At the Sign of the Sugared Plum Macmillan

The first installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno. Meet Benoît Courrèges, aka Bruno, a policeman in a small village in the South of France. He's a former soldier who has embraced the pleasures and slow rhythms of country life. He has a gun but never wears it; he has the power to arrest but never uses it. But then the murder of an elderly North African who fought in the French army changes all that. Now Bruno must balance his beloved routines—living in his restored shepherd's cottage, shopping at the local market, drinking wine, strolling the countryside—with a politically delicate investigation. He's paired with a young policewoman from Paris and the two suspect anti-immigrant militants. As they learn more about the dead man's past, Bruno's suspicions turn toward a more complex motive. "Enjoyable.... Martin Walker plots with the same finesse with which Bruno can whip up a truffle omelette, and both have a clear appreciation for a life tied to the land." —The Christian Science Monitor "A nice literary pairing with the slow-food movement.... [It is] lovely...to linger at the table." —Entertainment Weekly "A wonderfully crafted novel as satisfying as a French pastry but with none of the guilt or calories." —Tuscon Citizen's Journal

Jessica Thompson's first book *This is a Love Story* was described by Closer as 'Reminiscent of One Day.' This second novel will make you laugh, it will make you cry, and it will keep you turning the page. They are just words but they mean so much. As a dark evening draws in, the lives of three women are changed forever. The worlds they have been living in, the people they thought they knew - in an instant it all changes. But when everything seems to shatter around them, could three little words be enough to help put the pieces back together again? Jessica Thompson's debut novel, *This is a Love Story*, received brilliant reviews on publication: 'Thompson's first novel is a triumph... What I really enjoyed was the way Thompson conveys the whole world of young, single London, the clothes, the music, the furnishings and the central, abiding love of the great city itself, full of excitement and potential. Infectious.' Daily Mail 'Reminiscent of One Day, this moving, quirky love story is sob-inducingly romantic.' 4* Closer

The second installment in the delightful, internationally acclaimed series featuring Bruno, Chief of Police: When a bevy of winemakers descend on Saint-Denis the idyllic town finds itself the center of an intense drama, with suspicious fires at the agricultural research station that is working on

genetically-modified crops. Two young men—Max, an environmentalist who hopes to make organic wine, and Fernando, the heir to an American wine fortune—become rivals for the affections of Jacqueline, a flirtatious, newly arrived Québécoise student of wine. Events grow ever darker, culminating in two suspicious deaths, and Bruno finds that the problems of the present are never far from those of the past. "Captivating...Sure to appeal to readers with a palate for mysteries with social nuance and understated charm." —The Wall Street Journal "A gentle reminder to slow down and smell the grapes.... [Walker] beguiles the reader." —The New York Times Book Review "The real pleasure of the book is the place itself.... As readers are drawn into wine-stomping parties, truffle omelet dinners, and the aged dignity of a French hunting hound, the narrative tension gathers." —Houston Chronicle

'BRINGS ALL THE BEAUTY OF DEEPEST FRANCE VIBRANTLY ALIVE' - Irish Independent on Sunday Bruno, Chief of Police's beloved Dordogne town of St Denis is tearing itself apart. Can he keep it together in the gripping eighth instalment in this internationally bestselling series? St Denis may be picturesque and sleepy, but it has more than its fair share of murder and mystery, as Bruno knows all too well. When Bruno is invited to the 90th birthday of a powerful local patriarch - a war hero with high-level political connections in France, Russia and Israel - he encounters a family with more secrets than even he had imagined. When one of the other guests is found dead the next morning and the family try to cover it up, Bruno knows it's his duty to prevent the victim from becoming just another skeleton in their closet. Even if his digging reveals things Bruno himself would rather keep buried. Meanwhile, very modern battles are being fought in St Denis between hunters defending their traditions and environmentalists protecting local wildlife. Neither side, it seems, is above the use of violent tactics. At the centre of it all, Bruno must use all his cunning and character to protect his community's future from its present - and its past.

The first in a superb new series from phenomenal author Geir Tangen, *Requiem* strikes a deliciously chilling chord. "A magnificent crime debut from Norway's biggest crime blogger. Well-composed,

well-written, funny, and brutal. In short: a great crime novel, with a few bold, unexpected twists at the end." –Bok, Five Stars (Norway) "A great and thrilling crime novel."–Kristeligt Dagblad (Denmark) "There are crime novels you simply have to read. Geir Tangen is a master in his own right." –Fyens Stiftstidene (Denmark) Journalist Viljar Gudmundsson is no stranger to chilling stories. So when he receives an anonymous e-mail in which the writer proclaims their intention to execute a woman for her unpunished crimes, he thinks the whole thing is a bad joke. Such things happen only in bad crime novels, after all. But the next day, the body of a woman is found, and Viljar receives a second e-mail with another verdict from this self-proclaimed judge, jury, and executioner. Viljar joins forces with Investigator Lotte Skeisvoll, who quickly realizes that the murderer is playing a deadly game with them. The clues are all pointing in the same direction, and the murders are strangely familiar...

The King Arthur Case is the seventh installment of Jean-Luc Bannalec's bestselling mystery series. The forest of Broceliande, with its picturesque lakes and castles, is the last remnant of the fairy kingdom, if Breton lore is to be believed. Innumerable legends spanning thousands of years are set here, including the tale of King Arthur and the Round Table. It seems to be an appropriate destination for Commissaire Dupin and his team to take a late summer field trip. But when the body of a historian turns up, Dupin is called upon to investigate in the brutal murder case. Before too long, there are more victims. What knowledge do the assembled scientists have about the most recent archaeological digs in the area? Where do they stand on the controversial decision to turn parts of the forest into an amusement park? And why is no one willing to talk? Even Nolwenn, Dupin's unshakeable assistant, is concerned. And that means trouble. Mysterious, ingenious, and suspenseful: Dupin's seventh case takes him and his team into the very heart of Brittany.

The Dying Season Hachette UK

"Roll over, Maigret. Commissaire Dupin has arrived."—M.C. Beaton Commissaire Georges Dupin, a cantankerous, Parisian-born caffeine junkie recently relocated from the glamour of Paris to the remote (if picturesque) Breton coast, is dragged from his morning croissant and coffee to the scene of a curious murder. The local village of Pont-Aven—a sleepy community by the sea where everyone knows one another and nothing much seems to happen—is in shock. The legendary ninety-one-year-old hotelier Pierre-Louis Pennec, owner of the Central Hotel, has been found dead. A picture-perfect seaside village that played host to Gauguin in the nineteenth century, Pont-Aven is at the height of its tourist season and is immediately thrown into uproar. As Dupin delves into the lives of the victim and the suspects, he uncovers a web of secrecy and silence that belies the village's quaint image. A delectable read, Jean-Luc Bannalec's *Death in Brittany* transports readers to the French coast, where you can practically smell the sea air and taste the perfectly cooked steak frites in an expertly crafted, page-turning mystery for fans of Martin Walker.

The King Arthur Case Minotaur Books

"Roll over Maigret. Commissaire Dupin has arrived." —M.C. Beaton on *Death in Brittany* "Very satisfying...along the lines of Martin Walker's novels set in Dordogne, or M.L. Longworth's Aix-en-

Provence mysteries." —Booklist on *Murder on Brittany Shores* The *Missing Corpse* is internationally bestselling author, Jean-Luc Bannalec's fourth novel in the Commissaire Dupin series. It's picturesque, suspenseful, and the next best thing to a trip to Brittany. Along the picturesque Belon River, home of the world famous oyster beds, between steep cliffs, ominous forests and the Atlantic Ocean, a stubborn elderly film actress discovers a corpse. By the time Commissaire Dupin arrives at the scene, the body has disappeared. A little while later, he receives a phone call from the mystical hills of Monts d'Arree, where legends of fairies and the devil abound: another unidentified body has turned up. Dupin quickly realizes this may be his most difficult and confounding case yet, with links to Celtic myths, a sand theft operation, and mysterious ancient druid cults.
