The healthy Christian life is one of continuing spiritual, emotional, and relational growth. But so many of us feel stuck or stagnated at one stage of the journey. It's not always clear to us where or why we are stuck, making it difficult to take the next step on our journey of the soul. That's where Bill and Kristi Gaultiere come in. After decades in private practice as counselors and therapists, they have developed a unique model for growing in grace. In *Journey of the Soul*, they draw on more than 70,000 hours of providing therapy and spiritual direction to show you how to identify your current stage of faith and the next steps to take based on your unique needs and struggles. With Scripture, self-assessments, and soul care practices to support your progress along the way, this insightful and inspiring book will be a treasured companion on your journey no matter where you are or how long you've been following Jesus.

Dreaming is a time when God has our undivided attention, and He can speak to us, without us talking back or busying ourselves with something else that drowns out His voice. He uses dreams to tell us things about our purpose, prayers, character, and even hidden sin. An incredible amount of information is available to us in dreams if we will tap in to them and get understanding. As part of the "Dreams Revealed" series, the handbook for biblical dream interpretation provides the basic tools and information to get dreamers started understanding dreams. The book contains the scientific and spiritual basics of dreaming, an explanation of what to do with dreams, instructions for how to interpret dreams, and a dream symbol dictionary to explain the spiritual meanings behind words.

Sometimes you have a dream and when you wake up, you thank God "it was just a dream." God uses dreams to reveal what is going on in the spiritual realm of one's life. Dreams often reveal things that we may physically be unaware of. When you have a dream, ignoring it does not solve the problem. God uses dreams to guide us to make correct decisions in our lives. He also uses dreams to warn us if something bad was going to happen so we can pray and change it. More importantly, God uses dreams to reveal His purpose in our lives. Every dream has a purpose and interpretation. For instance, when you dream you are eating, being chased by people, driving a car, taking exams, being in a place you have never been, being in a place you know or used to live, etc; God is directing speaking to you things that are going on in your life. The Bible has answers to all these dreams and many others. This book will reveal God's word to you in a personal level because interpretations of dreams are personal and are based on God's message to you

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognize his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognize God's voice when he speaks and how to respond when you do.
