Constitution, By-laws, Sailing Regulations, [etc.] CRC Press

The Riverdale Yacht Club is a small private association on the shoreline of the Hudson River in the Riverdale section of New York City's borough of The

Bronx. While author Ruben Mendez furnishes a chronicle of the institution, he also discloses valuable historical information about Riverdale, the Hudson River, the building of what is today the Metro-North railroads Hudson Division, and the creation of the New York-New Jersey Palisades into an interstate park. Founded in 1931, the yacht clubs first decade coincided with the Great

Depression. During World War II, over sixty of its members served in the military. Mendez not only describes the sports and other activities that occurred on the clubs ground, he also provides thumbnail sketches of some noted members. They include Nobel Prize laureates; professors, deans and presidents of institutions of higher education; journalists; authors; diplomats; medical doctors; lawyers; and other figures of historical importance. Thus he has produced a work recounting a little-known, but essential part of the history of The Bronx and of New York City. Lloyd Ultan Bronx Borough Historian

In 'The Rival Campers Afloat; or, The Prize Yacht Viking' by Ruel Perley Smith,

readers are taken on an exciting adventure centered around a prize yacht competition. The book, written in a captivating and engaging style, offers a vivid portrayal of the competitive and adventurous spirit of the characters as they navigate through challenges on the open sea. Set in the late 19th century, the novel provides a glimpse into the values and interests of the time, making it a valuable piece of historical fiction. Smith's attention to detail and descriptive language bring the story to life, immersing readers in the world of sailing and competition. Overall, the book is a delightful combination of adventure, competition, and camaraderie, making it a must-read for fans of nautical fiction or historical novels. Ruel Perley Smith's background

in outdoor pursuits and his passion for storytelling likely inspired him to craft this thrilling tale of friendship and rivalry on the high seas.

The Law Times A&C Black

Since 2006, *The Insiders' Guide to Becoming a Yacht Stewardess* has been a must-read guide for hopeful, young travelers and those intrigued by a career path in the super-yacht industry.

Hundreds of yacht crew in the industry today used Julie's book to get started---and succeed---working aboard yachts. Entertaining and educational, this book not only covers who owns luxury yachts, where they travel, and what taking care of their eccentric owners is like, but it describes the awe-inspiring benefits of the job, the skills required, and a clear-cut roadmap for how others can do it,

too. If the terrific pay and benefits that come from accompanying celebrities and dignitaries on their private journeys around the world appeals to you, consider Julie Perry your new career coach. Let her guide you to the sea of opportunity that awaits young travelers in one of the world's most adventurous and mind-boggling industries: LUXURY YACHTING.

Yacht Hijacking and Drug Smuggling
Kessinger Publishing

The book is the first comprehensive treatise on the law relating to yachts and provides its readers with a thorough analysis of maritime law as relevant to the superyacht sector. Written by a team of leading yachting practitioners and researchers, it covers the legal issues arising during the life of a yacht. The

book is written for the legal practitioner, yacht-broker and manager concerned with the operation of professionally crewed yachts including financing, registration, chartering, insurance, compliance and casualty management.

Key Features -

- This is the first and only practitioners' book on the area
- It covers all major aspects of yachting law in a single book
- The Law of Yachts and Yachting is highly comprehensive - despite its main focus on contract and tort law, it contains references to public law and international law and practice
- References to case law, English, foreign and international
- Appendices containing essential source materials

Capital Yacht Club Borrowing Good Press

A guide for the individual who has sailed

small crafts and is interested in owning a cruising yacht, that provides practical data on boat construction, maintenance, navigation, and safety

Yachting Simon and Schuster

The standard on-board reference for all large pleasure yachts and commercial vessels worldwide.

On Yacht Sailing Taylor & Francis

Tells the story of Doug Von Allmen's plan to build an extraordinary yacht and the way that the 2008 financial crisis threatened the project and the livelihood of the one thousand employees of the shipyard where it was built.

A History of the Riverdale Yacht Club Bloomsbury Publishing

Whether moored at their home marina, or visiting a less familiar port in a distant country, yachtsmen need to pay just as

much attention to the security of their yacht as they would their home or car. By being aware of potential dangers and taking some prudent steps in advance, yachtsmen can ensure that voyages to even the more adventurous of destinations will be less stressful. The aim of this book is not to scare yachtsmen but to equip them with the knowledge and confidence to minimise risk. With practical advice and real-life stories to illustrate security solutions, it guides skippers and crew through the whole process, from planning the journey, setting up the boat and equipment, to preparing and dealing with actual threats. It covers: - Achieving a security balance: how to assess risks and counter them, and knowing whether it's better to avoid a risk or prepare

more thoroughly - Preparing the boat and equipment: boat layout, communication, distress signals, alarm systems, access barriers, training, and the pros and cons of weapons - Hands-on security: safe marina layouts, deterring thieves, what to do if boarded - Background to attacks on yachts: the difference between inexperienced criminals, pirates and terrorists, understanding their intentions, tactics and appropriate methods to defend yourself - Risk classification for all global cruising grounds - Security checklists for various types of voyage With many full colour photos, illustrations and tables, this book is an indispensable handbook for yachtsmen to have at their side when planning a voyage. It may not be possible to eradicate the risks

completely, but this book will help yachtsmen assess them realistically and prepare to counter them confidently.

Law of Yachts & Yachting Palala Press
On Yacht Sailing is a book by Thomas Fleming Day. This edition provides a simple treatise for beginners concerning the art of handling small yachts and boats.

Reeds Superyacht Manual Morgan James Publishing

Now in its second edition, *The Law of Yachts and Yachting* is a comprehensive treatise on the law relating to yachts and provides its readers with a thorough analysis of maritime law as relevant to the superyacht sector. Written by a team of leading yachting practitioners and researchers, it covers the legal issues arising during the life of a yacht. The book is written for the legal practitioner, yacht-broker and manager concerned with the operation of professionally crewed yachts including financing, registration, chartering, insurance, compliance and casualty management.

Key Features -

- The only practitioners' book on the area
- It covers all major aspects of yachting law in a single book

- The Law of Yachts and Yachting is highly comprehensive - despite its main focus on contract and tort law, it contains references to public law and international law and practice
- References to case law, English, foreign and international
- Appendices containing essential source materials

The second edition will cover important changes in the superyacht industry such as: the new MYBA Charter Form 2017, the Large Yacht Code (LY3) and the Passenger Yacht Code, both shortly to be consolidated into the new REG-YC, and the coming into force of the Maritime Labour Convention 2006, to name just a few.
