From the creator of the
popular website Ask a
Manager and New York's
work-advice columnist
comes a witty, practical
guide to 200 difficult
professional

conversations—featuring
all-new advice! There's a
reason Alison Green has
been called “the Dear
Abby of the work world.”
Ten years as a workplace-
advice columnist have
taught her that people
avoid awkward
conversations in the office
because they simply don't
know what to say.
Thankfully, Green
does—and in this
incredibly helpful book,
she tackles the tough

discussions you may need
to have during your
career. You'll learn what
to say when • coworkers
push their work on
you—then take credit for
it • you accidentally trash-
talk someone in an email
then hit “reply all” •
you're being
micromanaged—or not
being managed at all •
you catch a colleague in a
lie • your boss seems
unhappy with your work •
your cubemate's loud

speakerphone is making you homicidal • you got drunk at the holiday party
 Praise for Ask a Manager
 “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review)
 “The author’s friendly, warm, no-nonsense writing is a

pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review)
 “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence,

and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide
 “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

 What an incredible book this is! Within its pages the author somehow

manages to combine self-help, inner healing, be motivational, and inspirational. What's more this book is suitable for all ages, genres, and professions, something I find unique. Through the sharing of personal experiences with her reader, and the incorporation of a fictitious story about a cat called Delilah, her surroundings, and life, the reader is encouraged to open their eyes to their world, look forward with a positive attitude, and embark on a journey of

self-discovery. From the moment we are 'aware' we absorb the information around us via other people. We learn, to discover things about our world and environment, listen to the expectations and limitations others put on us. Now, through this enlightening book we each have the tools we need to unlock our dreams, reach our full potential, and then grow, taking one day at a time to discover the real us. We learn how to unburdening ourselves of the concepts and

restraints of others, and truly become who we want to be. From a very early age the author knew she had a strong affinity with the spirit world and animals. Her work has enabled her to recognise these gifts and her strength of character has led her to write her books. In fact her first published novel, How I Became a Dragon was inspired by her experiences whilst working in the Republic of Congo as Project Director for the Wildlife Conservation Society (WCS) in the Sangha Tri-

National landscape. However, as she points out, if you are searching for God and enlightenment, it is not hidden in these pages. The purpose of this book is to, through telling her story, and talking about poignant moments in her life, which have opened her eyes to her true self, she hopes to inspire her readers to do the same. To aid in this, the book's chapters focus on life experiences and at the end of each there is the opportunity for the reader to express their thoughts

and experiences on each topic on the activity pages. These pages eventually combined to reveal their own unique journey. However, the author is keen to point out, our journey does not end there, because life is a continual adventure and the quest to discover new things about ourselves is constantly evolving each and every day. In Conclusion: This book contains the key to opening your own mind into the possibilities which await you. Within, the author gives her reader

the tools they require to move forward positively, with true self-belief, and the knowledge that they are 100% in control.

 From the acclaimed Beat
 Generation author of *Go*:
 The classic jazz novel of
 New York's bebop scene
 and a brilliant musician's
 tragic fall. Edgar Pool
 came up with the big
 bands. He spent the
 1930s crisscrossing the
 country, playing in only
 the finest dance halls. In
 those days, a saxophone
 player was expected to
 stay on the beat, to swing

without getting too hot.
 But Edgar—whom the
 young men called “the
 Horn”—couldn't help but
 rebel. His sound was
 always far-out, never
 pedestrian. When the
 bebop revolution came,
 Edgar was recognized as
 one of the vanguard. But
 by then it was already too
 late; the world had passed
 the Horn by. This is the
 story of jazz in the
 transition years between
 swing titans Coleman
 Hawkins and Lester Young
 and bop innovators
 Charlie Parker and Dizzy
 Gillespie. Rich in the

details of a musician's
 life—the grind of the road;
 the flash of inspiration;
 the seduction of booze,
 drugs, and willing
 women—it is also a heart-
 wrenching portrait of the
 price an artist pays for
 being ahead of his time.
