 Pageant Houghton Mifflin College Division
The American Pageant Cengage Learning
 THE AMERICAN PAGEANT enjoys a
 reputation as one of the most popular,
 effective, and entertaining texts on
 American history. The colorful anecdotes,
 first-person quotations, and trademark wit

bring American history to life. The 16th
 edition includes a major revision of Part
 Six (the period from 1945 to the present),
 reflecting recent scholarship and providing
 greater thematic coherence. The authors
 also condensed and consolidated material
 on the Wilson presidency and World War I
 (formerly Chapters 29 and 30) into a new
 single chapter. A new feature,
 "Contending Voices," offers paired quotes
 from original historical sources,
 accompanied by questions that prompt
 students to think about conflicting
 perspectives on controversial subjects.
 Additional pedagogical aids make THE
 AMERICAN PAGEANT accessible to

students: part openers and chapter-ending
 chronologies provide a context for the
 major periods in American history, while
 other features present additional primary
 sources, scholarly debates, and key
 historical figures for analysis. Available in
 the following options: THE AMERICAN
 PAGEANT, Sixteenth Edition (Chapters
 1-41); Volume 1: To 1877 (Chapters 1-22);
 Volume 2: Since 1865 (Chapters 22-41).
 Important Notice: Media content

 or the product text may not be available in
 the ebook version.
[Saving America's Cities](#) Houghton Mifflin
 College Division

This comprehensive primary source reader focuses on political, diplomatic, and social history, presenting a rich collection of documents and images that includes travel literature, religious sermons, newspaper articles, court testimony, diary entries, and political cartoons. An ideal companion for the sixteenth edition of THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Its Possible Future and Its Present Crisis Cengage Learning

Combines a biography of M. Sanger with a social history of the birth control movement.

American Pageant Houghton Mifflin Primary source documents, often accessible only in musty archives, are the raw material from which historians craft their stories. The American Spirit is a virtual archive where students can touch the evidence deposited by the living, breathing, often conflicted and frequently contentious men and women who lived and shaped America's past.

The new edition of American Pageant, the leading program for AP U.S. history, now reflects the redesigned AP Course and Exam that begins with the 2014-2015 school year. The 16th edition helps prepare students for success on the AP Exam by 1) helping them practice historical thinking skills, pulling together concepts with events, and 2) giving them practice answering questions modeled after those they'll find on the exam. The new edition adds a two-page opener/preview to every chapter, guiding students through the main points of the chapter and using questions and elements tied to the AP Curriculum Framework to help them internalize the chapter more conceptually. Also new are additional End-of-Part multiple-choice and short answer questions reflecting the changes to the exam. Practice DBQs and other free response essay questions will still be found at the back of the book.

Winner of the Bancroft Prize In twenty-first-century America, some cities are flourishing and others are struggling, but they all must contend with deteriorating infrastructure, economic inequality, and unaffordable housing. Cities have limited tools to address these problems, and many must rely on the private market to support the public good. It wasn't always this way. For almost three decades after World War II, even as national policies promoted suburban sprawl, the federal government underwrote renewal efforts for cities that had suffered during the Great Depression and the war and were now bleeding residents into the suburbs. In *Saving America's Cities*, the prizewinning historian Elizabeth Cohen follows the career of Edward J. Logue, whose shifting approach to the urban crisis tracked the changing balance between government-funded public programs and private interests that would culminate in the neoliberal rush to privatize efforts to solve entrenched social problems. A Yale-trained lawyer, rival of Robert Moses, and sometime critic of Jane Jacobs, Logue saw renewing cities as an extension of the liberal New Deal. He worked to revive a declining New Haven, became the architect of the “New Boston” of the

1960s, and, later, led New York State's Urban Development Corporation, which built entire new towns, including Roosevelt Island in New York City. Logue's era of urban renewal has a complicated legacy: Neighborhoods were demolished and residents dislocated, but there were also genuine successes and progressive goals. Saving America's Cities is a dramatic story of heartbreak and destruction but also of human idealism and resourcefulness,

opening up possibilities for our own time. *The American Spirit: U.S. History as Seen by Contemporaries, Volume II* Wadsworth Publishing Company
