tricky waters of relationships: from love to romance, dating, masculine and feminine energies, sexuality, spirituality, tantra, communication, emotions, the suppression of women, the power of

the masculine and much more. The Mystery of Woman features writings from Gabriel Morris, author of Kundalini and the Art of Being; Alice Grist, author of The High-Heeled Guide to Enlightenment; prominent yoga figure Dashama Konah; an interview with Maya Yonika, main character in the movie Sex Magic: Manifesting Maya; and many other leading figures in the realms of relationships, spirituality and sexuality. *The Speaking Tree* Random House Trade

### Paperbacks

Yoni is the Sanskrit word for womb or sacred passage-and what better way to consider this most sacred part of a woman's body than in this goddess-like aspect? With 22 different hand-drawn designs by artist H.L. Brooks, this coloring book celebrates the yoni both as a symbol of womanhood and also as a highly individual form-unique to every woman and each beautiful in her own way. The pages are printed on the front side only, allowing you to use

markers, gel pens, or watercolors as well as colored pencils or crayons, and each intricately drawn yoni is presented on a plain background, waiting for your creative touches (stars, rainbows, paisley patterns, hearts, or what-have-you).

Shortlisted for the 2023 Andrew Carnegie Medal for Excellence in Nonfiction and the PEN/E.O. Wilson Literary Science Writing Award A New York Times Editors'

Choice A Science Friday Best Science Book to Read This Summer A myth-busting voyage into the female body. A camera obscura reflects the world back but dimmer and inverted. Similarly, science has long viewed woman through a warped lens, one focused narrowly on her capacity for reproduction. As a result, there exists a vast knowledge gap when it comes to what we know about half of the bodies on the planet. That is finally changing. Today, a new generation of

researchers is turning its gaze to the organs traditionally bound up in baby-making—the uterus, ovaries, and vagina—and illuminating them as part of a dynamic, resilient, and ever-changing whole. Welcome to *Vagina Obscura*, an odyssey into a woman’s body from a fresh perspective, ushering in a whole new cast of characters. In Boston, a pair of biologists are growing artificial ovaries to counter the cascading health effects of menopause. In Melbourne, a urologist

remaps the clitoris to fill in crucial gaps in female sexual anatomy. Given unparalleled access to labs and the latest research, journalist Rachel E. Gross takes readers on a scientific journey to the center of a wondrous world where the uterus regrows itself, ovaries pump out fresh eggs, and the clitoris pulses beneath the surface like a shimmering pyramid of nerves. This paradigm shift is made possible by the growing understanding that sex and gender are not

binary; we all share the same universal body plan and origin in the womb. That’s why insights into the vaginal microbiome, ovarian stem cells, and the biology of menstruation don’t mean only a better understanding of female bodies, but a better understanding of male, non-binary, transgender, and intersex bodies—in other words, all bodies. By turns funny, lyrical, incisive, and shocking, *Vagina Obscura* is a powerful testament to how the landscape of

human knowledge can be rewritten to better serve everyone.

Dr. Agrawala S Present Work Largely Represents His Ph.D. Thesis (Approved By The Banaras Hindu University) In A Revised Up-To-Date Form. He Has Brought Out A Most Comprehensive And Thorough Analysis Of The Material On The Worship Of Goddesses In The Proto-Historic And Vedic Periods Of India. A Vast Amount Of

Archaeological Evidence Is Carefully Sifted And Analysed By Him In A Truer Cultic Perspective As Throwing New Light On The Role Of Mother-Goddesses In The Protohistoric Cultures Ranging From Small Agricultural Communities Of Baluchistan Foothills To The Highly Developed Harappans. Dr. Agrawala Has Also Identified And Discussed In A Systematic Manner Varied Motifs And Concepts Of Fertility Cultus In The Rgveda And Later Vedic Texts Which Were Subsequently

Formulated Into Definite Images, Personifications And Attributes. He Has Marshalled In A Fully Objective Treatment All Those References In The Vedic Literature That Go Now To Reveal Numerous Fresh Aspects Of This Hitherto Unexplored Subject. One Is Able Indeed To See Through The Present Work How The Rgvedic Goddesses, Mostly Abstractions, Later On Assumed Mythical Definitions In The Pantheon And How The Folk Culture Of India

Exercised Its Far-Reaching Influences On Higher Priestly Religion Not Only By Contributing Its Own Share Of Goddesses But Also Through Their More Concrete Identification With The Already Existing Ones In Myths And Cult Rituals.

Staying Local in the Global Village Notion  
Press

In the early 1970s, a number of West German left-wing activists took up arms, believing that revolution would lead to social change. In the years to come, the

bombings, shootings, kidnappings and bank robberies of the Red Army Faction (RAF) and Movement 2nd June dominated newspaper headlines and polarized legislative debates. Half of the terrorists declaring war on the West German state were women who understood their violent political actions to be part of their liberation from restrictive gender norms. As women participating in a brand of systematic violence usually associated with masculinity, they

presented a cultural paradox, and their political decisions were viewed as gender transgressions by the state, the public, and even the burgeoning women's movement, which considered violence as patriarchal and unfeminist. Death in the Shape of a Young Girl questions this separation of political violence from feminist politics and offers a new understanding of left-wing female terrorists' actions as feminist practices that challenged existing gender

ideologies. Patricia Melzer draws on archival sources, unpublished letters, and interviews with former activists to paint a fresh and interdisciplinary picture of West Germany's most notorious political group, from feminist responses to sexist media coverage of female terrorists to the gendered nature of their infamous hunger strikes while in prison. Placing the controversial actions of the Red Army Faction into the context of feminist politics, *Death in the Shape of a Young Girl*

offers an innovative and engaging cultural history that foregrounds how gender shapes our perception of women's political choices and of any kind of political violence.

### **Understanding the Religions of the World**

NYU Press

Vaastu Shaastra is the art and science of living a happy and contented long life. In the modern-day world of high-speed technology, many diseases are arising out of faulty lifestyles. Classical principles of Vaastu Shaastra describe the ancient way of living which need modifications in the present-day

context. This book is an intelligent amalgamation of the ancient practice of Vaastu living and modern technologies of house building and architecture. It offers an introduction to Vaastu Shaastra, systematising and standardising its techniques and methodologies. The book has been divided into three sections. The first section has been devoted to the understanding of the key concepts, principles and forces of Vaastu that exert an influence on any given

space. The second section of the book reveals how to create heaven on earth; right in your home. It shows how we can achieve internal peace by first achieving external peace in the house. The third section is related to the day-to-day use of Vaastu. One chapter has been devoted to Vaastu of workplace which, in many aspects, is different from residential Vaastu. This book has been written according to the established principles of Vedic Astrology; an inevitable part of Vaastu

Shaastra. The effect of the nine planets is considered in Astrology while mainly the effect of planet earth is taken in Vaastu. Astrology depends on dashas (Planetary Periods) while Vaastu depends on dishas (Directions), Jyotish assumes the existence of Kaal Purush (Time Personified) while Vaastu assumes the existence of Vaastu Purush (Space Personified). The book incorporates current knowledge of building science to explain the ancient wisdom of Vaastu

Shaastra only to bridge the gap between ancient traditions and modern way of thinking. No attempt has been made to transgress into the other parallel systems known as Feng Shui and Pyramidology, which require totally separate study. The work is meant primarily for those who want to learn Vaastu from the very beginning and pursue it seriously in a scientific manner. The book will also serve as a stepping-stone for those who intend to indulge in hitherto unexplored areas

of Vaastu Shaastra like suitability of certain directions for certain activities, hidden meanings of Vaastu Purush; forty-five demi gods; ten dikpalas; three energies and Panchmahabhootas, predicting the fate of a house and its inhabitants through Vaastu kala, etc. Found Sculpture and Photography from Surrealism to Contemporary Art John Wiley & Sons  
In this courageous and radical book, Uma Dinsmore-Tuli explores

the sexual politics of yoga from a perspective that sees women's spiritual transformation as the most revolutionary force. *Rajasthan* W. W. Norton & Company  
Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on

Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices. *The Hardest Place* Routledge  
COLBY AWARD WINNER • "One of the most important books to come out of the Afghanistan war."—Foreign Policy "A saga of courage and futility, of valor and error and heartbreak."—Rick Atkinson, author of the Liberation Trilogy and *The British Are Coming* Of the many battlefields on

which U.S. troops and intelligence operatives fought in Afghanistan, one remote corner of the country stands as a microcosm of the American campaign: the Pech and its tributary valleys in Kunar and Nuristan. The area's rugged, steep terrain and thick forests made it a natural hiding spot for local insurgents and international terrorists alike, and it came to represent both the valor and futility of America's two-decade-long Afghan war. Drawing on reporting

trips, hundreds of interviews, and documentary research, Wesley Morgan reveals the history of the war in this iconic region, captures the culture and reality of the conflict through both American and Afghan eyes, and reports on the snowballing missteps—some kept secret from even the troops fighting there—that doomed the American mission. The Hardest Place is the story of one of the twenty-first century's most unforgiving

battlefields and a portrait of the American military that fought there.

Goddess Images Are Omnipresent Within The Cultural Fabric Of India, Yet Most Indians Are Unaware Of Uplifting Meanings These Images Convey. In The Book, Images Of Indian Goddesses,. Dr. Madhu Bazaz Wangu Explains The Emergence Of Indian Goddesses Within The Changing Social, Political

And Cultural Environment From The Prehistoric To The Present Times And Explains Their Metaphysical Meanings. Why Are Hindu Goddesses Paradoxical In Nature? Why Are They Portrayed As Erotic And Maternal Simultaneously? Why Do They Have Multiple Arms? Why Do Some Of Them Have Their Own Vehicle (Vahana) And Some Do Not? Why Are Such Images Portrayed On The Popular Calendar-Posters? The Book Answers Such Questions And Helps The Reader

Understand Their Meanings. The Goddesses Discussed Range From The Devoted Sita To The Sinister Kali; From The Warrior Durga To The Auspicious Shri Lakshmi; From The Erotic Radha To The Serene Sarasvati And Many Others. Dr. Wangu Firmly Feels That If Experienced Hindu Goddesses Have A Potential For Stimulating The Onlooker'S Innermost Self. Experiencing Goddess Imagery Uplifts This Worldly Life And Ponders The Nature Of The Other -Worldly

Existence. Furthermore, The Book Argues That The Goddesses Are Stimulating And Empowering Models Not Only For Indian Women But For All. Images Of Indian Goddesses Helps A Common Person Understand And Appreciate The Bewildering Number Of Female Images Expressed In India'S Sacred Art. The Book Is Not Only Absorbing And Inspiring, It Also Offers A Visual Treasury Of Goddess Art Images. Its Text Is Food For The Mind And The

Illustrations Are A Feast For The Eyes.  
The Mystery of Woman  
Indiana University Press  
An astonishing new work that radically changes how we think about, talk about and understand the vagina - and consequently how we think about women and sexuality - from Naomi Wolf, one of our most respected cultural critics and author of the modern classic, *The Beauty Myth*. As Naomi Wolf embarks on a life-changing journey to tease out the link between sexuality and creativity,

what she discovers is revelatory and exhilarating - a scientifically supported link between the vagina and female courage, assertiveness and consciousness itself. Emboldened by these new discoveries she looks back in history and show us how the vagina was considered sacred for centuries until it began to be cast as a threat. Even now in an increasingly sexualised world, it is thought of as slightly

shameful. Why? **Vagina: A New Biography** combines cutting-edge science with cultural history to explore the role of female desire and how it affects female identity, creativity and confidence. Provocative and engaging, positive and inspiring, this book brings to light female impulses, history and dreams - and, in exploring what women really need - it goes to the very core of what it means to be female. For any woman who wants to understand her body and her mind

and the culture that defines her - **Vagina** is essential reading.
