 With 25 essays that embrace a wide spectrum of topics and perspectives including intertextuality, transnationality, gender representation, repetition, the use of music, color, and sound, depiction of time and space in human affairs, and Wong's highly original portrayal of violence, *A Companion to Wong Kar-Wai* is a singular examination of the prestigious filmmaker known around the world for the innovation, beauty, and passion he brings to filmmaking. Brings together the most cutting edge, in-depth, and interesting scholarship on arguably the greatest living Asian filmmaker, from a multinational group of established and rising film scholars and critics Covers a huge breadth of topics such as the tradition of the jianghu in Wong's films; queering Wong's films not in terms of gender but through the artist's liminality; the phenomenological Wong; Wong's intertextuality; America through Wong's eyes; the optics of intensities, thresholds, and transfers of energy in Wong's cinema; and the diasporic presence of some ladies from Shanghai in Wong's Hong Kong Examines the political, historical, and sociological influence of Wong and his work, and discusses his work from a variety of perspectives including modern, post-modern, postcolonial, and queer theory Includes two appendices which examine Wong's work in Hong Kong television and commercials

A Companion to Wong Kar-wai Bloomsbury Publishing

The waltz, perhaps the most beloved social dance of the 19th and early 20th centuries, once provoked outrage from religious leaders and other self-appointed arbiters of social morality. Decrying the corrupting influence of social dancing, they failed to suppress the popularity of the waltz or other dance crazes of the period, including the Charleston, the tango, and "animal dances" such as the Turkey Trot, Grizzly Bear, and Bunny Hug. This book investigates the development of these popular dances, considering in particular how their very existence as "taboo" cultural fads ultimately provided a catalyst for lasting social reform. In addition to examining the impact of the waltz and other scandalous dances on fashion, music, leisure, and social reform, the text describes the opposition to dance and the proliferation of literature on both sides.

Features 457 letters to fellow musicians, friends, greats, patrons, and literary men. Reveals musical thoughts, quirks of personality, insights, and daily events. Includes 15 plates.

Awareness Through Movement Simon and Schuster

If you could lie without flinching, corrupt without caring and succeed at all costs - how far could you go...how much could you make? From the early promise of the '70s through to unrelenting capitalism of the '80s and '90s, follow George on the journey from innocence to savage greed and knotted honesty, as he invents three golden rule for success, whatever the cost. An electrifying dark tale, this new play from award-winning writer Dennis Kelly marks his Royal Court debut.

An Introduction to Systematic and Physiological Botany John Wiley & Sons

Bear got more than he bargained for when he accidentally ran into Fox. Little did he know, Bear had

picked up Fox's stolen goose egg. Soon, the egg hatches and Bear finds himself holding a confused little gosling that's calling him "Mama." Try as he might to convince the little goose he's not its mother, the goose sticks around. Bear tries to show the goose that he's not its mother by climbing, running, and swimming away, but Goose is there every step of the way, climbing, running, and swimming just as well as Bear. But, Fox is lurking the whole time, waiting to take back his "prize." Just as Bear begins to accept Goose as his own, Fox makes his move. Will Fox get Goose, or will "Goose the Bear" make "Mama" proud? In this quirky mix-up at its finest, Katja Gehrmann tells the heartwarming and species-confused story of Goose the Bear with the help of colorful, offbeat illustrations and a narrative to match. If you want to be a bear, be a bear—even if you're a goose. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Beethoven's Letters McFarland

Ibsen's poetry has not until now been widely accessible in translation, which is remarkable considering that several of the poems are closely related to his famous plays. Northam, an eminent Ibsen scholar, offers versions of the 1899 edition of Ibsen's Poems, as well as his Selected Poems 1848-72, published in 1902. Professor Northam's sensitive translations reproduce the metrical form of Ibsen's originals and he provides extensive commentary in the form of headnotes for each poem and an introduction which relates Ibsen's works to their historic and literary context.

Sound Matters Berghahn Books

At the beginning of the 19th century the waltz brought men and women face-to-face, dancing tightly embraced and staring into each other's eyes, a position that provoked a great deal of anxiety in many circles: bishops of Austria signed decrees against waltzing, France banned it at court, and even Leo XII sought to suppress the waltz by papal decree. Nevertheless, composers wrote waltzes for the ballrooms, and the new bourgeoisie of Europe enjoyed the freedom and informality of the dance. The reception of the waltz as music was informed by 19th-century views on women. As a result, the waltz - both dance and music - acquired a distinctly gendered meaning. In Verdi's *La Traviata*, Puccini's *La Bohème*, and Berg's *Wozzeck*, the composers relied on the waltz's contradictory meanings of individual pleasure and social disapprobation to portray the women characters and their roles in the development of the plot. The popularity of the waltz persisted beyond the original era of the Viennese waltz. Twentieth-century composers wrote waltzes either to pay homage to the Viennese waltz and its creators or to evoke the spirit of that earlier period. In compositions such as *La Valse* and *Wozzeck*, Ravel and Berg make deliberate references to the Viennese waltz without yielding their own musical language to its convention.

The Ritual Slaughter of Gorge Mastromas Pendragon Press

At fourteen, Christoph Keller was diagnosed with a hereditary neuromuscular disorder called Spinal Muscular Atrophy, which should have confined him to a wheelchair by the age of twenty. Defying

doctors advice to take it easy, he begins to appreciate every moment by living each day to its fullest. By embracing the memories of an imagination-filled childhood, Keller is able to accept his alcoholic father and ever-changing disability.

SPINNING Chapter Sampler Lindhardt og Ringhof

Working across established disciplines & methodological divides, these essays investigate the ways in which texts, artists, & performers in all kinds of media have utilized sound materials in order to enforce or complicate dominant notions of German cultural & national identity.

Ibsen's Poems The History Press

"The Sea-Hare" is an unusual tale about a proud princess who spends most of her time in a magical tower with twelve windows. Unlike other stories about princesses who fall in love with a prince's appearance, the princess in "The Sea-Hare" makes her suitors hide from her. If she finds someone, she kills him. Who will be the brave man to both hide and step up for the girl he wants? How will he manage to win the princess's heart? Is this a tale with a happy ending or it is a comic tragedy? Children and adults alike, immerse yourselves into Grimm's world of folktales and legends! Come, discover the little-known tales and treasured classics in this collection of 210 fairy tales. Brothers Grimm are probably the best-known storytellers in the world. Some of their most popular fairy tales are "Cinderella", "Beauty and the Beast" and "Little Red Riding Hood" and there is hardly anybody who has not grown up with the adventures of Hansel and Gretel, Rapunzel and Snow White. Jacob and Wilhelm Grimm's exceptional literature legacy consists of recorded German and European folktales and legends. Their collections have been translated into all European languages in their lifetime and into every living language today.

The Best Dancer Duke University Press

The dynastic struggles of the Wars of the Roses (1455-85) have traditionally been portrayed as belonging to one of the most dramatic periods in the history of England, an age of murder and melodrama. In this classic history of the wars, charting their origins, progress, conclusions and effects, Professor Lander sets the record straight. By putting the wars into their contemporary context, using the written records of the time (many of which are reproduced in the text) and the results of modern research and scholarship, the true picture emerges. The wars were, in fact, very limited. While not denying that contemporary English society was disorderly and violent, Lander suggests that this state of affairs was due far less to civil war than to habits of violence among all classes of society. Fluently and clearly written "The Wars of the Roses" is the perfect overview of one of the most famous of medieval conflicts. Shedding light, as it does, on fifteenth-century history as a whole, the roots of the Tudor dynasty, and the background to Shakespeare's history plays, this book deserves a place on the bookshelf of anyone interested in this most turbulent period.

The Wicked Waltz and Other Scandalous Dances

Download a FREE sampler of *SPINNING* by Tillie Walden! It was the same every morning. Wake up, grab the ice skates, and head to the rink while the world was still dark. Weekends were spent in glitter and tights at competitions. Perform. Smile. And do it again. She was good. She won. And she hated it. Poignant and captivating, Ignatz Award winner Tillie Walden's powerful graphic memoir captures what it's like to come of age, come out, and come to terms with leaving behind everything you used to know.
