Women long to be loved, to be known, to be understood. But who can meet those needs at their deepest level? Only the One who created women--who knows them by name and who designed them--can bring fulfillment that truly satisfies. "Letting God Meet Your Emotional Needs" shows how God desires to help every woman: I need acceptance... God loves, forgives, and accepts I need security... God promises He will never leave I need to feel pretty... Christ sees me as new, spotless I need a companion... He is the perfect friend I need communication... He talks to me intimately through His Word Formerly "Heart Hunger."

A revealing look at the identity and mission of the Black church What is the true nature and mission of the church? Is its proper Christian purpose to save souls, or to transform the social order? This question is especially fraught when the church is one built by an enslaved people and formed, from its beginning, at the center of an oppressed community's fight for personhood and freedom. Such is the central tension in the identity and mission of the Black church in the United States. For decades the Black church and Black theology have held each other at arm's length. Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression, arguing that Jesus urged his disciples to seek the freedom of all peoples. Meanwhile, the Black church, even when focused on social concerns, has often emphasized personal piety rather than social protest. With the rising influence of white evangelicalism, biblical fundamentalism, and the prosperity gospel, the divide has become even more pronounced. In *The Divided Mind of the Black Church*, Raphael G. Warnock, Senior Pastor of the historic Ebenezer Baptist Church, the spiritual home of the Rev. Dr. Martin Luther King, Jr., traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church. Calling for honest dialogue between Black and womanist theologians and Black pastors, this fresh theological treatment demands a new look at the church's essential mission.

The Work of the Usher Moody Publishers

Throughout the history of the African American people there has been no stronger resource for overcoming adversity than the black church. From its role in leading a group of free Blacks to form a colony in Sierra Leone in the 1790s to helping ex-slaves after the Civil War, and from playing major roles in the Civil Rights Movement to offering community outreach programs in American cities today, black churches have been the focal point of social change in their communities. Based on extensive research over several years, *Mighty Like a River* is the first comprehensive account of how black churches have helped shape American society. An expert in African American culture, Andrew Billingsley surveys nearly a thousand black churches across the country, including its oldest, the First African Baptist Church in Savannah, Georgia. These black churches, whose roots extend back to

antebellum times, have periodically confronted social, economic, and political problems facing the African American community. *Mighty Like a River* addresses such questions as: How widespread and effective is the community activity of black churches? What are the patterns of activities being undertaken today? How do activist churches confront such problems as family instability, youth development, AIDS and other health issues, and care for the elderly? With profiles of the remarkable black heroes and heroines who helped create the activist church, and a compelling agenda for expanding the black church's role in society at large, *Mighty Like a River* is an inspirational, visionary, and definitive account of the subject.

Biblical exegesis doesn't stop with the words alone. Faithful preachers exegete the emotion of the text as well. It's easy to let our own personalities dictate the emotional dimension of our sermons, but the best preachers mirror the Bible's emotive intent in their sermons. In *Passion in the Pulpit*, Jerry Vines and Adam Dooley will teach you how to exegete not just the verbal content of Scripture, but its emotional appeal as well. They show you the role the Bible's emotional intent should play in each stage of sermon prep, and: Offer exegetical steps to discern the biblical pathos Teach you how to avoid manipulation while making your sermons emotional Help you determine the appropriate limitations of emotional appeal Give you verbal, vocal, and visual techniques to help convey the biblical emotional intent in your sermons When we elevate the Bible's emotional intent above our own, we preach truth rather than personality.

Drama. Irony. Betrayal. Miracles. A holy war with the whole world at stake. And it's all packed into the shortest of the four Gospels. Written in an engaging, lively, oral style, *Loosing the Lion* tells us how, despite being misunderstood and neglected throughout most of history, the Gospel of Mark has recently been experiencing a scholarly revival. Theologians are beginning to see how it is actually an intense, wild, impossible story told at a breakneck pace with twists and turns that shock and surprise those with eyes to see and ears to hear. Readers will be captivated by the Gospel's literary brilliance, which brings us to the threshold of an encounter with the living Jesus, who reveals his mysteries, and ultimately himself, to those who approach him and dwell in his presence. And when we do encounter him, "The proper response is repentance, joining God's army to be liberated, and once liberated, advancing the liberation of the whole cosmos, which, ultimately, is the content of the

Gospel Jesus calls us to believe in. Liberation is coming. Join the resistance."

In Search of Paul Crossway

Ebenezer Baptist Church in Atlanta was founded in 1886. The name Ebenezer means "rock or stone of help." From a small group of believers, many of whom were former slaves, in a boxlike structure on Airline Alley, Ebenezer has grown to an internationally known church with over 4,000 members. The Gothic architecture of the Heritage Sanctuary on Auburn Avenue, coupled with the influence of the African meetinghouse seen in the architecture of the Horizon Sanctuary across the street, reflects the diversity of outreach of Ebenezer's ministry. Ebenezer has been a beacon of racial pride and social consciousness. The love and cooperation between the members and the pastor have created a family atmosphere that has sustained the growth and expansion of the church.
