### **BARTLETT ROSA**

*The Plant Paradox* HarperCollins

In *Clean Gut*, Alejandro Junger, M.D., New York Times bestselling author of *Clean* and creator of the world-famous Clean Program, delivers a complete toolkit for reversing disease and sustaining life-long health. All of today's most-diagnosed ailments can be traced back to an injured and irritated gut. The gut is an intricate and powerful system, naturally designed to protect and heal the body every moment of every day. And yet for far too many of us, this remarkable system is in disrepair, which leads to all kinds of health problems—from extra pounds, aches and pains, allergies, mood swings, and lack of libido, to heart disease, cancer, autoimmune disorders, insomnia, and depression. But we no longer have to be sick to get healthy. In this groundbreaking program, Alejandro Junger, M.D. explains how instead of treating the symptoms as they arise, we can preemptively attack disease before it takes root in the gut. No matter your current state of health, you will benefit from this program: *Clean Gut* will help you put an end to everyday ailments, reverse chronic disease, and achieve true, long-lasting health.

*Medical Medium Life-Changing Foods* HarperCollins

A renowned heart surgeon presents an accessible, research-based program to teach you how you can “reset” your genes to restore your health, lose weight, and extend your life. Does losing weight and staying healthy feel like a battle? Well, it's really a war. Your enemies are your own genes,

backed by millions of years of evolution, and the only way to win is to outsmart them. Dr. Steven Gundry's revolutionary book shares the health secrets other doctors won't tell you: • Why plants are “good” for you because they're “bad” for you, and meat is “bad” because it's “good” for you • Why plateauing on this diet is actually a sign that you're on the right track • Why artificial sweeteners have the same effects as sugar on your health and your waistline • Why taking antacids, statins, and drugs for high blood pressure and arthritis masks health issues instead of addressing them. Along with the meal planner, 70 delicious recipes, and inspirational stories, Dr. Gundry's easy-to-remember tips will keep you healthy and on course.

**Intuitive Fasting** Zinc Ink

A program to help achieve life-long health by pre-emptively eliminating the root cause of illness provides a tool kit for a two-week gut repair that restores the body's healing capabilities and keeps symptoms away for good.

**Clean Seven: Supercharge the Body's Natural Ability to Heal Itself - TheOne-Week Breakthrough Detox Program** Penguin

Delicious food can heal the body. Reset and rebalance with clean recipes that are flexible and easy for busy weeknight meals or lunches on the go, and healthy enough for more intensive, doctor-supported cleanses. Gwyneth Paltrow gets the power of simple, quality food. Her recipes focus on delicious flavors and clean ingredients—pillars that have launched her cookbooks to bestseller status. Now she's back with her most ambitious cookbook to date: a collection of 100-plus recipes and customizable meal plans that offer taste, simplicity, and targeted health benefits. This food-lover's cookbook brings everything to the table—from smoothies and soups to bowls, entrées, snacks, and desserts—with the ease and flavor that we have come to expect from Paltrow and her team at GOOP. Highlights include instant staples like Turkey Meatball Pho, Sheet Pan Chicken Broccolini,

and Butternut Squash Tacos, and sweet treats like Cashew Turmeric Iced Lattes and Chocolate Chia Pudding. Beyond the appealing recipes, THE CLEAN PLATE has meal plans, detoxes, and cleanses to address the reader's specific needs and desired results. Supported by Paltrow's team of nutrition experts and doctors, the book offers specific eating plans focused on: Adrenal Support (with Dr. Alejandro Junger) Heart Health (with Dr. Steven Gundry) Candida (with Dr. Amy Myers) Heavy Metal Detox (with Dr. James Novak) Fat Flush (with Dr. Taz Bhatia) Veg-Friendly Ayurveda (with Dr. Aruna Viswanathan) Full of go-to recipes and revitalizing health tips, THE CLEAN PLATE is exactly the standout cookbook we have been waiting for, from the biggest name in clean eating.

*Whole* Harper Collins

From the star YouTube reviewer, “a fantastic selection of movies, both big and small, that all film lovers can enjoy . . . a wonderful reference guide” (Alicia Malone, author *Backwards and in Heels*). Comic book heroes, ice princesses, apocalyptic lovestruck teens, whatever masterpiece Pixar is rolling out—not to mention countless indies and foreign films—there’s been no shortage of things to watch in recent years. But which films are the best of the best? What are the top twenty-first century movies to see before you die? Chris Stuckmann, one of YouTube’s most popular film reviewers with over 125 million views, gives us his best of the best in this list of the fifty very best movies since 2000—with all the style and punch his YouTube fans have come to love. “Chris Stuckmann is the Roger Ebert of Youtube and this book is awesome.” —Varla Ventura, author of *Sheroes*

Little, Brown Spark

New York Times Bestseller What happens when you eat an apple? The answer is vastly more complex than you imagine. Every apple contains thousands of antioxidants whose names, beyond a few like vitamin C, are unfamiliar to us, and each of these powerful chemicals has the potential to play an important role in supporting our health. They impact thousands upon thousands of metabolic reactions inside the human body. But calculating the specific influence of each of these chemicals isn't nearly sufficient to explain the effect of the apple as a whole. Because almost every chemical can affect every other chemical, there is an almost infinite number of possible biological consequences. And that's just from an apple. Nutritional science, long stuck in a reductionist mindset, is at the cusp of a revolution. The traditional “gold standard” of nutrition research has been to study one chemical at a time in an attempt to determine its particular impact on the human body. These sorts of studies are helpful to food companies trying to prove there is a chemical in milk or pre-packaged dinners that is “good” for us, but they provide little insight into the complexity of what actually happens in our bodies or how those chemicals contribute to our health. In *The China Study*, T. Colin Campbell (alongside his son, Thomas M.

Campbell) revolutionized the way we think about our food with the evidence that a whole food, plant-based diet is the healthiest way to eat. Now, in

*Whole*, he explains the science behind that evidence, the ways our current scientific paradigm ignores the fascinating complexity of the human body, and why, if we have such overwhelming evidence that everything we think we know about nutrition is wrong, our eating habits haven't changed.

*Whole* is an eye-opening, paradigm-changing journey through cutting-edge thinking on nutrition, a scientific tour de force with powerful implications for our health and for our world.

*Food and the Gut Reaction* HarperCollins

From Dr. Alejandro Junger, author of the New York Times bestsellers *Clean* and *Clean Gut*, comes *Clean Eats*, a cookbook featuring over 200 delicious, easy-to-prepare, healthy recipes all aimed at helping you restore your natural ability to heal yourself. In *Clean*, New York City cardiologist Dr.

Alejandro Junger provided a life-changing program to aid common ailments resulting from toxins in the standard American diet and chemical-filled environments. Now Dr. Junger's in-demand recipes are available in *Clean Eats*, a cookbook that takes the program straight to the kitchen and allows readers to start eating Clean today. Beginning with a comprehensive introduction that outlines what Clean eating means, *Clean Eats* presents over 200 recipes tailored to Clean, Clean Gut, Elimination, vegetarian and Paleo diets, including daily meal plans and detailed nutritional information.

Whether you suffer from digestive problems, depression or anxiety, unwanted pounds or simply less-than-stellar health, Dr. Junger provides recipe ideas that can help build your health from the inside out. Clean has already transformed the lives of millions, and with *Clean Eats*, it's never been easier to jumpstart the journey to a healthier way of life.

*The Reset Factor* Penguin

Combining her experience as scientist, researcher, and clinician, internationally recognized health expert Deanna Minich offers a comprehensive, integrative, and personalized approach to detox that helps you heal your unique physical challenges and overcome the life obstacles holding you back from total health and wellness. Most detox programs—from fasts, cleanses and supplements, to elimination diets, organic diets, and saunas—focus on ridding our bodies of the bad foods or chemicals that prevent us from achieving total health. While some people respond well, others find the benefits are short lived and do not result in transformational change. Experienced researcher and practitioner Dr. Deanna Minich discovered that to achieve true health and wellness, we must address all of the toxic elements in our lives. Going beyond previous programs, *Whole Detox* offers a proven plan to uncover all the obstacles that prevent you from feeling your best. Using Dr. Minich’s integrative, color-coded system that has successfully helped thousands, *Whole Detox* teaches you how to identify which of your seven “health systems” are out of balance, and provides a personalized prescription for diet, activity, and lifestyle changes that will make you feel better. Following her systematic, step-by-step twenty-one-day journey through all seven systems, filled with helpful questionnaires and charts, you can remove toxins, lose weight, repair existing health issues, boost energy, improve relationships, and find purpose and passion. Dr. Deanna Minich’s methods have resulted in jaw-dropping results. By ridding yourself of all types of toxins, your body will change dramatically . . . and so will your life.

*True to Form* Harper Collins

Most illnesses start in the gut, including many you would not even think of! If your gut isn’t functioning right, it sets the stage for illness and disease. The gut, the gastrointestinal system, is designed to absorb nutrients that support our bodies and help us make energy, and get rid of things that we don’t need or are toxic. But what happens when the system breaks down? Leaky gut syndrome (LGS) occurs when the lining of the small intestine is damaged, allowing foreign compounds to escape into your bloodstream, which weakens your immune system and triggers autoimmune reactions. Traditional physicians don’t understand what LGS is, much less how to diagnose and treat it. In fact, it is estimated that more than 80 percent of people with chronic illnesses have leaky gut, an overgrowth of bad bacteria, or not enough good bacteria. Here are some symptoms that may be

caused by LGS: Digestive complaints, acid reflux, IBS, Crohn’s disease Joint and muscle pain, arthritis Obesity and food allergies Headaches, depression, anxiety, ADHD Itchy skin, rashes, eczema, acne, rosacea, psoriasis In *Heal Your Leaky Gut*, Dr. David Brownstein will explain how the gut, like the brain, heart, and liver, needs to be properly nourished in order for it to function correctly. Simply stated, if your gut is not healthy, your immune system is going to suffer. Improving your gut health and taking fewer drugs will help you feel better and look younger, improve your brain function, and treat myriad medical conditions. This book will give you all the information you need to change what you are now doing so you can have optimal gut health and, as a result, overall health and well-being.

*Clean - Expanded Edition* Harper Collins

The bestselling book with 100,000 copies in print from one of the most sought-after experts in the field of functional medicine, Dr. Susan Blum, author of *Healing Arthritis*, shares the four-step program she used to treat her own serious autoimmune condition and help countless patients reverse their symptoms, heal their immune systems, and prevent future illness. DR. BLUM ASKS: • Are you constantly exhausted? • Do you frequently feel sick? • Are you hot when others are cold, or cold when everyone else is warm? • Do you have trouble thinking clearly, aka “brain fog”? • Do you often feel irritable? • Are you experiencing hair loss, dry skin, or unexplained weight fluctuation? • Do your joints ache or swell but you don’t know why? • Do you have an overall sense of not feeling your best, but it has been going on so long it’s actually normal to you? If you answered yes to any of these questions, you may have an autoimmune disease, and this book is the “medicine” you need. Among the most prevalent forms of chronic illness in this country, autoimmune disease affects nearly 23.5 million Americans. This epidemic—a result of the toxins in our diet; exposure to chemicals, heavy metals, and antibiotics; and unprecedented stress levels—has caused millions to suffer from autoimmune conditions such as Graves’ disease, rheumatoid arthritis, Crohn’s disease, celiac disease, lupus, and more. DR. BLUM’S INNOVATIVE METHOD FOCUSES ON: • Using food as medicine • Understanding the stress connection • Healing your gut and digestive system • Optimizing liver function Each of these sections includes an interactive workbook to help you determine and create your own personal treatment program. Also included are recipes for simple, easy-to-prepare dishes to jump-start the healing process. The Immune System Recovery Plan is a revolutionary way for people to balance their immune systems, transform their health, and live fuller, happier lives.

*Clean Eats* Mango Media Inc.

From the author of the national bestseller *Eat Dirt*, a 30-day healthy plan -- including more than 80 delicious recipes -- to burn fat, fight inflammation, and reverse disease using the keto diet. Today, the ketogenic diet is the world's fastest growing diet, and with good reason. When practiced correctly, it has been proven to burn fat, reduce inflammation, fight cancer, balance hormones and gut bacteria, improve neurological diseases, and even increase lifespan. Unfortunately, many people remain unaware of several key factors that are crucial to the diet's success, setting them up for frustration, failure, and relapse. In *Keto Diet*, bestselling author Dr. Josh Axe sets the record straight, offering thorough, step-by-step guidance to achieving lifelong health. Unlike other books on the subject, *Keto Diet* identifies and details five different ketogenic protocols and explains why picking the right one for your body and lifestyle is fundamental to your success. Inside, you'll find all the tools they need to say goodbye to stubborn fat and chronic disease once and for all, including: shopping lists delicious recipes exercise routines accessible explanations of the science behind keto's powerful effects five different keto plans and a guide to choosing the one that fits you best!

*Whole Detox* Harper Collins

Dr. Josh Axe, bestselling author of *Keto Diet* and *Eat Dirt*, explains how to lose weight, prevent disease, improve your digestion, and renew your youth by taking advantage of dietary collagen. Today, interest in dietary collagen is growing at an astounding rate, and with good reason. The benefits of a collagen-rich diet are remarkable, ranging from better weight control to enhanced digestion, clearer skin, reduced inflammation, and improved immune function. Dietary collagen provides a unique blend of amino acids and other compounds, making it critical for everyone, including infants, young children, the elderly, athletes, pregnant women, new mothers, and adult men and women. Simply put: When we don't get enough of the beneficial compounds found in collagen-rich foods, we experience more injuries, chronic aches and pain, digestive issues, and other symptoms associated with aging. And most people don't get enough. Collagen is the missing ingredient that can help all of us live longer, healthier, more vital lives. In *The Collagen Diet*, Dr. Axe describes how collagen helps maintain the structure and integrity of almost every part of the body. You'll learn how your skin, hair, nails, bones, disks, joints, ligaments, tendons, arterial walls, and gastrointestinal tract all depend on the consumption of collagen-rich foods. Featuring a twenty-eight-day meal plan, seventy mouthwatering recipes, and specific advice for supporting your body's collagen production with exercise and lifestyle interventions, *The Collagen Diet* provides everything you need to take advantage of this overlooked cornerstone of modern health.

*Dr. Gundry's Diet Evolution* HarperCollins

A program to help achieve life-long health by pre-emptively eliminating the root cause of illness provides a tool kit for a two-week gut repair that restores the body's healing capabilities and keeps symptoms away for good.

*Heal Your Leaky Gut* Kirkton, Ont. : Kirkton Press

For decades, Dr. Jeffrey Bland has been on the cutting edge of Functional Medicine, which seeks to pinpoint and prevent the cause of illness, rather than treat its symptoms. Managing chronic diseases accounts for three quarters of our total healthcare costs, because we’re masking these illnesses with pills and temporary treatments, rather than addressing their underlying causes, he argues. Worse, only treating symptoms leads us down the path of further illness. In *The Disease Delusion*, Dr. Bland explains what Functional Medicine is and what it can do for you. While advances in modern science have nearly doubled our lifespans in only four generations, our quality of life has not reached its full potential. Outlining the reasons why we suffer chronic diseases from asthma and diabetes to obesity, arthritis and cancer to a host of other ailments, Dr. Bland offers achievable, science-based solutions that can alleviate these common conditions and offers a roadmap for a lifetime of wellness.

*Clean Gut ...in 30 Minutes - The Expert Guide to Alejandro Junger's Critically Acclaimed Book* Everest Media LLC

NEW YORK TIMES BESTSELLER • “Dr. Will Cole clearly cares about his patients’ health, and he addresses the widespread misconceptions about intermittent fasting while giving readers a tailored week-by-week plan to get back in touch with what their body truly needs.”—Mark Hyman, MD,

director, the Cleveland Clinic Center for Functional Medicine and author of Food “Intuitive Fasting makes both the science and user-friendly application of this exciting approach to human nutrition available for everyone.”—David Perlmutter, MD, FACN, author of Grain Brain and Brain Wash The most effective and achievable guide to intermittent fasting, outlining a unique plan that merges the science behind fasting with a holistic approach to eating, from the bestselling author of Ketotarian and The Inflammation Spectrum For some, the idea of fasting by eating only one or two meals a day sounds like an extreme and overly restrictive dieting tactic. But the truth is, our daily eating schedule—three meals a day, plus snacks—does not necessarily reflect our bodies’ natural cycles. In fact, eating three meals every day can cause metabolic inflexibility, which can lead to inflammation, fatigue, and chronic health problems. For millions of years, our bodies have actually functioned best with periodic times of fasting. With his fresh new approach to fasting, bestselling author and functional medicine expert Dr. Will Cole gives you the ability to take control of your hunger and make intermittent fasting intuitive. You’ll get in touch with your instinctive eating patterns and become healthier and more mindful about how and when you eat. Intuitive Fasting will show you how to find metabolic flexibility—and once you’ve reached it, you can trust your body to function at optimal capacity, whether you’ve eaten six minutes ago or six hours ago. During his 4-Week Flexible Fasting Plan, Dr. Cole will guide you through varying intermittent fasting windows, with each week of the plan tailored to focus on a different aspect of your health. He illustrates the most effective ways to fast and eat to amplify the health benefits of intermittent fasting, balancing rest and repair with clean, nutrient-dense, delicious foods. By the end of the four weeks, you will have all the tools necessary to:

- Reset your body
- Recharge your metabolism
- Renew your cells
- Rebalance your hormones

Along with more than 65 recipes, you’ll also find a maintenance plan, so you can adapt fasting and feeding windows to work sustainably with your lifestyle.

[The Nordic Way](#) HarperOne

Bestselling author Dr. Josh Axe explains how to treat more than seventy diseases, lose weight, and increase vitality with traditional healing practices passed down through the ages. Long before the first pharmaceutical companies opened their doors in the 1850s, doctors treated people, not symptoms. And although we’ve become used to popping pills, Americans have finally had it with the dangerous side effects, addiction and over-prescribing—and they’re desperate for an alternative. Here’s the good news: That alternative has been here all along in the form of ancient treatments used for eons in traditional Chinese, Ayurvedic and Greek medicine. Ancient Remedies is the first comprehensive layman’s guide that will bring together and explain to the masses the very best of these time-tested practices. In Ancient Remedies, Dr. Axe explores the foundational concepts of ancient healing—eating right for your type and living in sync with your circadian clock. Readers will learn how traditional practitioners identified the root cause of each patient’s illness, then treated it with medicinal herbs, mushrooms, CBD, essential oils, and restorative mind-body practices. What’s more, they’ll discover how they can use these ancient treatments themselves to cope with dozens of diseases, from ADHD to diabetes, hypothyroidism, autoimmune disease, and beyond. Through engaging language and accessible explanations, Ancient Remedies teaches readers everything they need to know about getting, and staying, healthy—without toxic, costly synthetic drugs.

[Anime Impact](#) Humanix Books

The definitive program on detoxification just got easier, thanks to multiple New York Times bestselling author Dr. Alejandro Junger’s detailed, personalized, and medically proven seven-day plan that helps us begin to rid our bodies of the multitude of toxins that infiltrate our systems every day. Each day, too many of us struggle unnecessarily with debilitating health issues, such as colds or viruses, allergies or hay fever, stubborn extra pounds, poor sleep, recurrent indigestion, constipation, or irritable bowel syndrome, itchy rashes, acne or other skin conditions, depression, anxiety, or frequent fatigue. But we don’t have to suffer any longer. In his bestseller Clean, the international leader in the field of integrative medicine revealed how many of these common ailments are the direct result of toxic build-up in our systems accumulated through daily living, and offered solutions for combatting them. Now, with Clean 7, Dr. Junger makes his groundbreaking program easier and more accessible than ever before. Clean 7 is his medically proven seven-day regimen that provides all the necessary tools to support and reactivate our bodies’ detoxification system to its fullest capabilities. In one week, you can begin addressing those nagging health issues by discovering the foods that harm you and the foods that heal you, lose extra weight, and start to experience what it truly means to be well. The first seven days of any program are the most critical. Undertaking a new routine is stressful, and tests our commitment, willpower, and focus. Understanding exactly what’s going on in your body—why you might feel

fatigue on day two or cravings on day five—is the key to success. A doctor who’s helped millions, Dr. Junger personally guides you through the process, offering a clear, day-by-day, meal-by-meal exploration of what’s happening in your body to keep you focused on your goals. Filled with the latest science on the brain, and featuring delicious, nutritious recipes, and details on everything from prepping your kitchen to prepping your mind, Clean 7 revolutionizes the detoxification process. If you have been searching for a book or program to help you take that next step for your overall health, Clean 7 is the answer. Discover what it truly means to be healthy.

[The Gut Paradox](#) BenBella Books, Inc.

Dr. Steve Burlison is a functional health practitioner, board-certified chiropractor, and keynote speaker. He has also been a patient. You see his health one day started to break down and he develop an autoimmune disorder. It started as a small rash -- tiny red spots on his legs and arms. It was itchy but he felt it would surely go away, not giving it much thought, and thinking perhaps this was some sort of allergic or stress reaction. Over time it got worse. Much worse. He started to be in constant pain, with red inflamed skin that looked and felt so bad that you would think he had second degree burns all over his body. The burning, swelling, and itchiness reached excruciatingly painful levels. The unbearable symptoms started to greatly impact his life. Yes, after leading what he considered a full, healthy and vigorous life, this skin condition, or whatever it was, had spread throughout his entire body and had completely taken over his life. It was this experience that changed his perception of health forever. This book is his story of how he got his health and life back and how you can also overcome your own health change buy healing your gut.

[The Book of Pendulum Healing](#) Createspace Independent Publishing Platform

A leading integrative physician shares a groundbreaking 21-day eating plan to shed pounds, accelerate metabolism, balance your digestive system, improve gut function, and feel better every day—without dieting! There are one hundred trillion reasons losing weight and staying healthy are so hard: That’s the number of bacteria living in your digestive system—good bugs and bad that influence everything from how much fat you store to whether or not you’ll get arthritis, diabetes, or Alzheimer’s. As medical director of the Atlanta Center for Holistic and Integrative Medicine, Tasneem Bhatia, M.D., is an expert in unlocking the mystery of the gut and probiotic health. Combining the latest research and cutting-edge science with proven alternative nutritional remedies, Dr. Taz has developed a simple plan—one that has worked for thousands of her own patients—that aims to reprogram your digestive system, help fight disease, and strip away pounds in just 21 days! The Belly Fix accelerates metabolism, increases energy, and jump-starts weight loss immediately. Once “fixed,” you’ll continue to feel the benefits. Drop pounds on the 21-Day Belly Fix plan, with more to come, as you continue to follow the program designed to balance your digestive bacteria and put you on the path to long-term health and vitality. Speed up your metabolism with the help of research that proves a direct link between your gut bacteria and how quickly you burn fat. Reduce inflammation and rebalance your body to help fight diabetes, arthritis, Alzheimer’s, skin disorders, and more. Find focus and clarity with the help of simple and delicious foods that feed the healthy microorganisms in your gut—and fight the bad ones! The 21-Day Belly Fix is the final word on what researchers call your “second brain” and the simple ways that fixing your diet—instead of committing to a long-term food-banishing plan—can get your gut out of the gutter and help you to start feeling great. With delicious recipes and easy swaps, The 21-Day Belly Fix is the ultimate weight-loss plan! Praise for The 21-Day Belly Fix “If you are tired of feeling bloated and blah, let The 21-Day Belly Fix be your guide to good gut health and a slim waistline. This splendid book is truly a treasure, and Dr. Taz is one the of the nation’s leading experts on integrative medicine.”—Gerard E. Mullin, M.D., associate professor of medicine, Johns Hopkins, and author of The Inside Tract and Integrative Gastroenterology

[The Gut Balance Revolution](#) Weiser Books

An exploration of anime’s masterpieces and game-changers from the 1960s to the present—with contributions from writers, artists, superfans and more. Anime—or Japanese animation—has been popular in Japan since Astro Boy appeared in 1963. Subsequent titles like Speed Racer and Kimba the White Lion helped spread the fandom across the country. In America, a dedicated underground fandom grew through the 80s and 90s, with breakthrough titles like Katsuhiro Otomo’s Akira making their way into the mainstream. Anime Impact explores the iconic anime movies and shows that left a mark on popular culture around the world. Film critic and longtime fan Chris Stuckmann takes readers behind the scenes of legendary titles as well as hidden gems rarely seen outside Japan. Plus anime creators, critics and enthusiasts—including Ready Player One author Ernest Cline, manga artist Mark Crilly, and YouTube star Tristan “Arkada” Gallant—share their stories, insights and insider perspectives.
