**Malawi's Lost Years  
(1964-1994)** Hachette  
UK

“Outlander meets  
Camelot” (Kirsty  
Logan, author of The  
Gracekeepers) in the  
first book of an exciting

historical series that  
reveals the untold  
story of Languoreth—a  
powerful and, until  
now, tragically  
forgotten queen of 6th-  
century Scotland—twin  
sister of the man who  
inspired the legendary  
character of Merlin.  
Intelligent, passionate,  
rebellious, and brave,  
Languoreth is the  
unforgettable heroine

of *The Lost Queen*, a tale of conflicted loves and survival set against the cinematic backdrop of ancient Scotland, a magical land of myths and superstition inspired by the beauty of the natural world. One of the most powerful early medieval queens in British history, Languoreth ruled at a time of enormous disruption and bloodshed, when the burgeoning forces of Christianity threatened to obliterate the ancient pagan beliefs and change her way of life forever. Together with her twin brother Lailoken, a warrior and druid known to history as Merlin, Languoreth is catapulted into a world of danger and violence. When a war brings the hero Emrys Pendragon, to their

door, Languoreth collides with the handsome warrior Maelgwn. Their passionate connection is forged by enchantment, but Languoreth is promised in marriage to Rhydderch, son of the High King who is sympathetic to the followers of Christianity. As Rhydderch's wife, Languoreth must assume her duty to fight for the preservation of the Old Way, her kingdom, and all she holds dear. "Moving, thrilling, and ultimately spellbinding" (BookPage), *The Lost Queen* brings this remarkable woman to life—rescuing her from obscurity, and reaffirming her place at the center of the most enduring legends of all

time. “Moving, thrilling, and ultimately spellbinding, *The Lost Queen* is perfect for readers of historical fiction like *The Clan of the Cave Bear* and *Wolf Hall*, and for lovers of fantasy like *Outlander* and *The Mists of Avalon*” (BookPage).

### Lost Years SCB

#### Distributors

When the documentary *Bettie Page Reveals All* was released in 2013, it would have been easy to assume we would never again hear directly from the adored icon. After all, the film is narrated by Bettie Mae Page herself, and she spills on lots of subjects that she had previously kept private—even in her authorized biography—though she does maintain her own decades-long, no-photos rule in the

movie. She loathed the effects of aging, said it made her sad to see her own celebrity idols when they were older, and wanted people to remember her as she looked in her pinup days. Fortunately for the hordes of Bettie fans worldwide, a bounty of unreleased Bettie material awaits. For years—since before Bettie’s death from heart failure in December 2008 at the age of 85—boxes and file folders of Bettie mementoes have been gathering dust in the closets of Bettie’s nephew’s house. Ron Brem, a musician living in Bakersfield, California, is the only child of Bettie’s beloved sister, Goldie Jane Page. Bettie never had kids, other than three stepchildren during one of her four

marriages to three men (she married one twice). Goldie was also an aspiring model and actress but later settled into housewifery before eventually becoming an art teacher and gallery owner. She died during the summer of 2004, but in the several years before her death, she had carefully stored heaps of incredible family photos, the bulk of which feature Bettie as either the sole subject or part of the shot. None of these hundreds of photos has ever been published until now, and few people even know they exist. Goldie also saved approximately 29 letters from Bettie spanning the years 1949 to 2000, ranging in length from note-size to 18 full pages,

which tell the unknown story of Bettie's "lost years" following her retirement from modeling in 1957.

### Traitor Winds

Ballantine Books

When Merlin, suffering from a case of severe amnesia, discovers his strange powers, he becomes determined to discover his identity and flees to Fincayra where he fulfills his destiny, saving Fincayra from certain destruction and claiming his birthright and true name.

Reprint.

The Lost Years Simon and Schuster

In the fifth and final volume of this series, the evil warlord Rhita Gawr prepares to wage war against the island of Fincayra. To halt the invasion, Merlin must unite the bickering factions of the magical

isle to stand together against the dire threat. But first, Merlin must fight a greater battle--one within him--before he can unify the Fincayrans and regain the lost wings that will enable his people to choose their true destiny.

The Mirror of Merlin  
Raven Press (South Africa)

"Reads like a detective thriller! It picks you up and never lets go of you." —Jess Stearn, bestselling author of *Edgar Cayce, The Sleeping Prophet*  
Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings

together the testimony of four eyewitnesses—and three variant translations—of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics “proved” they did not exist—then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It’s one of the most revolutionary messages of our time."

### **Forty Lost Years**

Rowman & Littlefield  
Throws light on the problem of what Shakespeare was doing between leaving school

and appearing as an actor and playwright in London.

The Lost Thing Fum

d'Estampa Press

A boy discovers a bizarre-looking creature while out collecting bottle-tops at a beach. Having guessed that it is lost, he tries to find out who owns it or where it belongs, but the problem is met with indifference by everyone else, who barely notices its presence. Each is unhelpful in their own way; strangers, friends, parents are all unwilling to entertain this uninvited interruption to day-to-day life. In spite of his better judgement, the boy feels sorry for this hapless creature, and attempts to find out where it belongs.

Lost Years Random

House

New definition to the little-known work Wright produced during this period, which he describes as Wright's primitivist phase. He traces this influence in his art through Wright's explorations of primitivist sources, innovations in sculpture, and an intensification of the architect's use of ornament. Less tangible, but as important, was Wright's view of himself, his art, and society, and Alofsin uncovers the European impact on the architect's image of himself as a.

**The Fires of Merlin**

Franklin Watts

When a young boy named Pete gets lost in a gigantic forest, he forms an unforgettable

friendship with a giant flying dragon named Elliot. Based in the world of the film Pete's Dragon, this original story features original illustrations, explores Pete and Elliot's adventures and struggles in the forest and tells the tale of the lost years not shown in the film.

**Spider-Man** Simon and Schuster Brought to you by Penguin. 'The bloody victory of the Corleone Family was not complete,' begins the final chapter of Mario Puzo's *The Godfather*, 'until a year of delicate manoeuvring established Michael Corleone as the most powerful Family chief in the United States.' *The Godfather: The Lost Years* takes place in the years 1955-65, but it is built upon the

story of that 'year of delicate political manoeuvring' - and how, in winning the battle of that year, Michael Corleone set the stage to lose the war: the war to make the Family legitimate, the war to keep the Corleones supremely in power, the war to stay true to his father's wishes, the war to give not just his Family but his family a safe and happy life. *The Godfather: The Lost Years* is not just a sequel. A magnificent novel in its own right, by an acclaimed young American novelist, it traces the nexus of ambitious, audacious decisions that Michael Corleone implements, their ultimate failure, and, after the Family's literal and figurative years in the wilderness (of Las Vegas),

Michael's literal, physical return to New York, and his attempts to regain control there.

The Lost Books of the Bible and The Forgotten Books of Eden Penguin

For nearly a half decade he all but ceased to write fiction and even abandoned his lifelong habit of keeping a diary."

Necroscope: The Lost Years Manchester

University Press  
 Graphic novel. Story of the Peter Parker/Spiderman clone, Ben Reilly, who has assumed the guise of Spiderman.

**Necroscope** Atria Books

At no time since the end of the Cold War has interest been higher in Russian

security issues and the role played in this by the modernization of Russia's Armed Forces. The continued transformation of its Armed Forces from Cold War legacy towards a modern combat capable force presents many challenges for the Kremlin. Moscow's security concerns domestically, in the turbulent North Caucasus, and internationally linked to the Arab Spring, as well as its complex relations with the US and NATO and its role in the aftermath of the Maidan Revolution in Ukraine in 2014 further raises the need to present an informed analytical survey of the country's military, past, present and future. This collection addresses precisely the

nature of the challenges facing Russian policymakers as they struggle to rebuild combat capable military to protect Russian interests in the twenty-first century.

This book was based on a special issue of the Journal of Slavic Military Studies.

### The Lost Queen

Penguin

The brand new spine-tingling thriller from the world's favorite thriller writer A fantastically page-turning new thriller from the world's favourite thriller writer, featuring all the twists, turns and chillingly close-to-the-bone storylines that her millions of fans know and love. Praise for Mary Higgins Clark: 'I adore Mary Higgins Clark' Karin Slaughter 'Teeming with

tantalizing twists, Clark's crackling tale of identity theft, revenge, and murder is a tempting and thought-provoking thriller'

### **Shakespeare**

Macmillan

Ever had a dream so real it feels like a memory? I've had those kinds of dreams since I was a kid. Each one of a beautiful girl, who is my best friend. We grow up together on a sunny island surrounded by water that's as blue as her eyes. We share all our hopes and fears until we realize we belong to each other in every way one person claim another. She is my own personal serenity. Sweet story, eh? Well forget about it. The cold, harsh reality is that I'm a twenty-year-old, Manhattan bred,

manwhore, who uses his fists to solve his problems. The only comfort I find is inside a bottle... and the dreams. But the dreams are my illness not my cure. Just when things look the darkest, the sun slaps me square in the jaw. I spot a picture of a scenic island surrounded by the bluest water – my island. If the island exists then so must the girl, right? So I'm headed to Serenity, Texas to find my girl and make some sense out of the chaos that is my life. Feel free to tag along, but this journey comes with a steep warning — dreams can turn into nightmares in the blink of an eye. My name is Jason Flynn and this is our story.

### **Pete's Dragon: The Lost Years**

Booklocker.Com Incorporated  
One of T.A. Barron's most thrilling adventures yet, featuring a new and unforgettable character in his earliest years. In the years after Fincayra disappears and Merlin has been sent wandering, a young lizard-like creature, with the wings of a bat and the magical power to produce any smell it encounters, is born into the new world of Avalon. The unlikely hero—Basil, he is called—cannot find a single creature like itself nor a person who can tell him what he is. But it is clear that Basil is much more than he seems when he stumbles into an encounter with the great Merlin, saving his child's life, then

uncovers a secret plot by the evil Rhita Gawr. It's a race against time and across Avalon as Basil, with the help of the faithful wind sister Ailah, searches for the great wizard to warn him.

*The Lost Years of Merlin Ace*

In this marvelous saga, bestselling fantasy author T.A. Barron spins a tale of courage and daring, friendship and love, that will live, like Merlin, forever in readers' hearts. Writers as diverse as Shakespeare, C.S. Lewis, and Mary Stewart have recounted the adventures of the mythical wizard Merlin, but none have dealt with the lost years of his youth.

The Lost Realms (Book IV) University of Chicago Press

Traitor Winds It began with the lost years, the long-awaited story of what happened to Captain Kirk and the legendary crew of the U.S.S. Enterprise™ when their original five-year mission ended. Now, it is more than a year later, and Kirk and his crew have settled into their new, separate assignments. But when Sulu and Chekov find themselves framed for murder and treason, the two officers are forced to go into hiding. As Admiral Kirk and Uhura frantically search for evidence to prove Sulu and Chekov innocent, they uncover evidence to prove Sulu and Chekov innocent, they uncover a plot that threatens the very foundations of Starfleet. "BR> The web of conspiracy is

woven tighter as the real culprits and Federation agents close in on the fugitives. Unsure of whom to trust and with time running out, the former U.S.S.

Enterprise shipmates must once again rely on each other to find the truth and prevent the Federation from facing utter destruction.

Lost Prophet Philomel  
NEW YORK TIMES  
BESTSELLER • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An

absorbing historical . . . enthralling."—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife

with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school seems like the ticket to

canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything. *Merlin* Fawcett Books  
A compendium of maps, character descriptions, magical terms, timelines, and other tidbits from the author's Merlin saga.
