Beyond the Age of  
Innocence Columbia  
University Press  
Chloe was startled to  
see Darius in her  
hometown the day she  
returned after years  
away. Seven years  
ago, eighteen-year-old  
Chloe experienced her  
bitter first love with

him?he'd taken her to  
his bedroom on the  
night of the ball, and  
the very next morning  
he'd eloped with  
someone else! Chloe  
promised herself never  
to get close to him  
again, but Darius kept  
showing up. Her  
feelings and her  
memories from that  
long-ago night just  
keep coming back...  
**End of Innocence**  
Titan Books (US, CA)

It Was Going to Be The Perfect Wedding - Until He Showed Up... The Age of Innocence centers on an upper-class couple's impending marriage, and the introduction of the bride's cousin, plagued by scandal, whose presence threatens their happiness. Though the novel questions the assumptions and morals of 1870s New York society, it never develops into an outright condemnation of the institution. The novel is noted for Wharton's attention to detail and its accurate portrayal of how the 19th-century East Coast American upper class lived, and the social tragedy of its plot. Wharton was 58 years old at publication; she had lived in that world and

had seen it change dramatically by the end of World War I. The Age of Innocence was a softer and more gentle work than The House of Mirth, set in the time of her childhood.

Wharton wrote, ""I found a momentary escape in going back to my childish memories of a long-vanished America..."

From April 1964 to October 1965, some 52 million people from around the world flocked to the New York World's Fair, an experience that lives on in the memory of many individuals and in America's collective consciousness. Taking a perceptive look back at "the last of the great world's fairs," Samuel offers a vivid portrait of

this seminal event and of the cultural climate that surrounded it. He also counters critics' assessments of the fair as the "ugly duckling" of global expositions. Opening five months after President Kennedy's assassination, the fair allowed millions to celebrate international fellowship while the conflict in Vietnam came to a boil. This event was perhaps the last time so many from so far could gather to praise harmony while ignoring cruel realities on such a gargantuan scale. This world's fair glorified the postwar American dream of limitless optimism even as a counterculture of sex, drugs, and rock `n` roll came into being. It could rightly be called the last gasp of that

dream: The End of the Innocence. Samuel's work charts the fair from inception in 1959 to demolition in 1966 and provides a broad overview of the social and cultural dynamics that led to the birth of the event. It also traces thematic aspects of the fair, with its focus on science, technology, and the world of the future. Accessible, entertaining, and informative, the book is richly illustrated with contemporary photographs. Anatomy of Innocence: Testimonies of the Wrongfully Convicted Sourcebooks, Inc. Award-winning journalist Frank Rose provides a riveting, behind-the-scenes account of a business and a technology in turmoil. The fall of

Steve Jobs, the visionary entrepreneur who founded Apple Computer, is also the story of a freewheeling California youth culture on a collision course with corporate America.

Invisible student Kyle Stilleno is toiling through his nothing high school in the middle of Nowhere, Texas. Could the promise of love with baseball star Brad Graymark be more than just a fairy tale? 1915: The Death of Innocence Lulu.com The last word on the controversial crime that still grips the nation. Publishers Weekly on this riveting bestseller: "The Death of Innocence is part memoir, part murder

mystery...[It] paints more than a plausible picture of a family victimized at first by the horrific murder of a young girl and then by a relentless media and police campaign to smear their reputation and prove their guilt.

As we read the account of the hellishness of their lives since their daughter's murder, we realize that nothing has been fair" And this time it's the truth.

Discover: \* What the stunning DNA evidence actually revealed \* What the Grand Jury really heard \* The truth about the photographs doctored by the press \* The startling oversights of the Boulder police \* Why officials neglected to follow any other leads \* Every lie, myth, rumor, and innuendo invented by the media to ruin the family's

reputation \* The actual findings of forensic experts \* The inside information that could finally bring the real killer to justice

Updated for paperback--includes 16 pages of personal photographs.

Bantam

She runs a foundation dedicated to forgiveness. He's a cop running down the guilty to make them pay. If they don't work together, people will die. Detective Bel Belichek and his partner arrive at a murder scene in a peaceful, historic section of Fairlington, Virginia, only to realize the victim is the cousin of Assistant Commonwealth's Attorney Maggie Frye. Or is it? The family tragedy that forever

scarred Maggie and her cousins, Jamie and Ally, reaches into the present, threatening to claim more lives if Belichek can't find this murderer. And to do that he has to shut down emotions he'd thought were gone for good. Price of Innocence, by USA Today bestselling author Patricia McLinn, is a sequel to Proof of Innocence that can also be read as a stand-alone. If you love twists and turns, characters who stick with you, and mysteries and romance swirled together, you'll love Price of Innocence. The Innocence Trilogy finale is Premise of Innocence. Praise for Proof of Innocence "Wow! What a page-turner. I had so many people I suspected of

the crimes. This was a great suspense with a touch of romance. The author added several different point-of-views from the characters, which added to the mystery of who-done-it." -- Jutzie, 5-star review "Really enjoyed this book. A fast-paced legal thriller that keeps the reader guessing from beginning to end, this book is more a whodunit than the touch of comedy found in many of McLinn's books." -- Lanese T., 5-star review McLinn's writing is "so atmospheric, so descriptive of people and locale that I could swear I heard the waterfall, leaf-deadened footfalls." ... "A well-paced murder/mystery with a slow-burn romance." ... "Engaging from the beginning [with] many

plot twists and plenty of action." NOTE FROM PATRICIA McLINN TO CAUGHT DEAD IN WYOMING READERS: Proof of Innocence and Price of Innocence do not have nearly as much humor as the Caught Dead in Wyoming mysteries, although there is some. They're a bit grittier and darker ... though not in the deep end of grit and dark. For fans of mystery romance, romantic mystery and romantic suspense. **End of Innocence**  
 Frank Rose  
 A bestselling modern  
 classic—both poignant  
 and funny—narrated  
 by a fifteen year old  
 autistic savant  
 obsessed with Sherlock  
 Holmes, this dazzling  
 novel weaves together  
 an old-fashioned  
 mystery, a  
 contemporary coming-  
 of-age story, and a  
 fascinating excursion  
 into a mind incapable  
 of processing  
 emotions. Christopher  
 John Francis Boone  
 knows all the countries  
 of the world and their  
 capitals and every  
 prime number up to  
 7,057. Although gifted  
 with a superbly logical  
 brain, Christopher is

autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws

readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

*The Fall of Innocence*  
Henry Holt and  
Company

The Lovely Bones meets Celeste Ng for teens in this gorgeous, haunting, and tragic novel that examines the crippling--and far-reaching--effects of one person's trauma on her family, her

community, and herself. For the past eight years, sixteen-year-old Emilia DeJesus has done her best to move on from the traumatic attack she suffered in the woods behind her elementary school. She's forced down the memories-- the feeling of the twigs cracking beneath her, choking on her own blood, unable to scream. Most of all, she's tried to forget about Jeremy Lance, the boy responsible, the boy who caused her such pain. Emilia believes that the crows who watched over her that day, who helped her survive, are still on her side, encouraging her to live fully. And with the love and support of her mother, brother, and her caring boyfriend, Emilia is doing just that. But

when a startling discovery about her attacker's identity comes to light, and the memories of that day break through the mental box in which she'd shut them away, Emilia is forced to confront her new reality and make sense of shifting truths about her past, her family, and herself. A compulsively-readable tragedy that reminds us of the fragility of human nature. Praise for *The Fall of Innocence* \* "Sanchez deftly shows the long-lasting impact of the assault. . . . An intimate and tragic look at how traumatic incidents affect individuals, their families, and others around them." --Kirkus Reviews, **STARRED REVIEW** \* "Sanchez writes with stunning

detail, showcasing the beauty that can be found in small moments, in family interactions, in nature, and in seemingly everyday objects. . . and illustrates how a trauma like Emilia's has widespread effects." --School Library Journal, STARRED REVIEW \* "It is hard to imagine a more beautifully told, more moving, or more authentic story of one family's journey through unbearable pain." --VOYA, STARRED REVIEW "Beautifully written but ineffably sad, Emilia's story is a case study of trauma and its aftermath." --BCCB "Emilia's inner world both captivates and devastates." -- Publishers Weekly "Internal and contemplative, [this

novel's] haunting quality lingers." -- Booklist

**Songs of Innocence**  
Syracuse University Press

When defence attorney Mickey Haller is pulled over by police, the body of a client is discovered in the trunk of his Lincoln. Haller is charged with murder and can't make the exorbitant \$5 million bail slapped on him by a vindictive judge. Haller knows he's been framed and elects to defend himself. But it isn't easy to build a defence from a cell in the Twin Towers Jail in downtown Los Angeles - as an officer of the court he is an instant target. With the help of a handpicked team, including his half-brother Harry Bosch, Mickey races time to figure out who has

plotted to destroy his life and why. And then he must go before a judge and jury to prove his own innocence. In his highest stakes case yet, Mickey Haller fights for his life and shows why he is 'a worthy colleague of Atticus Finch . . . the front of the pack in the legal thriller game' (Los Angeles Times). 'This is unmatched crime writing at its summit' - The Australian 'The Raymond Chandler of this generation' - Associated Press  
*Innocence (with bonus short story Wilderness)*  
 Faber & Faber  
 A story of love won and lost, of dreams fulfilled and destroyed, this is a coming-of-age story that provides a deeply personal look into the private struggles of Chastity Bono, a very public and courageous

woman.  
*Childhood's End*  
 Rowman & Littlefield Publishers  
 When David falls victim of sexual misconduct he becomes detached from society and closes himself off from family. He keeps his tragic secret within, where he finds a way to cope with the psychological trauma. As he matures he is supported by his dark companions, Sid an obstinate brute out for retribution and Seth his protector. After Sid delivers his justice, Detective DaLuga vows to find the avenger. In the process, DaLuga learns more than he was looking for. He is taught to look beyond the badge of duty and into the heart and soul of his suspect. David tries to escape his dark past after the death of Father Bart, but his

past continues to haunt him and death seems to surround him. Only Ranger Mari can save him from himself.

**The Curious Incident of the Dog in the Night-Time** Liveright Publishing

The mother of Emmett Till recounts the story of her life, her son's tragic death, and the dawn of the civil rights movement—with a foreword by the Reverend Jesse L. Jackson, Sr. In August 1955, a fourteen-year-old African American, Emmett Till, was visiting family in Mississippi when he was kidnapped from his bed in the middle of the night by two white men and brutally murdered. His crime: allegedly whistling at a white woman in a convenience store. The

killers were eventually acquitted. What followed altered the course of this country's history—and it was all set in motion by the sheer will, determination, and courage of Mamie Till-Mobley, whose actions galvanized the civil rights movement, leaving an indelible mark on our racial consciousness. Death of Innocence is an essential document in the annals of American civil rights history, and a painful yet beautiful account of a mother's ability to transform tragedy into boundless courage and hope. Praise for Death of Innocence "A testament to the power of the indestructible human spirit [that] speaks as eloquently as the diary of Anne Frank."—The

Washington Post Book World “With this important book, [Mamie Till-Mobley] has helped ensure that the story of her son (and her own story) will not soon be forgotten. . . . A riveting account of a tragedy that upended her life and ultimately the Jim Crow system.”—Chicago Tribune “The book will . . . inform or remind people of what a courageous figure for justice [Mamie Till-Mobley] was and how important she and her son were to setting the stage for the modern-day civil rights movement.”—The Detroit News “Poignant . . . In his mother’s descriptions, Emmett becomes more than an icon; he becomes a living, breathing youngster—any mother’s

child.”—Pittsburgh Post-Gazette “Powerful . . . [Mamie Till-Mobley’s] courage transformed her loss into a moral compass for a nation.”—Black Issues Book Review Robert F. Kennedy Book Award Special Recognition • BlackBoard Nonfiction Book of the Year [Proof of Innocence \(Innocence Trilogy mystery series, Book 1\)](#) Harlequin / SB Creative In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to

the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.”  
—Los Angeles Times  
The End of Innocence  
Xlibris Corporation

International Bestseller: A novel of youthful love and loss and “a powerful evocation of the war years” in England (The Guardian). On a hot August evening in 1939, cousins Oliver, Calypso, Polly, Walter, and Sophy spent one last night together, celebrating the end of summer, at the home of their aunt and uncle. Now, forty years later, as the motley cast of characters drive to the funeral of one of their own, they recall how important that night truly was—and all that came after. From Oliver, whose desperation to prove himself in war ended up as his downfall, to Calypso, whose flirtations landed her in an unlikely marriage with even less likely results, to Sophy,

whose secrets from that night haunted her for the rest of her life, each of them recalls the twisted paths of love and betrayal they walked as the country came apart around them under the coming shadow of World War II. Mary Wesley masterfully interweaves tragedy and humor in this “extraordinarily accomplished and fast-moving” novel, presenting a tale of both the world at large and the dalliances, allegiances, and losses of her expertly crafted characters (Financial Times).

### **The Age of**

**Innocence** Public Affairs

How are children—and their parents—affected by the world's most influential corporation? Henry A. Giroux

explores the surprisingly diverse ways in which Disney, while hiding behind a cloak of innocence and entertainment, strives to dominate global media and shape the desires, needs, and futures of today's children.

### *Death of Innocence*

Diversion Books

For Ijeoma, it's an ordinary afternoon. She's curled up in a comfy chair, reading a novel, and enjoying her time off from school. Then her mother storms into the room and asks a question that will change the teenage girl's life forever: "Are you a witch?" Dumbfounded by the ridiculous charge, Ijeoma further learns that her classmate, a beautiful young girl named Adaugo, is dead. But

before she died, Aداغو confessed to being a witch, and claimed that Ijeoma was one, as well. Ijeoma vehemently denies this charge, but her mother does not believe her. Worse, neither does her beloved father. Their entire Nigerian village soon hears of the charge, and Ijeoma is judged accordingly. Helpless, vulnerable, naïve, and inexperienced, Ijeoma is abandoned by her loved ones and forced to face the indignities of those who want her punished. But in the midst of the ashes of her life, Ijeoma clings to her faith and determines to discover the truth behind the deceit. Intense and thought-provoking, *A Cry of Innocence* reveals the tragic

consequences suffered by those falsely accused and serves as a stark reminder of society's responsibility to the truth.

*The End of Innocence*  
Alyson Books

He thought I owned him. He thought he loved me, that I was enough. But this animal, this sex god who could drive me crazy and steal my heart in the same breath, he would never fully be mine. It was impossible. No one ever owned a God... One year. I have one year to find out more about this man I am marrying. More about his family. More about our sex, and all of the dirty, delicious places it will take me. I thought I'd spend this year making a decision. I never thought the decision would be

taken from me, snatched right from my naive little hands. The final book in the Innocence Trilogy.

PRAISE: "Julia Campbell, a college intern in a law office, becomes sexually involved with Brad, one of the senior partners, while working for another. Evidently nonorgasmic before she met Brad, Julia is enjoying her sexual awakening with him in threesomes, sex parties, and anything and everything (except S and M)—until her boss is murdered, and she finds out that she's on a hit list for having overheard a conversation involving his representation of Mob families. Brad, the son of one of those mobsters, though not involved in the family "business," has to

figure out how to protect her. Torre gives readers erotica with a plot, despite the bromide of the alpha male introducing the naïve young woman to sex and a variant of the marriage of convenience. Julia is a classic "spunky Suzy," and unlike *Fifty Shades of Grey*, the story is plausible." —Mary K. Chelton, Booklist, on *Masked Innocence* (Book 2 in *The Innocence Trilogy*) "Torre's erotic sequel to the indie digital hit *Blindfolded Innocence* returns to the dangerous, decadent world of divorce lawyer Brad De Luca and law student Julia Campbell. In the bedroom, Brad is slowly pushing Julia to the very edges of her sexual limits, including threesomes and sex parties. At the office,

Julia accidentally overhears her boss, Brad's business partner, engaging in a shady Mafia-related deal, and her new knowledge could get her killed. When she tells Brad about the conversation, it becomes clear that he's hiding a big secret that could drive him and Julia apart forever. Will losing her inhibitions also mean losing her life? Despite a dead end or two and a cliffhanger conclusion, Torre keeps readers engaged with this fast-moving tale of deceit, treachery, and love." —Publishers Weekly on *Masked Innocence* (Book 2 in *The Innocence Trilogy*)

**A Cry of Innocence**  
Penguin

The first and most popular of Blake's famous "Illuminated

Books," in a facsimile edition reproducing all 31 brightly colored plates. Additional printed text of each poem.

The End of the Innocence Onyx Books

Recalling the great muckrakers of the past, an outraged team of America's best-selling writers unite to confront the disasters of wrongful convictions. Wrongful convictions, long regarded as statistical anomalies in an otherwise sound justice system, now appear with frightening regularity. But few people understand just how or why they happen and, more important, the immeasurable consequences that often haunt the lucky few who are acquitted, years after they are

proven innocent. Now, in this groundbreaking anthology, fourteen exonerated inmates narrate their stories to a roster of high-profile mystery and thriller writers—including Lee Child, Sara Paretsky, Laurie R. King, Jan Burke and S. J. Rozan—while another exoneree’s case is explored in a previously unpublished essay by legendary playwright Arthur Miller. An astonishing and unique collaboration, these testimonies bear witness to the incredible stories of innocent men and women who were convicted of serious crimes and cast into the maw of a vast and deeply flawed American criminal justice system before eventually, and

miraculously, being exonerated. Introduced by best-selling authors Scott Turow and Barry Scheck, these master storytellers capture the tragedy of wrongful convictions as never before and challenge readers to confront the limitations and harsh realities of the American criminal justice system. Lee Child tells of Kirk Bloodsworth, who obsessively read about the burgeoning field of DNA testing, cautiously hoping that it held the key to his acquittal—until he eventually became the first person to be exonerated from death row based on DNA evidence. Judge John Sheldon and author Gayle Lynds team up to share Audrey Edmunds’s experience raising her children

long distance from her prison cell. And exoneree Gloria Killian recounts to S. J. Rozan her journey from that fateful "knock on the door" and the initial shock of accusation to the scars she carries today. Together, the powerful stories

collected within the Anatomy of Innocence detail every aspect of the experience of wrongful conviction, as well as the remarkable depths of endurance sustained by each exoneree who never lost hope.
