Strategies for transforming a toxic church culture Why is it that the best strategic plans and good leadership often are not able to move churches in the desired direction? Sam Chand contends that toxic culture is to blame. Quite often, leaders don't sense the toxicity, but it poisons their relationships and derails their vision.

This work describes five easily identifiable categories of church culture (inspiring-accepting-stagnant-discouraging-toxic), with diagnostic descriptions in the book and a separate online assessment tool. The reader will be able to identify strengths and needs of their church's culture, and then apply practical strategies (communication, control and authority, selection and placement of personnel, etc.) to make their church's culture more positive. Discusses how to diagnose the state of a church's culture Reveals what it takes to put in place effective strategies for creating a more positive church culture Author served on the board of EQUIP (Dr. John Maxwell's Ministry), equipping five million leaders world-wide. This important book offers a clear guide for understanding and recreating a healthy church culture.

The Code Book: The Secrets Behind Codebreaking William Morrow

The book of Revelation encoded information and astrological data into a text whose mysterious symbols and dramatic storyline have fascinated and confused scholars and religious people for 2,000 years. This groundbreaking study demonstrates that the book of Revelation's ancient author(s) possessed extensive and sophisticated knowledge of the sky and the patterns therein that influenced the text's most dramatic prophecies, which were all based on observation of past events and calculations of future patterns. Don Cerow scientifically explains the astronomical facts of the vernal equinox and its changing relation to various stars and constellations. These various alignments and intersections

herald great changes in the development of our planet. We learn how various historical events reflected certain astronomical alignments in the past and how we may anticipate the effects of such events in the future. The book includes numerous tables and black-and-white illustrations.

"It's All Under Control is the gift your soul has been desperately seeking—to feel how His arms of love are under you, carrying you though it all." —Ann Voskamp, New York Times bestselling author of *The Broken Way* and *The Greatest Gift* It's time to get our

control under control. Jennifer Dukes Lee never thought she struggled with control. As long as everything went exactly the way she wanted it to, she was totally flexible. But then Jennifer discovered what happens when you try to wrap your arms around everything, thinking it's all on you: You get burned out on hustle. You toss and turn more at night, and you laugh less during the day. You're so busy—caring, serving, working, and trying so hard—that you can't even hear God's voice anymore. It's *All Under Control* is a book for every woman who is hanging on tight and trying to get each day right—yet finding that life often feels out of control and chaotic. Join Jennifer on the journey of learning how to: Overcome the anxieties and worries that burden your heart Prioritize your busy life so you can make choices that align with God's best for you Find freedom through a new "Do, Delegate, or Dismiss" approach to your daily tasks Let go of what God has not asked you to do, so you can shine at what he has Discover a new way of living that will free you to be you, and finally experience the peace of knowing a God who truly has it all under control.

Lord, Teach Me to Pray for Kids Harvest House Publishers

"The Bible has only one encrypted part that says: "The words are closed up and sealed till the time of the end" (Daniel 12:9). The author read many different Bible translations from "Genesis" to "Revelation" searching for the hidden "key" to open that last-day Bible-code. Discovering the "key" in 1974, he realized it was

hidden because it applies today-especially for this significant time of history. It not only proves Jesus is the Messiah, the "sacrificial Lamb of God" and identifies the Abomination of Desolation that Christ warned us of, but defines the exact boundaries of earth's participation in the cosmic conflict between good and evil-these points are greatly misunderstood and subjects of controversy among most major religions. One minister who read an advanced copy of *The Wise Shall Understand* said: "We have been reading the Bible with grandpa's glasses on." How true! And this author requests you read this publication with spiritual enlightenment, allowing God to impress you with facts that have been overlooked yet are validated in the Bible. Today our society is overwhelmed with hatred, agnosticism, rebellion, atheism, and "a zeal for God but not according to godliness." World condition mandates this important message be made available to the public so the author paused in his missionary work in Latin America to have it published in book form.

Cracking the Apocalypse Code Wiley

This book taps into popular culture's insatiable appetite for the supernatural. Written in a popular style, Heaven and the Afterlife touches on many topics related to life after death, including amazing near-death experiences, accounts from the Bible, testimonies, theories, and what some of the world's religions believe. It will demystify the afterlife with information about heaven, hell, ghosts, angels, near-death experiences, and much more, helping readers gain a solid understanding of the often-confusing subject of life after death. The book culminates by presenting Jesus as the answer to eternal peace and how readers can spend eternity with him. Garlow and Wall write not only for believers, but also for seekers or anyone looking for straight, simple answers to the fascinating subject of the world beyond this life.

Contains: Equidistant letter sequences in the book of Genesis / Doron Witztum, Eliyahu Rips, and Yoav Rosenberg.

Cracking the End Time Code Simon and Schuster

Cracking the Bible Code is the true account of the most amazing scientific research ever undertaken. References to important names, dates, and historical events have been found encoded in the book of Genesis. No individual could have known this information from what grew in the garden of Eden to details of the Gulf War. Mystics and sages have long held that these codes existed, proving God's direct hand in all that was and is to be. Incredible? Yes. But some of today's greatest scientific minds have been unable as yet to disprove the codes. If the codes are genuine, they will forever change our view of God, faith, and our fate. Cracking the Bible Code explores the extraordinary possibilities and the furor surrounding the codes in a riveting story that is equal parts holy quest, Byzantine intrigue, and cutting-edge science.
