When men's club owner Tamaki closes up, he's surprised to find a battered man lying out front in the open. Responding to the man's fear and need, he picks up the stray and takes him home to bind his wounds. It soon becomes all-too apparent that Kouta is much more like a stray, beaten down puppy than even Tamaki had first realized, but it also becomes rather apparent that Kouta feels more than mere gratitude. Is it only pity that Tamaki's generous nature feels tugging at his heart strings, or has the stray Kouta found his home?

Ranver Von Askhan - Band 2 - Kriegsgelüste Simon and Schuster

"When Fern Douglas sees the news about Astrid Sullivan, a thirty-four-year-old missing woman from Maine, she is positive that she knows her. Fern's husband is sure it's because of Astrid's famous kidnapping - and equally famous return - twenty years ago, but Fern has no memory of that, even though it happened an hour outside her New Hampshire hometown, where she's returning for the week to help her father pack for a move. And when Astrid appears in Fern's recurring nightmare, one in which a girl reaches out to her, pleading, Fern fears that it's not a dream at all, but a memory. Back home in New Hampshire, Fern purchases a copy of Astrid's recently published memoir Behind the Red Door- which may have provoked her original kidnapper to abduct her again- and as Fern reads through its chapters, visits the people and places within it, she discovers more evidence that she has an unsettling connection to the missing woman. As her search becomes increasingly desperate, she hopes to remember her past so she can save Astrid in the present--before it's too late"--

Das zweite Band der Ranver von Askhan Trilogie. Der Anfang des Krieges gegen die Elfenvölker,dreizehn Jahre zuvor. Ashthurk, die Hauptstadt der Nordlande, ist aufgrund der rar gewordenen Wachen besetzt von Jugendbanden. Nalmohr, die größte davon, wird von einem skrupellosen Jungen angeführt, der weder Gnade, noch Angst kennt. Er ist gefürchtet als der `Feuergott` und macht seinem Namen alle Ehre. Einzig und allein das Oberhaupt der zweitgrößten Bande, den Satury, den jeder als den `Eisdrachen` kennt, bietet ihm seit Jahren die Stirn. Die beiden Anführer verbindet eine innige Hassliebe, doch eines Tages taucht ein Fremder in der Stadt auf und eröffnet den Beiden aussergewöhnlichen Jungen den Weg des

legendären Okhai Kriegers. Von diesem Tag an ist nichts mehr wie es war, denn während Elyhan, der Eisdrache, dem Meister folgt, verbleibt Ranver, der Feuergott, in der Stadt und verfälltseinem narzisstischen Wahnsinn...

Straight and macho Taki partners with feminine and gay Goh to form an expert team of bandits hired by the police to steal from the mafia. In July of 2005, DMP introduced one of the most popular creator & ground-breaking series: YELLOW to the yaoi industry, cementing Tateno as a yaoi fan favorite. Finally, Makoto Tateno has created a mini sequel series starring her two beloved characters, which have never been published in print, until now!

*Yellow 2 Episode 1*

Boys Love Manga and Beyond looks at a range of literary, artistic and other cultural products that celebrate the beauty of adolescent boys and young men. In Japan, depiction of the “beautiful boy” has long been a romantic and sexualized trope for both sexes and commands a high degree of cultural visibility today across a range of genres from pop music to animation. In recent decades, “Boys Love” (or simply BL) has emerged as a mainstream genre in manga, anime, and games for girls and young women. This genre was first developed in Japan in the early 1970s by a group of female artists who went on to establish themselves as major figures in Japan’s manga industry. By the late 1970s many amateur women fans were getting involved in the BL phenomenon by creating and self-publishing homoerotic parodies of established male manga characters and popular media figures. The popularity of these fan-made products, sold and circulated at huge conventions, has led to an increase in the number of commercial titles available. Today, a wide range of products produced both by professionals and amateurs are brought together under the general rubric of “boys love,” and are rapidly gaining an audience throughout Asia and globally. This collection provides the first comprehensive overview in English of the BL phenomenon in Japan, its history and various subgenres and introduces translations of some key Japanese scholarship not otherwise available. Some chapters detail the historical and cultural contexts that helped BL emerge as a significant part of girls’ culture in Japan. Others offer important case studies of BL production, consumption, and circulation and explain why BL has become a controversial topic in contemporary Japan.
