This is the ultimate  
reference book on the  
World Cup, with match-  
by-match articles  
featuring the biggest

names in world  
football, plus results  
from every game  
played. All the  
statistics are here in  
one volume, enough to  
satisfy the most avid of  
World Cup fans,  
including team line-  
ups, goalscorers,  
stadiums, referees,  
crowd figures and

exact dates, plus an authoritative records and statistics section, as well as detailed reports of every game played in the finals. From the brilliant Italian team, winners in 1934, and Geoff Hurst's hat-trick for England in 1966 to the fabulous Brazilian team of Pele, Tostao and Jairzinho of 1970, and the 1998 French side of Zidane, Deschamps and Desailly, all the fabulous memories and defining moments are captured in this one book. As well as the facts and feats, this book contains archive photographs of some of the most memorable images of football's greatest tournament. World Cup Carlton Books  
The World Cup soccer tournament is one of Sports' Greatest

Championships! Since the first tournament in 1930, hundreds of thousands of people have followed the 32-team tournament. Now, young readers can learn about the World Cup's history, the famous teams and players, the spectacular goals, and the future of the sport from in their library. Informative sidebars add to the high impact photographs and easy-to-read text, bringing Sports' Greatest Championships to readers of all ages. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

The Story of the World Cup HarperCollins (UK)  
 In its greatly expanded second edition, this definitive reference work on the sport of Polo includes more than 18,000 alphabetical and cross-referenced entries covering players, teams, national and international tournaments, rules of the game, books on polo and their authors, as well as painters and sculptors of polo subjects. No other book includes as much information about the game in a single volume.

**Complete Book of the World Cup 2006**  
 Harper Collins  
 The Montevideo inauguration of FIFA World Cup in July 1930, took place with participation of only 13

countries. It was 12 years after, and 10 years before the two World Wars. Centuries of colonial orders had been shattered and the future was unclear. Jules Remet the head of FIFA, worked hard for assembling those national teams in the cold winter season of Uruguay. Ninety years later, ahead of the 22nd World Cup, FIFA has 211 country members, of which 32 of them have qualified to send their teams to Qatar. Throughout these 90 years of evolving international scenes, 21 countries (5 of them twice), have hosted the World Cups in contrasting circumstances. Not only the global situation during one Cup had been different compared with the next, but also the

socioeconomic and political conditions of all the host nations have had their own particular issues. As it happened, in the Summer of 1974, I saw a few matches of the 10th World Cup in Munich and Frankfort. Of course, I was interested in football, but, given the terror attacks of 1972 Olympic games in Munich, as a young student of political science, I became fascinated by Germany's atmospheric changes. I have been to other Olympics as well as World Cups in Europe and Americas and studied the history of these two premier tournaments combined with the politics of each hosting country. World Cup of Football, is not the oldest

international tournament, but it is one of the few that through it's 90 years history, the transformation of world politics and sport can be studied. This book is a brief review of political and sporting history of the World Cup.

**WORLD CUP** Fidelis Iyebote

The FIFA World Cup is the world's most-watched sporting event. A cumulative television audience of several billion people tuned in to the 2014 World Cup, and an estimated 700 million watched the finals. The Encyclopedia of the FIFA World Cup provides the most comprehensive and up-to-date information available on the history of this incomparable event. Hundreds of

entries cover players, coaches, officials, stadiums, overviews of each major country's performances, and more. Including an indispensable bibliography on the key World Cup texts, this volume is an essential reference for soccer fans, players, and researchers alike.

The Complete Book of the World Cup A&C Black

Are you a football addict who loves their fix of World Cup facts and figures? If so then this is the book for you. All the information that you need on each World Cup from Uruguay 1930 to Russia 2018 is condensed into this treat of an A-Z of fun statistics from each tournament. Obscure and important results, top scorers, funny and

sad stories, legends of the game on and off the pitch and oldest and youngest stats are all included and much, much more into this companion book for every World Cup fanatic out there. So whenever you need that rush of looking at some mind blowing facts and figures of this great tournament before it all kicks off in Russia 2018, open up FIFA World Cup A-Z of Facts and Figures sit back, enjoy and wonder in amazement of the history of The Greatest Show on Earth....THE FIFA WORLD CUP.

**COPA90: Our World Cup** Penguin UK

The World Cup: A Short History The FIFA World Cup is undoubtedly football's greatest tournament. 'The World Cup: A History'

chronicles, as the title implies, the history of the competition, tournament by tournament. Written by History In An Hour's founder, Rupert Colley, *The World Cup: A Short History* takes the reader from Jules Rimet's vision and the inaugural tournament in 1930 to the current 2018 World Cup in Russia. Along the way we meet the illustrious names of yesteryear - from Leonidas, Puskas and Fontaine via Pele, Beckenbauer and Cruyff to the great players of recent years. *The World Cup: A Short History* includes a list of records (the youngest, the oldest, the fastest, the most, etc), and a chapter on the Women's FIFA World Cup. Plus, test your knowledge with the 40-question

ultimate World Cup Quiz. Whether you call it football or soccer, *The World Cup: A Short History* is a must for a superb overview to the ultimate sporting spectacle.

*The World Cup History In An Hour*

In 'The World Cup, A Very Peculiar History', author David Arcsott tackles the big subjects at the heart of the beautiful game, including how the tournament first kicked off, the dirty tactics used throughout the years and the most memorable managers in the history of football. Filled to the brim with quirky quotes, fantastic facts and surprising statistics, this is the perfect accompaniment to any post-match celebration (or commiseration!)

during the season. At its heart 'The World Cup, A Very Peculiar History' is a look at the many amusing, amazing and sometimes alarming stories that lie behind this great sporting tournament.

[The World Cup](#)

Rowman & Littlefield

An all-encompassing,

chronological guide to

football's World Cup, one of the world's few truly international events, in good time for the June 2018 kick-off in Russia. From its beginnings in 1930 to the modern all-singing, all-dancing self-styled 'greatest show on Earth', every tournament is covered with features on major stars and great games, as well as stories about some less celebrated names and quirky stats and intriguing essays. Holt's focus is very much on what takes place on the field, rather than how football is a mirror for economic corruption, or how a nation's style of play represents a profound statement about its people, or how a passion for football can lift underpaid, socially marginalised people

out of poverty. From the best World Cups, in 1958 and 1970, to the worst, in 1962 and 2010, he looks behind the facts and the technical observations to the stories: the mysterious sins of omission; critical injuries to key players; and coaching U-turns. He explains how England's World Cup achievements under Sven-Göran Eriksson, far from being a national disgrace, were actually quite impressive, and looks at why Alf Ramsey didn't take Bobby Charlton off in 1970, but this is no parochial, jingoistic account. The book also asks why Brazil did not contribute in 1966, despite having won the previous two tournaments and going on to win the next one?

Why the greatest players of their day did not always shine at the World Cup - George Best and Alfredo Di Stefano, for example, never even made it to the Finals. Why did Johann Cruyff not go to the 1978 World Cup? And why did one of Germany's greatest players never play in the World Cup? There are lots of tables, some filled with obvious, but necessary information, but others with more quirky observations. Alongside accounts of epic games, there are also brief biographies of all the great heroes of the World Cup.

**The World Cup as  
World History**

Capstone Press  
The World Cup as  
World History uses  
football's premier  
event to analyze  
modern sports and  
world history. William  
D. Bowman traces the  
history of a tournament  
that has become a  
global phenomenon  
that generates intense  
political, economic,  
and cultural interest  
and profound  
discussions about  
racial, ethnic, and  
gender identity in the  
contemporary era. By  
focusing on the World  
Cup, the book keeps a  
tight thematic focus  
that allows for an

integrated discussion  
of the core issues of  
globalization, money  
and finance, sport as  
spectacle, race and  
gender, and  
contemporary politics.
