His name is John
Blacksad. He's a private
detective who's seen
much evil in the past, but

he encountered a case as
bizarre, as twisted, or as
deadly as the one he

accepts now. In a town
where white supremacists
have moved in and are
brutally seizing control,
Blacksad is asked to find a
kidnapped child and bring
the kidnappers to justice.
As he gets deeper into his
investigation, Blacksad
discovers a tale of
sickening horror involving
murder and worse that
condemns some of the
town's most powerful
citizens.

First published in 1963, A God and his Gifts was the last of Ivy Compton-Burnett's novels to be published in her lifetime and is considered by many to be one of her best. Set in the claustrophobic world of Edwardian upper-class family life, it is the story of the self-willed and arrogant Hereward

Egerton. In his marriage to Ada Merton he maintains a veneer of respectability but through his intimate relationships with his sister, Emmeline, and his son's future wife, Hetty, he steps beyond the bounds of conventional morality with both comic and tragic results...
