We exist. We like. We love. We lose. We grieve. We reflect. We move on. We learn. Finally, we live. Each verse and shayari in my poetic endeavour is a sincere, raw and honest reflection of my life's greatest learning's, purest thoughts, and deepest emotions. Written from my heart (dil se), these poems are seemingly ordinary yet powerful everyday emotions, thoughts and situations that we experience but tend to not necessarily ponder upon as we get preoccupied with the mundane aspects of our lives. Based on a combination of intimate observations of the world and deeply personal experiences of the poet, these poems and shayari's cover a myriad range of topics from approaching life with the right mindset to taking control of our circumstances, to living in

the moment, to taking risks to succeed in life, to finding faith, to experiencing and exhibiting love, compassion, joy ,fear, worry , to dealing with sorrows and failures. Underlying the message throughout the various sections in the book is a heartfelt message of optimism and positivity Compiling them over a \_\_ of years, the poet wishes for the readers to pause, assimilate and most importantly relate to her thoughts, hoping to enable a community of shared dialogue and interaction.
