SCHMIDT TYRONE

Baby, It's Cold Outside Createspace Independent Publishing Platform

I'm not a perfect man. Who of us can claim that? But for those of you who might think I'm a cheater, a liar, an abuser, you don't know what you're talking about. There's more to my story than you realize. You've heard Miranda's story. Now it's time you heard mine. -Mason

Burned Albert Whitman & Company

Would you recognize true love if it sat down next to you? In this unforgettable new spinoff of the Billionaire books from New York Times bestselling indie author Melody Anne, two strangers must look past their painful memories to make way for everlasting love. Alyssa's modeling career came to an abrupt end when her manager boyfriend emptied her bank account and ruined her professional reputation. Now she's heading to a new town in Montana to rebuild her life—if she can even get there (stupid delayed planes!). But things are looking up when she's upgraded to first class and a mysterious stranger sits down next to her...

Jackson Whitman doesn't believe in love, or commitment, or forever—not since he lost his wife and daughter. But the beautiful woman sitting next to him at the gate has him rethinking that position. Can he convince her to be his for the night? Or will she convince him to be hers for a lifetime?

Stolen Innocence Independently Published

Damien Whitfield lost his father when he was an infant, and then lost his mother when he was a young teenager. The only thing his mother left him was a thirst for vengeance. On her deathbed she made him promise to seek revenge for those she held responsible for her death. Damien grows up fast and conquers the business world, going from a homeless boy to a billionaire bachelor. He has no time for love in his quest for righting wrongs of the past. What he doesn't know is that love isn't something he can hide from. Sierra grew up with a monster of a father after losing her mother at the tender age of six. Her dad punishes her for sins he assumes his deceased wife made against him. Finally, her father does a business deal with Damien Whitfield, selling Sierra to the highest bidder. Damien and Sierra may both be running from old demon's and forging ahead to what they think are their perfect futures, but fate has a way of changing

everything. Take the journey with Damien and Sierra as they fight a passion that won't be denied.

The Lost Tycoon Montlake Romance

A Mighty Girl's 2020 Books of the Year The true story of the unconventional woman and her enduring song about the spirit of America. Katharine Lee Bates first wrote the lines to "America the Beautiful" after a stirring visit to Pikes Peak in 1893. But the story behind the song begins with Katharine herself, who pushed beyond conventional expectations of women to become an acclaimed writer, scholar, suffragist, and reformer. Katharine believed in the power of words to make a difference, and in "America the Beautiful," her vision of the nation as a great family, united from sea to shining sea, continues to uplift and inspire us all.

I Survived the Attack of the Grizzlies, 1967: A Graphic Novel (I Survived Graphic Novel #5) Vintage

Every master was once a student - every woman was once a child ... What makes a person forget their entire identity? What makes them become someone else? What makes them desire pain ... control ... and ultimately pleasure? It's not anything that happens overnight, over even in a few weeks. Tragedy beyond what a human can possibly imagine will forever alter Mary's future. Mary's life is boring, conservative and typical. She wants adventure, thrills and so much more. But she will soon learn to be careful what to wish for when she's taken against her will and thrust into the twisted world of a powerful man who doesn't care if she lives or dies. When Mary starts becoming Elena, she does find a savior, but is he truly the person who will protect her, or will he be the one to escort her straight into the pits of hell? Forgetting who she is or where she belongs, she learns she can trust no one, rely on only herself, and fall further than she ever thought possible. She will become someone else and the cycle will begin. She will become the person who will eventually change the life of so many others. Some might say the change is good, the violence is necessary. And some will cry for this tragedy that should have been stopped. Just when you think you know how it all came about, how it will end, you will be floored again by who can be trusted ... and who can't. Note from the author: This book isn't anything like what I've written before. I had a dream, the opening scene of this book, actually. And I woke up and lay there for a while, and still couldn't push it away, so I got up, wrote the first chapter. Then I lay back down and was back out of bed within fifteen minutes, where I gave up on sleep and sat at my computer all night and all the next day until my eyes wouldn't stay open anymore. Then for the next week, all I did was eat and sleep (minimally) and the first draft was born. I was so emotionally drained from it, I put it away for a month, and then came back to it and went back into the world of Elena. My question was, what makes someone enter into a lifestyle of BDSM? What makes them enjoy pain? Enjoy being degraded? Then I realized, it's not a matter of enjoyment necessarily. It's a matter of your world spinning out of control. And this is a way to ground yourself. Elena has become so special to me. The first book is tragic and I cried several times while writing it. The second book, she starts to find herself, and in the third book ... well, the third book leaves your mouth hanging open. I hope you enjoy this journey with me. It's been an emotional one. This book is intended for mature audiences only. There are explicit scenes of abuse, language and questionable sexual situations. Eighteen and older only. This story is about a woman so abused she turns into a person most wouldn't even fathom becoming.

This is the second book in the 'Baby for the Billionaire' series. Drew Titan decides it is time to take a vacation at one of his exotic resorts, and ends up literally running into Trinity Mathews

while he is surfing. They end up having a steamy romance over the weeklong vacation, until she finds out he is the resort's owner, and had lied to her. She has sworn off all business men, since she couldn't seem to find one who knew how to remain faithful to her, which is what landed her at the resort in the first place. She goes back home to discover that her first impulsive thing she has done in her life has left her pregnant and alone, that is until Drew finds her and will not go away until she agrees to marry him. Come enjoy the adventures Drew and Trinity take together in this fun filled story that has love, passion, fighting, and making up. Drew's cousins Derek and Ryan add humor and even more love to the adventure, and will leave you wanting a hunk of your own.

Hot in Hellcat Canyon Indiana University Press

I understand how adultery happens. I know, your first thought is "Of course you can - you're a cheater." That's true, but that's certainly not the whole story. That's always what a cheater says, right? Once again, you are correct. If you're looking for a typical romance, then run - run far. After ten years of marriage I realized my husband barely touched me anymore. There was the obligational monthly sex, but even that was starting to fizzle. I was twenty-nine and he was thirty-two. We should've been doing it like bunnies, night and day, or at least a couple times a week, to be more realistic. But that hadn't happened in years. It didn't hit me until I'd been gone a couple of weeks. Then when I got home we both fell asleep that night, me snuggled up against his back like we always slept. But that's all we did. We just ... slept. No big deal you say? Wrong. It was a very big deal. It was the night I realized we had a real problem. I have a choice to make, but I'm so torn. Do I stay where I'm at or do I go with Kaden, with the man who's showing me I still have a lot to live for ...

The Tycoon's Revenge Createspace Independent Pub

George Anderson lost his wife five years ago, and then his family fell apart. He needs to make a drastic change to bring his family back together. He gets together with his twin brother Joseph Anderson and the two men make plans to do some matchmaking for George's stubborn children. George will get his grandkids and his family all together again. Trenton Anderson is furious with his father, when the man decides to move the corporation he runs from Chicago to Seattle. But when he arrives in Seattle and meets Jennifer Stellar and the sparks immediately fly. He decides he likes what he sees and immediately begins chasing her, thinking the move wasn't such a bad move after all. Jennifer had a horrible tragedy, and lost her sister and brother-in-law in an auto accident. She has temporary custody of her niece, and needs to do whatever it takes to gain full custody. She gets a great job working for Trenton, and can't seem to resist the man's advances, though she continually tries. Both Trenton and Jennifer are stubborn, and charming, and along with Trenton's siblings and cousins, you will fall in love with the Anderson's all over again. Billionaire Bachelors Series*The Billionaire Wins the Game*The Billionaire's Dance *The Billionaire Falls*The Billionaire's Marriage Proposal Baby for the Billionaire *The Tycoon's Revenge*The Tycoon's Vacation*The Tycoon's Proposal *Field Theories* Createspace Independent Publishing Platform Fighting to survive, Misty Elton takes one look at the man standing in front of her and knows she needs to make a decision - does she want to live? Discovering that her boyfriend is storing enough drugs to supply a small country, she looks for an escape route. He's standing in the doorway - standing in the way of her freedom. Misty has nothing left - no family, no friends, no one she can rely on. She is all alone and frightened. Managing to get past her ex, she flees, running away and landing in Seattle, she changes her appearance, her name, her life. After a year, she begins to feel safe. Her ex won't find her. She's beginning to pick

up the pieces of her once shattered existence and carve out a new world for herself. That is, until a tall, well-dressed man shows up at her job and tells her they need to talk – and he knows her real name. Fleeing to get away from him, she rushes to the back room and grabs her Taser. When she hits him with it, she thinks she's home free. She's not. All Misty has done is really tick off Bryson Winchester, and all he's trying to do is help her by getting her scum of an ex off the streets. Misty has a choice to make. Is this a man she can believe in? Is any man worthy of her precious trust? She'll find the answers, though they may not be what she expects or wants – her entire world is about to be turned upside down, because not only will she find there are some men out there worth trusting – she will find out the secret of her birth – the reality of who she really is. Some things should stay in the past – and others... Other things will come back with a vengeance.

The Billionaire Wins the Game Good Times Publishing

Derek Titan is a cutthroat business man that reached his way to the top without looking back once. He left his poor roots behind, and now is seeking revenge for the girl that not only got away, but took the last of his trust with her. Jasmine Freeman had loved Derek with a teenager's naiveté and because her father lied to her, she spent ten years thinking he had left her, and she has a secret that he is about to find out. When Derek takes over Jasmine's father's company, they will be together for the first time in ten years and their passion will rekindle. Derek is determined to have Jasmine, and she is determined to fight him, but in the end there is not much that can extinguish the blaze of passion between them. Take the journey with Derek and Jasmine, and Derek's cousins who bring humor, love, and character to the story. You will fall in love with Derek and then want to read about his cousin's Drew and Ryan.

The Twelve Horizons of Charlie - Diamond Simon and Schuster

Two young mice venture into a moonlit night where they meet an older mouse who, along with other animal friends, teaches them about love's eternal nature.

Grit Createspace Independent Publishing Platform

An inspirational memoir about how Jennifer Pastiloff's years of waitressing taught her to seek out unexpected beauty, how hearing loss taught her to listen fiercely, how being vulnerable allowed her to find love, and how imperfections can lead to a life full of wild happiness. Centered around the touchstone stories Jen tells in her popular workshops, *On Being Human* is the story of how a starved person grew into the exuberant woman she was meant to be all along by battling the demons within and winning. Jen did not intend to become a yoga teacher, but when she was given the opportunity to host her own retreats, she left her thirteen-year waitressing job and said “yes,” despite crippling fears of her inexperience and her own potential. After years of feeling depressed, anxious, and hopeless, in a life that seemed to have no escape, she healed her own heart by caring for others. She has learned to fiercely listen despite being nearly deaf, to

banish shame attached to a body mass index, and to rebuild a family after the debilitating loss of her father when she was eight. Through her journey, Jen conveys the experience most of us are missing in our lives: being heard and being told, “I got you.” Exuberant, triumphantly messy, and brave, *On Being Human* is a celebration of happiness and self-realization over darkness and doubt. Her complicated yet imperfectly perfect life path is an inspiration to live outside the box and to reject the all-too-common belief of “I am not enough.” Jen will help readers find, accept, and embrace their own vulnerability, bravery, and humanness.

Plainwater Penguin

NATIONAL BESTSELLER “Engrossing...studded with wisdom about long-held bonds.” —People, Book of the Week “Enthralling, masterfully written...rich with social and psychological insights.” —The New York Times Book Review “A magnificent storytelling feat.” —The Boston Globe The “utterly engrossing, sweeping” (Time) story of a lifelong friendship between two very different “superbly depicted” (The Wall Street Journal) women with shared histories, divisive loyalties, hidden sorrows, and eighty years of summers on a pristine point of land on the coast of Maine, set across the arc of the 20th century. Celebrated children’s book author Agnes Lee is determined to secure her legacy—to complete what she knows will be the final volume of her pseudonymously written Franklin Square novels; and even more consuming, to permanently protect the peninsula of majestic coast in Maine known as Fellowship Point. To donate the land to a trust, Agnes must convince shareholders to dissolve a generations-old partnership. And one of those shareholders is her best friend, Polly. Polly Wister has led a different kind of life than Agnes: that of a well-off married woman with children, defined by her devotion to her husband, a philosophy professor with an inflated sense of stature. She strives to create beauty and harmony in her home, in her friendships, and in her family. Polly soon finds her loyalties torn between the wishes of her best friend and the wishes of her three sons—but what is it that Polly wants herself? Agnes’s designs are further muddied when an enterprising young book editor named Maud Silver sets out to convince Agnes to write her memoirs. Agnes’s resistance cannot prevent long-buried memories and secrets from coming to light with far-reaching repercussions for all. “An ambitious and satisfying tale” (The Washington Post), Fellowship Point reads like a 19th-century epic, but it is entirely contemporary in its “reflections on aging, writing, stewardship, legacies, independence, and responsibility. At its heart, Fellowship Point is about caring for the places and people we love...This magnificent novel affirms that change and growth are possible at any age” (The Christian Science Monitor).

Obsession: Leather Masters and Slaves Vintage

The poetry and prose collected in *Plainwater* are a testament to the extraordinary imagination of Anne Carson, a writer described by Michael Ondaatje as “the most exciting poet writing in English today.” Succinct and astonishingly beautiful, these pieces stretch the boundaries of language and literary form, while juxtaposing classical and modern traditions. Carson envisions a present-day interview with a seventh-century BC poet, and offers miniature lectures on topics as varied as orchids and Ovid. She imagines the muse of a fifteenth-century painter attending a phenomenology conference in Italy. She constructs verbal photographs of a series of mysterious towns, and takes us on a pilgrimage in pursuit of the elusive and intimate anthropology of water. Blending the rhythm and vivid metaphor of poetry with the discursive nature of the essay, the writings in *Plainwater* dazzle us with their invention and enlighten us with their erudition.

The Billionaire's Marriage Proposal Simon and Schuster

A gripping graphic novel adaptation of Lauren Tarshis's bestselling *I Survived the Attack of The Grizzlies, 1967*, with text adapted by Georgia Ball. No grizzly has ever killed a human in Glacier National Park before... until tonight. Eleven-year-old Melody Vega and her family come to Glacier every year. Mel loves it here — the beautiful landscapes and wildlife make it easy to forget her real-world troubles. But this year is different. With Mom gone, every moment in the park is a reminder of the past. Then Mel comes face-to-face with a mighty grizzly. She knows basic bear safety: Don't turn your back. Don't make any sudden movements. And most importantly: Don't run. That last one is the hardest for Mel; she's been running from her problems all her life. If she wants to survive tonight, she'll have to find the courage to face her fear. Based on the real-life grizzly attacks of 1967, this bold graphic novel tells the story of one of the most tragic seasons in the history of America's national parks — a summer of terror that forever changed ideas about how grizzlies and humans can exist together in the wild. Lauren Tarshis's New York Times bestselling *I Survived* series comes to vivid life in graphic novel editions. Perfect for readers who prefer the graphic novel format, or for existing fans of the *I Survived* chapter book series, these graphic novels combine historical facts with high-action storytelling that's sure to keep any reader turning the pages. Includes a nonfiction section at the back with facts and photos about the real-life event.

Torn (Torn Series, Book 1) CreateSpace

He's world famous. The most eligible bachelor in Hollywood. Owns the stage and thousands of hearts around the world. The bassist of *Unquiet Mind*. Rock royalty. But he's none of that to me. To me, he's just Wyatt. The teenager I met in my best friend's garage. I

promised him he'd never get into my bed or into my heart. It turns out I lied.

NHAMW Independently Published

After claiming the treasure that he and his brother haul out of the ocean, Herbert spends the rest of his life fearfully guarding it from possible thieves.

On Being Human Simon and Schuster

"Is Ari and Rafe's love powerful enough to withstand challenges beyond their control? Will Lia and Shane learn to compromise instead of careening between extremes of passion and loathing? Can Rachel give up her dream of living an ordinary life and learn to love King Adriane?"--P. [4] of cover.

Rescue Me (Baby for the Billionaire, Book 6) Leather Masters and Slaves

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.
